Understanding Rook vs. Minor Piece Endgames Karsten Müller, Yakov Konoval, 2020-01-10 A Journey into the Land of Rook vs Minor Piece Endgames Knowing the abilities and limitations of the minor pieces and their cooperation with a rook is very valuable for mastering the secrets of the royal game and this can be studied best in the endgame The book before you now will take you into a mysterious and charming world The actors in these fairy tale stories are the rook the bishop and the knight This book is the third volume in the authors acclaimed Understanding Endgames series It follows a dual philosophy like their previous works Understanding Rook Endgames and Understanding Minor Piece Endgames It deals with seven piece minor piece endings in some detail These endgames are often so deep that pre tablebase analysis almost always contained errors Many new discoveries are revealed here In addition the authors emphasize the important five and six piece endings every club player should know But to really understand minor piece endings these theoretical positions are of course not enough Sub chapters on the principles of each material configuration have therefore been added If you enjoy beauty in chess if you want to improve your handling of the endgame and if you want to become closer friends with the rook bishop and knight on the chessboard then this journey into the land of rook and minor piece endgames will reward you from the

Foreword by Alex Fishbein *Rook V. Minor Piece Endings* Iñuri Averbakh, 1978-01-01 [100 Endgames You Must Know](#) de la Jesus Villa, 2014-05-28 There are contrary to what most amateurs believe relatively few chess endgames one must know Jesus de la Villa an international grandmaster and former champion of Spain presents the endgames that show up most frequently in practice are easy to learn and contain ideas and concepts that are useful in more difficult positions He brings you simple rules guiding ideas at the beginning of each chapter detailed and lively explanations many diagrams clear summaries of the most important themes recommended exercises that will help you understand the material and tests divided in two parts basic and final The main thing De la Villa asks of you is to always understand WHY you play a move

The Batsford Book of Chess for Children New Edition Sabrina Chevannes, 2022-08-04 A friendly and approachable book on a game which can often seem quite daunting An excellent book highly recommended Parents in Touch With Sabrina as writer no basic points are omitted This might make an excellent present James Pratt British Chess Magazine A brand new edition of this international chess classic with all new illustrations Aimed at children aged 7 and up this character based book is a complete guide to chess for those starting out in the game In straightforward animated language Jess and Jamie two rough and tumble kids who are obsessed with chess explain everything you need to know from first sitting down at the board to sneaky tricks to help you beat your opponents The book explains who the pieces are and how they move and that we re talking about pawns not prawns how to reach checkmate or in Jess s words how to kill the king and the concept of the opening middlegame and endgame It also introduces the idea of chess etiquette and explains why sometimes no one wins and a game ends in stalemate Friendlier and funnier than the average children s chess book The Batsford Book of Chess for

Subject Guide to Books in Print ,1997

300 Most Important Chess Positions Thomas Engqvist, 2020-11-17 An International Master's guide to the essential positions and strategies in chess A great little book of understanding the most important chess positions in the opening of a game the middle game and the endgame It cuts to the chase on the most useful positions at all those stages Perfect for

players who want to reach a higher level but don't have time to sit for hours and hours each week in less productive study. Divided into three sections it comprises section 1 The 50 Most Important Openings covering 50 openings section 2 The 150 Most important Middle Game Positions and section 3 The 100 Most important Endgame Positions. For example the Endgame section has chapters on pawn endings knight endings etc. The Middle game chapters are arranged by positional themes. Each numbered position can be seen as a test yourself quiz with answers given below the diagrams to help cement positional understanding. Since it is advisable to repeat the positions from time to time this book can be your life long companion enabling you to dramatically increase your positional chess understanding. An essential strategy book by a Swedish
