**Roots and Branches** David M. Buerge, Junius Rochester, 1988      **Religion and Public Life in the Pacific Northwest** Patricia O'Connell Killen, Mark Silk, 2004-03-15 When asked their religious identification more people answer none in the Pacific Northwest than in any other region of the United States But this does not mean that the region's religious institutions are without power or that Northwesterners who do attend no place of worship are without spiritual commitments With no dominant denomination Evangelicals Mainline Protestants Catholics Jews adherents of Pacific Rim religious traditions indigenous groups spiritual environmentalists and secularists must vie or sometimes must cooperate with each other to address the region's pressing economic environmental and social issues One cannot understand this complex region without understanding the fluid religious commitments of its inhabitants And one cannot understand religion in Oregon Washington and Alaska without *Religion and Public Life in the Pacific Northwest*

*Murdering Holiness* Jim Phillips, Rosemary Gartner, 2011-11-01 *Murdering Holiness* explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self-styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him As his teachings became more extreme the local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents' families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media's response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion

**Folkloric American Witchcraft and the Multicultural Experience** Via Hedera, 2021-02-26 Witchcraft and magic in America is an inherently multicultural experience and the folklore of our ancestors from every country converges here at a crossroads It's a complicated history one of uncertainty and fear displacement and enslavement merging and migration Our ancestors may not have agreed on how they saw the world or the magic that inhabits the world but they shared a very real fear of Witches Hags Devils charms and spells witchery is rooted in our deepest superstitions and folklore The traditions of people and their cultures stretch and intersect across the country and this is where the unique traditions of American witchcraft and magic are born As practitioners seek to revive and reconstruct the paths of our ancestors we've begun to trace the interconnected roots of witchcraft folklore as it emerged in the Americas from the blending of people and their faiths For multiracial practitioners this is part of our identity as Americans and as

witches of this country Folkloric American Witchcraft and the Multicultural Experience is an exploration of the folklore magic and witchcraft that was forged in the New World *The First to Cry Down Injustice* Ellen Eisenberg,2008-01-01 Although American Jews had already embraced the principle of fighting prejudice in all forms western Jews often did not apply it to specific local issues involving Japanese Americans during World War II In *The First to Cry Down Injustice* Eisenberg analyzes the range of Jewish responses including silence opposition to and support for the policy to the mass removal of Japanese Americans as the product of a distinctive western ethnic landscape Race, Radicalism, Religion, and Restriction Kristofer Allerfeldt,2003-03-30 In 1924 America passed legislation that effectively outlined which immigrants were to be considered beneficial to the national body and which were not Albert Johnson a Washington State Congressman sponsored the Act This study examines the role of the Pacific Northwest in the change of national sentiment that led up to this legislation Throughout the period this region experienced massive growth in its immigrant population Its forests and small towns were the scenes of many clashes with the alien radicals resulting in the creation of anti Catholic legislation and the laws against land ownership by the Japanese Analyzing issues of race religion and political radicalism Allerfeldt determines that the region was highly influential in the national debate Most immigration studies of this era focus on the East Coast or on California but Allerfeldt finds that Northwestern politicians and populists responding to regional events as much as national sentiments often set the national immigration agenda Diverse organizations such as the APA the Ku Klux Klan and the IWW gained powerful local support and had significant influence on the region s attitudes towards immigrants Rather than following California s lead in the opposition to Asian immigration the Northwest actually set the path for its southern neighbor in many important aspects **The Reverend Mark Matthews** Dale E. Soden,2013-11-21 When the Reverend Mark Allison Matthews died in February 1940 thousands of mourners gathered at a Seattle church to pay their final respects The Southern born Presbyterian came to Seattle in 1902 He quickly established himself as a city leader and began building a congregation that was eventually among the nation s largest with nearly 10 000 members Throughout his career he advocated Social Christianity a blend of progressive reform and Christian values as a blueprint for building a morally righteous community In telling Matthews s story Dale Soden presents Matthews s multiple facets a Southern born fundamentalist proponent of the Social Gospel a national leader during the tumultuous years of schism within the American Presbyterian church a social reformer who established day care centers kindergartens night classes and soup kitchens a colorful figure who engaged in highly public and heated disputes with elected officials Much of the controversy that surrounded Matthews centered on the proper relationship between church and state an issue that is still hotly debated National Trust Guide Seattle Walt Crowley,1998-02-11 National Trust guides are the most in depth guides to the history and architecture of U S cities ever published From famous landmarks to little known places this fascinating guide takes you on an exciting journey through Seattle s cultural historical and architectural treasures Walking tours and nearby trips in
