Romantic Passion A Universal Experience

Katherine Aumer

Romantic Passion A Universal Experience:

Romantic Passion William Jankowiak, William R. Jankowiak, 1997-02-13 Observers from the West the book contends have incorrectly projected rigid ethnocentric notions of love and marriage onto cultures around the world Contributors look beyond each society's official institutions to explore expressions of love offering new perspectives on arranged marriages and polygamy and reexamining as well the other side of the equation rejection and grief *Romantic Love and Sexual Behavior* Victor C. de Munck, 1998-04-16 Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation Is rape perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated *Rethinking Romantic Love* Begonya Enguix, Jordi Roca, 2016-11-14 This volume is the result of a thorough exploration of contemporary conceptions of romantic love from different points of view Beginning with an initial text where the meanings of romantic love are discussed theoretically and historically the contributions gathered here present current discussions about love in the present day and in different geographical contexts that range from Hungary to Italy or Spain The first part of the book is devoted to the analysis of mobilities for the sake of love as a result of globalization These mobilities are analysed in relation to love ideals to gender equality and to online searches for the ideal partners The second part of the book deals with the exploration of different imaginaries of love in particular geographical contexts The topics dealt with here include love as sickness love and violence love ideals for men engaged in gender equality and love ideals for those who engage in cross dressing practices In the third part writing about and for love is addressed Love writings to the beloved dead teenage girls blogs and bestsellers such as *Fifty Shades of Grey* are discussed in particular detail This book addresses current conceptions of romantic love in different social groups through different practices and in different countries and shows that despite the variability of discourses

experiences and practices related to love a number of ideas of what love should be like related to the Western ideals of romantic love persist in all these contexts The contributions to this volume are derived from extensive fieldwork and ethnographic research and will be of undoubted interest for the academic milieu However given the topic it deals with the book will also appeal to the general public who will find in these pages many love stories derived from the detailed study of the society which we inhabit and the ideals of love that we breathe

Romantic Love Yolanda van Ede,2006 **Romance on a Global Stage** Nicole Constable,2003-09-18 Publisher Description **Intimacies** William R. Jankowiak,2008 Examines how different cultures rationalize the expression of passionate and comfort love and physical sex From publisher description

Romantic Love in Cultural Contexts Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature *Romantic Love in Cultural Contexts* delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations

Handbook of Love Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0> Why

We Love Helen Fisher,2005-01-02 A groundbreaking exploration of our most complex and mysterious emotion Elation mood swings sleeplessness and obsession these are the tell tale signs of someone in the throes of romantic passion In this revealing new book renowned anthropologist Helen Fisher explains why this experience which cuts across time geography and gender is a force as powerful as the need for food or sleep Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love She proves at last what researchers had only suspected when you fall in love primordial areas of the brain light up with increased blood flow creating romantic passion Fisher uses this new research to show exactly what you experience when you fall in love why you choose one person rather than another and how romantic love affects your sex drive and your feelings of attachment to a partner She argues that all animals feel romantic attraction that love at first sight comes out of nature and that human romance evolved for crucial reasons of survival Lastly she offers concrete suggestions on how to control this ancient passion and she optimistically explores the future of romantic love in our chaotic modern world Provocative enlightening and persuasive Why We Love offers radical new answers to the age old question of what love is and thus provides invaluable new insights into keeping love alive

Biocultural Approaches to the Emotions Alexander Laban Hinton,1999-11-28 This edited volume first published in 1999 attempts to integrate neo Darwinian and culturalist perspectives in the study of emotion

The New Psychology of Love Robert J. Sternberg,Karin Sternberg,2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts It is suitable for psychologists neuroscientists anthropologists sociologists and anyone with an interest in love and what has been learned from scientific studies of it

The Making of Romantic Love William M. Reddy,2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love* Longing and Sexuality in Europe South Asia and Japan William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire

