**Times of Melville and Whitman [1st Edition]** Van Wyck Brooks,2017-07-31 In this volume first published in 1947 Pulitzer  
Prize winning author Van Wyck Brooks gives a superb recreation of a segment of American literary history namely the period  
from approximately the 1840 s through to the 1890 s Those were the days of Melville Whitman Mark Twain Lanier Bret Harte  
Audubon John Muir and a host of other major and minor writers No other American critic quite possesses Brooks gift for  
making you see and feel and experience the life and times of these literary men and women And the balanced critical  
evaluation that gives this book its statute is clothed in such vigorous and beautiful writing that the reader is unaware of the  
lifetime of research and study encompassed in this volume Aside from the critical value the narrative skill and the many  
beautiful prose passages in The Times of Melville and Whitman Brooks gives the reader a vivid historical picture of what life  
was like in the last half of the nineteenth century It is this ability to recreate the social background of the times that gives  
such richness to Brooks criticism He has again made a major contribution to American letters with a book that is a real work  
of art vigorous balanced erudite and a pleasure to read      *Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985:*
