Love Simon May,2019-03-28 What is love s real intent Why can love be so ruthlessly selective How is it related to sex beauty and goodness And is the child now the supreme object of love In addressing these questions Simon May develops a radically new understanding of love as the emotion we feel towards whomever or whatever we experience as grounding our life as offering us a possibility of home in a world that we supremely value He sees love as motivated by a promise of ontological rootedness rather than as two thousand years of tradition variously asserts by beauty or goodness by a search for wholeness by virtue by sexual or reproductive desire by compassion or altruism or empathy or in one of today s dominant views by no qualities at all of the loved one After arguing that such founding Western myths as the Odyssey and Abraham s call by God to Canaan in the Bible powerfully exemplify his new conception of love May goes on to re examine the relation of love to beauty sex and goodness in the light of this conception offering among other things a novel theory of beauty and suggesting against Plato that we can love others for their ugliness while also seeing them as beautiful Finally he proposes that in the Western world romantic love is gradually giving way to parental love as the most valued form of love namely the love without which one s life is not deemed complete or truly flourishing May explains why childhood has become sacred and excellence in parenting a paramount ideal as well as a litmus test of society s moral health In doing so he argues that the child is the first genuinely modern supreme object of love the first to fully reflect what Nietzsche called the death of God Readers will find Love Excitingly new yet immediately recognizable that s the paradox at the very heart of love and it is what Simon May has achieved Los Angeles Review of Books

The Form of Greek Romance B. P. Reardon,2014-07-14 In the early Roman Empire a new literary genre began to flourish mainly in the Greek world prose fiction or romance Broadly defined as a love story that offers adventure and a romantic vision of life this form of literature emerged long after the other genres and until recently seemed hardly worthy of critical attention Here B P Reardon addresses the growing interest in ancient fiction by providing a literary and cultural

framework in which to understand Greek romance and by demonstrating its importance as an artistic and social phenomenon Beginning with a discussion of Chariton's Chaereas and Callirhoe Reardon sets out the generic characteristics of the romance He then moves through a wide range of works including those of Longus and Heliodorus and reveals their sophistication in terms of social observation technique within a convention and the stance adopted by the authors toward their own creations Although antiquity left behind little discussion of the genre Reardon shows how romance can be assessed within its time period by considering the practice of narrative in other Greek literature and the concept of fiction in antiquity Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Epic and Romance William Paton Ker, 1897

The Bet of Love Mermaid Dreamer, 2024-03-07 Emily Thomson a university student lives her life on her own terms enjoying her independence and the thrill of fleeting desires But when she crosses paths with Robin Knight a fellow student her world takes an unexpected turn A dream a fight and a shocking love proposal later Emily finds herself in a trial relationship with Robin a journey filled with secret dates and growing affection But when Robin reveals their relationship to be nothing more than a bet Emily's heart shatters Despite the heartbreak and numerous obstacles Emily refuses to give up on her love for Robin Her determination takes her from the depths of despair to the heights of joy The Bet of Love From Betrayal to True Love is a tale of resilience love and the transformative power of hope

One Thousand One More Ways to Be Romantic Gregory J. P. Godek, 1992 Suggests a variety of romantic ideas gifts and gestures for couples

Shakespearean Romance Howard M. Felperin, 2015-03-08 If Shakespeare's last plays Pericles Cymbeline The Winter's Tale The Tempest and Henry VIII are to be neither debunked nor idealized but taken seriously on their own terms they must be examined within the traditions and conventions of romance Howard Felperin defines this relatively neglected literary mode and locates these plays within it But as he shows romance was not simply an established genre in which Shakespeare worked at both the beginning and end of his career but a mode of perceiving the world that pervades and shapes his entire work The last plays are examined to answer such questions as How does Shakespeare raise to a higher power the conventions of romance available to him particularly those of the native medieval drama How does he bring us to accept these elements of romance Above all how does romance the mode in which the imagination enjoys its freest expression become the vehicle not of beautiful escapist fantasy but of moral truth Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable

paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [English Romantic Hellenism, 1700-1824](#) Timothy Webb,1982 **The Contemporary Review** ,1919 **Love and Attraction** Mark Cook,Glenn Wilson,2013-10-22 Love and Attraction is a collection of papers presented at the International Conference on Love and Attraction This book is organized into 12 parts encompassing 78 chapters that cover various aspects of the subjects including friendship intimacy and sexuality The introductory parts deal with the psychological aspects of physical attractiveness non verbal intimacy attraction and friendship The subsequent parts examine the geographical difference in mate selection marital relations and romantic love These chapters also look into the structural features of personality behavior and romantic love These topics are followed by discussions of exchange theory applications to love and attraction the social psychology of human sexuality relationship between sexual behavior and society and sex therapy The final parts are devoted to other sex related topics including sex therapy erotica arousal child sexuality and pedophilia This book will prove useful to psychologists sociologists psychiatrists counselors and other academic and clinical workers **The Cambridge History of Classical Literature: Volume 1, Greek Literature** P. E. Easterling,Bernard Knox,1985-05-09 This volume looks at literature of the Hellenistic period **Greek Literature** P. E. Easterling,Bernard MacGregor Walker Knox,1989 The Cambridge History of Classical Literature Volume 1 offers a comprehensive survey of Greek literature from Homer to end of the period of stable Graeco Roman civilization in the third century A D It embodies the advances made by recent classical scholarship and pays particular attention to texts that have become known in modern times After its success in hardcover this volume is now being issued in four paperback parts providing individual texts on early Greek poetry Greek drama philosophy history and oratory and on the literature of the Hellenistic period and the Empire A chapter on books and readers in the Greek world concludes Part 4 Each part has its own appendix of authors and works a list of works cited and an index Publisher s description **Our Last Summer** Ajay Peter Manuel,2013-09-03 Life is an adventure to embark upon Having traveled around the world my life has been full of separations and new beginnings Time flows incessantly no matter what happens around us The last six years of my life describe a unique journey from high school in Sudan to a university in Canada The experience enabled me to learn the importance of family friends and love along with the need to live life without regrets My story begins with my struggles as an eleventh grader at Khartoum American School in Sudan revealing the raw emotions of my first infatuation with a girl her rejection and my subsequent efforts to move on without her Nothing could have prepared me then for the sequence of events that were to unfold in my life that summer and the few years that followed It all began when I found a friend in Tina Our Last Summer offers a poignant glimpse into a young mans coming of age journey through laughter tears betrayal infatuation and love as he cherishes the memories of his past learns to live in the present and happily anticipates his future *Romantic Epics and the Mission of Empire* Matthew Leporati,2023-11-16 The

British Romantic period saw an unprecedented explosion in epic poems an understudied literary phenomenon that enabled writers to address unique historical tensions of the era Long associated with empire epic revived at a time when Britain was expanding its imperial reach and when the concept of imperialism itself began to evolve into the notion of a benevolent project of spreading British culture and religion across the globe Matthew Leporati argues that the epic revival not only reflects but also interrogates this evangelical turn The first to examine the impact of the missionary work on epic literature this book offers sustained analysis of both under read and canonical works bringing fresh historical and literary contexts to bear on our understanding of this unique revival of epic poetry This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details **Grotesque Anatomies** David

Musgrave,2014-10-16 Grotesque Anatomies is a study of Menippean satire in English since the Renaissance It consists of revisionist close readings of canonical works such as Eliot s The Waste Land and Pope s Dunciad among others and investigates how identifying them as Menippean satires changes our understanding of them The initial chapter offers a comprehensive account of the form from antiquity to the present day identifying its bifurcated development in the shorter form Seneca Lucian Julian and the longer more encyclopedic form Varro Petronius Boethius and their subsequent fusion during the Renaissance It also contains an account of the critical reception of the genre with the term Menippean satire first being used by Justus Lipsius in 1581 Finally Menippean satire is described as a literary version of the grotesque and a brief theory of the grotesque in the modern period as radical heterogeneity is outlined This is also the foundation of a new definition of Menippean satire drawing on previous definitions by Frye Bakhtin and Kirk and revising them for the modern period The following chapters examine iconic works as examples of Menippean satire and of the grotesque Chapter 2 offers an overview of the nose in Menippean satire and comic literature generally and reads Rushdie s Midnight s Children in this context It also gives an account of metaphor as a grotesque transformation Chapter 3 examines the figure of the stomach in Menippean satire and symposiastic literature and reads Peacock s Gryll Grange in this context The link between the stomach as a figure of thinking in comic literature is the basis for an account of symbolic structuring as grotesque association Chapter 4 is a close reading of the scatological imagery of Pope s Dunciad and how scatology generally tends towards a cyclical metaphysics It also relates changes in print technology and copyright laws to the reticular scatological structure of the Dunciad Chapter 5 argues for Eliot s The Waste Land as a Menippean satire focusing on the rhetorical figure of the enthymeme as a missing premise as an example of under mindedness and as an ironic aspect of the fragmentation typical of late Romantic Menippean satires Chapter 6 examines Urquhart s eccentric The Jewel as a satire on the referential function of language reading it in the context of projections for a universal language from this period The final chapter identifies some key works by Derrida and Barthes as Menippean satires noting the resurgence of the form in some postmodern and deconstructive writing [Summary of Gwen Hayes's Romancing the Beat Milkyway](#) Media,2024-03-11 Get the Summary of

Gwen Hayes's *Romancing the Beat* in 20 minutes Please note This is a summary not the original book *Romancing the Beat* Story Structure for Romance Novels is a specialized guide for authors writing romance narratives focusing on the romance arc a journey characters undertake to overcome personal barriers and find love The book emphasizes the genre's expectation of a happily ever after HEA or happy for now HFN ending which is essential for reader satisfaction It outlines the importance of characters internal growth and the necessity for them to confront and heal their emotional wounds to achieve a fulfilling relationship
