**Ronald Reagan-A Remarkable Life** J.H. Cardigan,2002      Ronald Reagan Jim H. Cardigan,1995 This book chronicles the life of Ronald Reagan from his humble beginnings to his success as a film star to his ascent to the presidency and his current retirement Photos      *Ronald Reagan* Michael Benson,2003-09-01 A biography of the fortieth president who served from 1981to1989      *Cradles of Power* Harold I. Gullan,2016-10-04 Why have there been so many books about first ladies and so few about the mothers and fathers of our presidents Many of us for better or worse are shaped by our early life Heads of state are no exception In this compact and compelling narrative of truly popular history Gullan offers insights into the early influences that helped shape our presidents shedding light into a much neglected corner of history How many presidential parents were also their son s best friends How many were an inspiration a source of support a model to emulate How many were just the opposite In *Cradles of Power* readers will learn the stories of first parents from Augustine and Mary Washington to Barack Obama Sr and Ann Dunham including The heroic Elizabeth Jackson who literally saved her son s life The beloved senior Theodore Roosevelt who seemingly founded and funded every worthwhile charity in New York The handsome and unpredictable Jack Reagan whose drunken blackout one winter night became a pivotal moment for the young Ronald The pious Mother McKinley who wanted her William to become a Methodist bishop The vibrant Rose Fitzgerald Kennedy whose personal tragedies never stopped her from showing unflagging support for her sons campaigns and the domineering Joseph P Kennedy who himself aspired to be our first Catholic president Gullan s reader friendly vignettes are sure to fascinate and entertain but they will also elucidate the formative forces and motivations in the lives of the most powerful men in the nation Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home      **An Abridged History of the United States Volume III** Bob Navarro,      Enemies of the State D. J. Mulloy,2020-02-29 The rise of the alt right alongside Donald Trump s candidacy may be seem unprecedented events in the history of the United States but D J Mulloy shows us that the radical right has been a long and active part of American politics during the twentieth century From the German American Bund to the modern militia movement D J Mulloy provides a guide for anyone interested in examining the roots of the radical right in the U S in all its many varied forms going back to the days of the Great Depression the New Deal and the extraordinary political achievements of Franklin D Roosevelt *Enemies of the State* offers an informative and highly readable introduction to some of

the key developments and events of recent American history including the fear of the Communist subversion of American society in the aftermath of the Second World War the rise of the civil rights movement and the white backlash this elicited the apparent decline of liberalism and the ascendancy of conservatism during the economic malaise of the 1970s Ronald Reagan's triumphant presidential victory in 1980 and the Great Recession of 2007-08 and subsequent election of President Obama

*The Raising of a President* Doug Wead, 2005 B T Local 01 23 2010 26 00

*The Faith of Ronald Reagan* Mary Beth Brown, 2011-01-17 The New York Times bestselling author's biography reveals that President Reagan's greatest virtue wasn't allegiance to country but allegiance to God With warmth and insight Reagan biographer Mary Beth Brown delves into the spiritual journey of America's fortieth president and offers profound stories of the provisions God made in his life from his early success as an actor to his historic presidential victory and from surviving an assassination attempt to eventually changing the face of politics and the world Drawing on Ronald Reagan's own words and writings as well as firsthand interviews with his family friends and co-workers Brown weaves a magnificent story that inspires as it informs Reagan's strong devotion to God will encourage believers to enter public service allowing their faith to motivate their actions and will draw focus to Christ's matchless sacrifice which was forever near and dear to President Reagan's heart

*Significant Actions by the Presidents: 1774-2017* Bob Navarro, 2019-03-20 From 1774 to the present presidential actions have altered the history of America Many of these acts are significant as they have determined the path on which the United States is on

**Faith of Our Mothers** Harold I. Gullan, 2001 A collection of essays in which the author examines what is known about the mothers of the forty-three American presidents from Mary Washington to Barbara Bush and discusses their nearly unanimous common qualities of faith both in their sons and in God

*[Must Read Personalities] A life Story of Ronald Reagan* InRead Team, 2022-06-05 Description This Book provides a quick glimpse about the life of Ronald Reagan

