*The Romantic Poets* Uttara Natarajan, 2008-04-15 This welcome addition to the Blackwell Guides to Criticism series provides

students with an invaluable survey of the critical reception of the Romantic poets Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings Presents key critical texts on each of the major Romantic poets Blake Wordsworth Coleridge Byron Shelley and Keats as well as on poets of more marginal canonical standing Cross referencing between the different sections highlights continuities and counterpoints

**The Figure of the Shaman in Contemporary British Poetry** Shamsad Mortuza, 2014-08-11 This genealogical study focuses on the work of five contemporary British poets in order to locate them in a counter cultural tradition that is informed by strategic responses to state terrorism It identifies some historical moments of ruptures such as the persecution of the Celtic druids by the Romans the killing of the Welsh bards by Edward I the appropriation of bardic materials by Romantic poets writing in a post French Revolution era and the beatnik response to a post World War bipolar world in order to contextualise and discuss the poets of British Poetry Revival writing under Thatcherism Drawing on Mircea Eliade's notion of shamanism as archaic techniques of ecstasy these poets have transformed Eliade's version of the shaman's elective trauma and enacted a critical rejection of totalitarian tools of the state and society Categorised as the Technicians of the Sacred and the Technicians of the Body these shamanic poets include Iain Sinclair Jeremy Prynne Brian Catling Barry MacSweeney and Maggie O Sullivan Their poetic strategy is not a New Age fad it rather investigates and inventories the hidden energies of past and present to wrest spirituality away from the confines of religion and politics while embodying it in textual praxis

*Legacies of Romanticism* Carmen Casaliggi, Paul March-Russell, 2013-03-05 This book visits the Romantic legacy that was central to the development of literature and culture from the 1830s onward Although critical accounts have examined aspects of this long history of indebtedness this is the first study to survey both Nineteenth and Twentieth century culture The authors consider the changing notion of Romanticism looking at the diversity of its writers the applicability of the term and the ways in which Romanticism has been reconstituted The chapters cover relevant historical periods and literary trends including the Romantic Gothic the Victorian era and Modernism as part of a dialectical response to the Romantic legacy Contributors also examine how Romanticism has been reconstituted within postmodern and postcolonial literature as both a reassessment of the Modernist critique and of the imperial contexts that have throughout this time frame underpinned the Romantic legacy bringing into focus the contemporaneity of Romanticism and its political legacy This collection reveals the diversity and continuing relevance of the genre in new and exciting ways offering insights into writers such as Browning Ruskin Pater Wilde Lewis MacNeice and Auster

**Romanticism** Carmen Casaliggi, Porscha Fermanis, 2016-05-12 The Romantic period coincided with revolutionary transformations of traditional political and human rights discourses as well as witnessing rapid advances in technology and a primitivist return to nature As a broad global movement Romanticism strongly impacted on the literature and arts of the late eighteenth and early nineteenth centuries in ways that are still being debated and negotiated today Examining the poetry fiction non fiction drama and the arts of the period this book considers Important

propositions and landmark ideas in the Romantic period Key debates and critical approaches to Romantic studies New and revisionary approaches to Romantic literature and art The ways in which Romantic writing interacts with broader trends in history politics and aesthetics European and Global Romanticism The legacies of Romanticism in the twentieth and twenty first centuries Containing useful reader friendly features such as explanatory case studies chapter summaries and suggestions for further reading this clear and engaging book is an invaluable resource for anyone who intends to study and research the complexity and diversity of the Romantic period as well as the historical conditions which produced it

**Matter and Life in Coleridge, Schelling, and Other Dynamical Idealists** Peter Cheyne, 2025-05-12 This book written by renowned historians of philosophy literature and science provides a distinctively interdisciplinary work on matter and life in early modern Germany and Britain 1600 1850 It interrelates key theories of matter and the life sciences from Jakob B hme Ralph Cudworth G W Leibniz Anthony Cooper Shaftesbury Immanuel Kant J W Goethe Novalis Friedrich Schelling G W F Hegel S T Coleridge and Arthur Schopenhauer Schelling s centrality in the philosophy of nature is highlighted but also Coleridge s role in importing and adapting German philosophical and scientific insights into the domain of British science runs through the book At the core of this original project is an interrelated and interdependent analysis of Cambridge Platonism German idealism and British romanticism Under the umbrella term of dynamical idealists the editor of the volume refers to investigators of the vital energy of nature who characteristically combined the tradition of early modern speculative idealism with enquiries into an experiential study of nature involving mysticism chemistry and empirical accounts of physical matter Significantly several chapters concentrate on the relationships between human will agency freedom and God shedding light on modern conceptions of subjectivity and selfhood All of the above makes this book of great value to historians of philosophy literature and science

