The Annual American Catalog, 1900-1909, 1909 A Bibliography of Theodore Roosevelt John Hall Wheelock, 1920

The following is a reasonably completed bibliography of everything between covers by or about Theodore Roosevelt published previous to May 1 1920 including collected works selections from his works translations of his works into the principal foreign languages and to some extent books in English containing articles by or about him *The Annual American Catalog, 1908*, 1909 **The American Catalogue**, 1911 American national trade bibliography *The Roosevelts* Geoffrey C. Ward, Ken Burns, 2014-09-09 New York Times Bestseller A vivid and personal portrait of America's greatest political family and its enormous impact on our nation which expands on the hugely acclaimed seven part PBS documentary series bringing readers even deeper into these extraordinary leaders' lives With 796 photographs some never before seen The authors of the acclaimed and best selling *The Civil War* *Jazz* *The War* and *Baseball* present an intimate history of three extraordinary individuals from the same extraordinary family Theodore Eleanor and Franklin Delano Roosevelt Geoffrey C Ward distilling more than thirty years of thinking and writing about the Roosevelts and the acclaimed filmmaker Ken Burns help us understand for the first time that despite the fierce partisanship of their eras the Roosevelts were far more united than divided All the history the Roosevelts made is here but this is primarily an intimate account the story of three people who overcame obstacles that would have undone less forceful personalities Theodore Roosevelt would push past childhood frailty outpace depression survive terrible grief and transform the office of the presidency Eleanor Roosevelt orphaned and alone as a child would endure her husband's betrayal battle her own self doubts and remake herself into the most consequential first lady in American history and the most admired woman on earth And Franklin Roosevelt born to privilege and so pampered that most of his youthful contemporaries dismissed him as a charming lightweight would summon the strength to lead the nation through the two greatest crises since the Civil War though he could not take a single step unaided The three were towering personalities but *The Roosevelts* shows that they were also flawed human beings who confronted in their personal lives issues familiar to all of us anger and the need for forgiveness courage and cowardice confidence and self doubt loyalty to family and the need to be true to oneself This is the story of the Roosevelts no other American family ever touched so many lives The Soundtrack Album Paul N. Ward,2014-09-09 In this classic of American biography based upon thousands of original documents many never previously published the prize winning historian Geoffrey C Ward tells the dramatic story of Franklin Roosevelt s unlikely rise from cloistered youth to the brink of the presidency with a richness of detail and vivid sense of time place and personality usually found only in fiction In these pages FDR comes alive as a fond but absent father and an often unfeeling husband the story of Eleanor Roosevelt s struggle to build a life independent of him is chronicled in full as well as a charming but pampered patrician trying to find his way in the sweaty world of everyday politics and all too willing willing to abandon allies and jettison principle if he thinks it will help him move up the political ladder But somehow he also finds within himself the courage and resourcefulness to come back from a paralysis that would have crushed a less resilient man and then go on to meet and master the two gravest crises of his time
