Unlocking the Love-Lock Ceri Houlbrook, 2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in

declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow From the introduction I was distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image *Los Angeles Magazine* ,1998-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **The Oxford Handbook of European**
