Chartres Cathedral Etienne Houvet, Malcolm B. Miller, Jean Villette, 1999 **Chartres Cathedral** Malcolm Miller, 1991

Chartres Cathedral Malcolm B. Miller, 1996 The author is the world's foremost authority on Chartres and is in residence there most of the year. He shows us the history of the cathedral and teaches us how to read the world famous stained glass and sculpture explaining the references to Scripture and the teachings of the Church. Chartres alone of all the great medieval churches has survived into the 20th century almost intact not only architecturally but with its vast iconographic program in 12th and 13th century stained glass and sculpture. Medieval art was intended not just to embellish the church but to instruct the people for there was no printing. Scholars could therefore teach their students the clergy preach sermons and parents read the lives of the saints to their children using the texts in stained glass and sculpture. The sister churches of Chartres have been sadly vandalized to varying degrees by Reform, revolution, war or natural disaster. Here in Chartres the text is virtually complete. A concise glossary of symbolic images has been included as well as a complete plan of all the windows in the cathedral and an index. **The World of Chartres** Jean Favier, John James, 1990 Details one of the greatest Gothic buildings in the world the Cathedral of Notre Dame at Chartres France exploring its history its structure and its glass artistry.