*A Victorian Muse* Julia Straub, 2011-11-03 The figure of Dante s Beatrice can be seen as a cultural phenomenon or myth during the nineteenth century inspiring a wide variety of representations in literature and the visual arts This study looks at the cultural afterlife of Beatrice in the Victorian period in remarkably different contexts Focusing on literary representations and selected examples from the visual arts this book examines works by Dante Gabriel Rossetti and Christina Rossetti George Eliot Alfred Lord Tennyson and Walter Pater as well as by John Ruskin Maria Rossetti and Arthur Henry Hallam Julia Straub s analysis shows how the various representations of Beatrice in literature and in the visual arts reflect in meaningful ways some of the central social and aesthetic concerns of the Victorian period most importantly its discourse on gender This study offers fascinating insights into the Victorian reception of Dante by exploring the powerful appeal of his muse

**An Introduction to Poetic Forms** Patrick Gill, 2022-12-29 An Introduction to Poetic Forms offers specimen discussions of poems through the lens of form While each of its chapters does provide a standard definition of the form in question in its opening paragraphs their main objective is to provide readings of specific examples to illustrate how individual poets have deviated from or subverted those expectations usually associated with the

form under discussion While providing the most vital information on the most widely taught forms of poetry then this collection will very quickly demonstrate that counting syllables and naming rhyme schemes is not the be all and end all of poetic form Instead each chapter will contain cross references to other literary forms and periods as well as make clear the importance of the respective form to the culture at large be it the democratising communicative power of the ballad or the objectifying male gaze of the blazon and resistance to same in the contreblazon the efficacy of form is explored in the fullness of its cultural dimensions In using standard definitions only as a starting point and instead focusing on lively debates around the cultural impact of poetic form the textbook helps students and instructors to see poetic forms not as a static and lifeless affair but as living breathing testament to the ongoing evolution of cultural debates In the final analysis the book is interested in showing the complexities and contradictions inherent in the very nature of literary form itself how each concrete example deviates from the standard template while at the same time employing it as a foil to generate meaning

*Fictional Worlds and Philosophical Reflection* Garry Hagberg, 2022-01-31 This edited collection investigates the kinds of philosophical reflection we can undertake in the imaginative worlds of literature Opening with a look into the relations between philosophical thought and literary interpretation the volume proceeds through absorbing discussions of the ways we can see life through the lens of literature the relations between philosophical saying and literary showing and some ways we can see the literary past philosophically and assess its significance for the present Taken as a whole the volume shows how imagined contexts can be a source of knowledge a source of conceptual clarification and a source of insight and understanding And because philosophical thinking is undertaken after all in words a heightened sensitivity to the precise employments of our words particularly philosophically central words such as truth reality perception knowledge selfhood illusion understanding falsehood can bring a clarity and a refreshed sense of the life that our words take on in fully described contexts of usage And in these imagined contexts we can also see more acutely and deeply into the meaning of words about words metaphor and figurative tropes verbal coherence intelligibility implication sense and indeed the word meaning itself Moving from a philosophical issue into a literary world in which the central concepts of that issue are in play can thus enrich our comprehension of those concepts and in the strongest cases substantively change the way we see them With a combination of conceptual acuity and literary sensitivity this volume maps out some of the territory that philosophical reflection and literary engagement share

**Curiosity and Wonder from the Renaissance to the Enlightenment** R.J.W. Evans, 2017-03-02 Curiosity and wonder are topics of increasing interest and importance to Renaissance and Enlightenment historians Conspicuous in a host of disciplines from history of science and technology to history of art literature and society both have assumed a prominent place in studies of the Early Modern period This volume

brings together an international group of scholars to investigate the various manifestations of and relationships between curiosity and wonder from the 16th to the 18th centuries Focused case studies on texts objects and individuals explore the multifaceted natures of these themes highlighting the intense fascination and continuing scrutiny to which each has been subjected over three centuries From instances of curiosity in New World exploration to the natural wonders of 18th century Italy Curiosity and Wonder from the Renaissance to the Enlightenment locates its subjects in a broad geographical and disciplinary terrain Taken together the essays presented here construct a detailed picture of two complex themes demonstrating the extent to which both have been transformed and reconstituted often with dramatic results *Nietzsche's Earthbound Wisdom* Keith Ansell-Pearson, 2025-05-07 An incisive exploration of Nietzsche as a bold visionary poet philosopher Today Nietzsche is justly celebrated for his rich philosophical naturalism but Keith Ansell Pearson warns that we must not overlook the visionary dimension of his thinking and his focus on the need to cultivate a new care of the self and care of life In Nietzsche's *Earthbound Wisdom* Ansell Pearson recovers Nietzsche's love for a philosophy that guides us through our passions one that opens us more fully to the possibilities of life and the joy of knowledge Ansell Pearson offers close readings of Nietzsche's texts in conversation with philosophical and literary figures including Augustine Baudelaire Carlyle Dostoevsky Emerson Flaubert Stendhal and more Throughout Ansell Pearson examines Nietzsche's sophisticated critique of literary naturalism and his alternative conception of the poet as a seer who has a deep longing for a new earth
