Anyone who loves a romance that isn't just a romance would appreciate this work. Michele Arendse, surrounded by the whiteness of the blizzard's snow, Theodora Hayes was determined to rekindle a love she had walked away from many years ago but can one ever truly go back? Teddy didn't give it a second thought. Passion drove her; need, Cole, was the love of her life and nothing was going to keep her from finding him except maybe danger, murder, and yes, love and its wicked dark past. Love Lost Adventure The Lie is a thrilling blend of romance and suspense transporting readers across time from the 1990s to the Civil War era. The story of Theodora Hayes's relentless quest for love entwined with a murder mystery is beautifully crafted with rich characters and unexpected twists. Gargiulo masterfully weaves historical elements into a contemporary setting creating a captivating tale. A must read for those who enjoy a complex emotive narrative with a strong passionate protagonist.