The SAGE Handbook of Social Psychology Michael A Hogg,Joel Cooper,2007-04-13 This Volume is everything one would want from a one volume handbook Choice Magazine In response to market demand The SAGE Handbook of Social Psychology Concise Student Edition has been published and represents a

slimmer 16 chapters in total more course focused and student friendly volume The editors and authors have also updated all references provided chapter introductions and summaries and a new Preface outlining the benefits of using the Handbook as an upper level teaching resource It will prove indispensable reading for all upper level and graduate students studying social psychology

Love, Heterosexuality and Society Paul Johnson, 2007-04-11 Heterosexuality is a largely silent set of practices and identities it is assumed to be everywhere and yet often remains unnamed and unexplored Despite recent changes in the theoretical understanding and representation of sexuality heterosexuality continues to be socially normative Forging a new agenda for the study of heterosexuality this in depth volume the first research monograph to focus on heterosexuality and society presents an empirical study of the construction negotiation and enactment of heterosexual sexuality Using detailed interview data it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships Rather than assuming that romantic love is an outcome or expression of a pre defined sexuality Johnson explores how sexuality is brought to life through love Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality Paul Johnson s book shows how ways of loving are interwoven with the construction practice regulation and government of heterosexuality Excellently written this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire As such the research it contains will be valuable for all students of sociology and gender studies

Modern Love David Shumway, 2003-08-01 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love Modern Love argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson s history of marriage and romance part meditation on intimacy itself Modern Love will be both amusing and interesting to almost anyone who thinks about relationships and who doesn t

Erotic Love in Sociology, Philosophy and Literature Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about

fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

[The Psychology of Love and Hate in Intimate Relationships](#)

Katherine Aumer,2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or unconventional aspects The goal of this volume is to explore and illuminate some of these underrepresented aspects aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together The Psychology of Love and Hate in Intimate Relationships is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships

Cultural Typologies of Love Victor Karandashev,2022-09-01 This timely volume offers an integrative approach and a culturally diverse view of love conceptions experiences and expressions building on both individual and cultural typologies of love It comprehensively presents cultural and cross cultural studies on how culture affects love and offers a systematic description of types and cultural models of love The comprehensive reviews of methodology and findings provide a solid empirical basis for the creation of formal typologies This book will be useful for researchers interested in

cross cultural studies of love across many disciplines Its accessible language also makes it ideal for undergraduate and graduate students Readers will gain a comprehensive understanding of Cultural conceptions of love and methods for their research Multiple perspectives in the studies of love across world cultures Cultural models and typologies in an international perspective Cultural models and typologies from an interdisciplinary scientific perspective **The Handbook of Sexuality in Close Relationships** John H. Harvey, Amy Wenzel, Susan Sprecher, 2004-04-26 The editor s bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological r **Romance and Sex in Adolescence and Emerging Adulthood** Alan Booth, Ann C. Crouter, Anastasia Snyder, 2015-12-07 In this classic edition top scholars in family research examine the nature and origin of adolescents contemporary patterns of sexual and romantic relationships from the evolutionary roots of these behaviors to policies and programs that represent best practices for addressing these issues in schools and communities The text offers interdisciplinary expertise from scholars of psychology social work sociology demography economics human development and family studies and public policy Adolescents and young adults today face very different choices about family formation than did their parents generation given such societal changes as the rise in cohabitation the increase in divorce rates and families having fewer children This book examines these demographic trends and provides a backdrop against which adolescents and emerging adults form and maintain romantic and sexual relationships This book addresses such questions as What are the ways in which early family and peer relationships give rise to romantic relationships in the late adolescent and early adult years How do early romantic and sexual relationships influence individuals subsequent development and life choices including family formation To what extent are current trends in romantic and sexual relationships in adolescence and emerging adulthood problematic for individuals families and communities and what are the most effective ways to address these issues at the level of practice program and policy Ideal as a supplement in graduate or advanced undergraduate courses on interpersonal romantic relationships adolescent development human sexuality couples and or family and conflict sociology of children and youth family therapy taught in human development and family studies clinical or counseling psychology social work sociology communications and human sexuality this book also appreciated by researchers and clinicians counselors who work with families and adolescents
