The Gospel-Centered Evangelicalism of Alexander Carson John Gill,2025-07-31 Alexander Carson ca 1776 1844 is primarily remembered by Baptist historians as an apologist for believer s baptism Yet this is a topic that Carson himself would consider secondary What then did Carson consider to be of primary importance The gospel of Jesus Christ as conveyed in the Scriptures The thesis of this study is that Carson s belief in the Bible as a verbally and completely inspired text provided him with an infallible source for his understanding of the gospel as being centered upon the atonement effective through justification by faith alone and the motivation for evangelism Carson s theology is examined in each area through a study of his pertinent works the works written by those with whom he interacted as well as the larger theological social economic and political context surrounding those works **Paul's Letter to the Romans and Roman Imperialism** Ian E. Rock,2012-11-07 This book seeks to demonstrate that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the crisis of facing death Paul demonstrates that it is God s peace and not Rome s peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God s power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul s theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is one and Lord of all is still in charge of the world *The Story of Romans* A. Katherine Grieb,2002-01-01 A Katherine Grieb insightfully traces the argument of Paul s letter to the Romans and shows how it is grounded in the story of God s faithfulness to Israel She draws together a number of crucial insights the narrative character of Paul s thought the apocalyptic message of his gospel the depth of his engagement with Israel s Scripture and the practical and political impact of his theology She demonstrates the letter s relevance today and invites contemporary readers to locate their own stories within Paul s account

of God's righteousness Informed by recent Pauline scholarship this book will be useful to scholars students and pastors

Romans: Three Exegetical Interpretations and the History of Reception Daniel Patte, 2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul's teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to respect the interpretations of others and absolutizing one's interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis

Indebted Love Monya A. Stubbs, 2013-10-09 For Paul the gospel message is simple yet profound Be subject to God But subjection for Paul means recognizing that the gift of God to one is the capacity to acknowledge and appreciate the gift of God in another Paul argues that God's reconciling work in the world is manifest through the process of all people Jews and Gentiles understanding themselves in a mutually indebted relationship with each other The power of the gospel according to Paul empowers these groups to function out of a mutually indebted mindset and enables them to discern and demonstrate the good perfect and acceptable will of God In establishing his argument Paul gives considerable attention to hypotass subjection dokimaz discern phron ma phrone mindset way of thinking and metamorphomai transform as key theological concepts In this light Monya Stubbs analyzes the ways in which Paul speaks about subjection engages in reflection and exhorts his readers to transformation a type of transformation necessary for those to whom he exhorts to walk in the nearness of God's salvation power Focusing on these categories Stubbs helps us recognize the ways in which the text explores ideological systems of convictions and their implications for human relationships