**Ronald Reagan** James H. Broussard, 2014-08-27 Few politicians in recent American history are as well known as Ronald Reagan the 40th U.S. president An iconic leader Reagan shifted the direction of American politics toward a newly vigorous conservatism Though he began his career as a New Deal liberal by the end of the 1950s Reagan had embraced conservative views His presidency saw the longest peacetime prosperity in American history as well as the fall of the Berlin Wall and the end of the Cold War but also skyrocketing deficits and the Iran Contra scandal In the twenty-first century Reagan's legacy is both pervasive and contested with supporters and detractors often divided along partisan lines Yet Reagan's own actions did not always fit into partisan boxes In a clear-eyed and insightful narrative James H. Broussard cuts through the mythology of both sides to produce a nuanced portrait of Reagan in his historical context Supported by primary sources and a robust companion website this concise biography is an ideal introduction to this fascinating president and the issues that shaped America in the late 20th century Routledge Historical Americans is a series of short vibrant biographies that illuminate the lives of Americans who have had an impact on the world Each book includes a short overview of the person's life and puts that

person into historical context through essential primary documents written both by the subjects and about them A series website supports the books containing extra images and documents links to further research and where possible multi media sources on the subjects Perfect for including in any course on American History the books in the Routledge Historical Americans series show the impact everyday people can have on the course of history

**Memorial Services in the Congress of the United States and Tributes in Eulogy of Ronald Reagan, Late a President of the United States**, 2005 Contains texts of memorial tributes to the late President Ronald Reagan that were delivered in the Congress and the Senate Also includes information about President Reagan s funeral and memorial services held in Washington and California Focuses on the life character and public service of President Reagan *American Presidents of the 20th Century* N. O. Kura, 2000 A bibliography that lists by president books journals reports and films of all American presidents of the 20th century

**Reagan and the World** Bradley Lynn Coleman, Kyle Longley, 2017-06-23 Throughout his presidency Ronald Reagan sought peace through strength during an era of historic change In the decades since pundits and scholars have argued over the president s legacy some consider Reagan a charismatic and consummate leader who renewed American strength and defeated communism To others he was an ambitious and dangerous warmonger whose presidency was plagued with mismanagement misconduct and foreign policy failures The recent declassification of Reagan administration records and the availability of new Soviet documents has created an opportunity for more nuanced complex and compelling analyses of this pivotal period in international affairs In *Reagan and the World* leading scholars and national security professionals offer fresh interpretations of the fortieth president s influence on American foreign policy This collection addresses Reagan s management of the US national security establishment as well as the influence of Secretary of Defense Caspar Weinberger and others in the administration and Congress The contributors present in depth explorations of US Soviet relations and American policy toward Asia Latin America Europe and the Middle East This balanced and sophisticated examination reveals the complexity of Reagan s foreign policy clarifies the importance of other international actors of the period and provides new perspectives on the final decade of the Cold War

**Jet**, 2006-03-27 The weekly source of African American political and entertainment news *Just Politics* Ronald J. Sider, 2012-09-01 Evangelicals today probably have more political influence in the United States than at any time in the last century but they might not be certain what to do with it It has been difficult to develop a unified voice on pressing issues such as social justice and moral renewal Bestselling author and theologian Ron Sider offers a biblically grounded factually rooted Christian approach to politics that cuts across ideological divides Shaped by a careful study of society this book will guide readers into more thoughtful and effective political activity It addresses perennially tough questions that often divide the church and includes a case study of the federal deficit debate Practical balanced and nonpartisan this book will be a

welcome resource during the 2012 presidential race This is a revised version of what was previously published as The Scandal of Evangelical Politics      **The Good Life Chronicles** D. J. Blue, 2005-02 The Good Life was a publication that was sent out on a semi regular basis to a small group of friends colleagues subscribers beginning in November 1993 and concluding in September 2002 This book is a compilation of those issues The subject material is varied and diverse the bulk of it is a recounting of real life experiences both mundane and dramatic frequently analyzed from sociological philosophical psychological and humanistic perspectives It also includes commentary on sociological issues as well as topical commentary on the events of the day the O J Simpson trial the death of Princess Diana and September 11 2001 Sports topics of the day are discussed and a smattering of poetry is also included as well as reader commentary It is an open minded and multi faceted book unlike any other you have read or will read
