Ritter, Mieke Lunenberg, Kathleen Pithouse-Morgan, Anastasia P. Samaras, Eline Vanassche, 2018-03-15 This book offers a collection of original peer reviewed studies by scholars working to develop a knowledge base of teaching and facilitating self study research methodology. Further it details and interconnects perspectives and experiences of new self study researchers and their facilitators in self study communities in different countries and across different continents. Offering a broad range of perspectives and contexts it opens up possibilities for encouraging the collaborative and continuous growth of teaching and facilitating self study research within and beyond the field of teacher education. The breadth of the scholarship presented expands scholarly discussions concerning designing, representing and theorising self study research in response to pressing educational and social questions. By documenting and understanding what teaching and learning self study looks like in different contexts and what factors might influence its enactment, the book contributes to building a kaleidoscopic knowledge base of self study research. Diversity and Social Justice in Early Childhood Education Kirsten Lauritsen, Garry Robson, 2017-05-11 This collection is aimed at practitioners and scholars interested in democracy, social justice and diversity. The importance of the book lies in the way it discusses possible ways for early childhood education to work with diversity and language in order to allow inclusion and social justice for all children. Building on case studies from Denmark, Finland, Iceland, Norway and Sweden, the text offers broad insights into the field of diversity through historical and organisational perspectives as well as viewpoints of children, practitioners and parents. *Studio Ghibli Animation as Adaptations* Dominic J. Nardi, Keli Fancher, 2025-05-15 This collection investigates how Hayao Miyazaki, Isao Takahata and other Studio Ghibli storytellers have approached the process of reimagining literary sources for animation. Studio Ghibli is renowned for its original storytelling in films like *My Neighbor Totoro*, but many of its most famous films, including *Howl's Moving Castle* and *Ponyo*, have their origins in pre-existing novels, manga or fairy tales. Studio Ghibli's adaptations seldom directly translate source material to animation but instead transform the works to incorporate themes or imagery central to the studio's sensibilities. *Studio Ghibli Animation as Adaptations* explores how these adaptations often blur genre boundaries and raise

questions about what constitutes fidelity to source material The collection also shows how the studio reinterprets and recontextualizes stories across cultures for Japanese audiences and across mediums like manga Studio Ghibli Rayna Denison,2023-02-21 Studio Ghibli An Industrial History takes us deep into the production world of the animation studio co founded by Oscar winning director Hayao Miyazaki It investigates the production culture at Studio Ghibli and considers how the studio has become one of the world s most famous animation houses The book breaks with the usual methods for studying Miyazaki and Ghibli s films going beyond textual analysis to unpack the myths that have grown up around the studio during its long history It looks back at over 35 years of filmmaking by Miyazaki and other Ghibli directors reconsidering the studio s reputation for egalitarianism and feminism re examining its relationship to the art of cel and CG animation investigating Studio Ghibli s work outside of feature filmmaking from advertising to videogames and tackling the studio s difficulties in finding new generations of directors to follow in the footsteps of Miyazaki and Isao Takahata By reconstructing the history of Studio Ghibli through its own records promotional documents and staff interviews Studio Ghibli An Industrial History offers a new perspective not just on Ghibli but on the industrial history of Japanese animation *Maria Montessori's Erdkinder* Ela Eckert,2022-10 Adolescents need a school that is not a school This claim by Maria Montessori dating from the 1930s is increasingly shared today Consistently based on the developmental needs in adolescence Maria Montessori designed the concept of a Center for Study and Work in the Countryside for students aged 12 18 years which gives young people the opportunity to learn about the basic structures of production trade and services in a manageable transparent and at the same time protected setting through Practice Theory linked experiences The book presents the basics of Maria Montessori s concept and gives through reports with practitioners and interviews with Montessori experts insights into authentic implementations of the Farm school concept and thus into a learning arrangement that allows young people a high degree of responsibility and participation and strengthens their commitment to a sustainable approach to natural resources and a peaceful way of living The book also addresses schools without a Farm school practice and shows ways of approaching crucial components of this authentic and highly topical concept The Week in Germany ,1984 The Art of Pacific Rim: The Black Andrew Osmond,2022-11-08 Official art book of Seasons 1 and 2 of the anime series Pacific Rim The Black featuring concept art created during the development of the series The Art of Pacific Rim The Black retraces Taylor and Hayley s dramatic odyssey from the perspectives of the talented producers directors writers and animators who created this immensely popular series They provide fascinating insight into how the series came about the development of the characters the design of the Kaiju and Jaegers and much more This lush coffee table hardback book is packed with stunning images from the series including sketches concept art and final renders With an exclusive foreword from showrunner Greg Johnson and visuals covering Seasons 1 and 2 there has never been a better time to dive deeper into The Black What to Watch When Christian Blauvelt,Laura Buller,Andrew Frisicano,Stacey Grant,Mark Morris,Drew Toal,Eddie Robson,Maggie
