Algebra Self-taught W. P. Higgs, 1876 *Exposing the Spiritual Roots of Disease* Henry W. Wright, 2019-10-15 In *Exposing the Spiritual Roots of Disease* Dr Henry Wright presents a thoroughly biblical and compelling case for healing If you think you've read all you need to know about healing it's time to take another look In this updated edition with expanded material Dr Wright clearly shows that disease is not a random occurrence and that science and medicine have their place in dealing with illness but can only offer disease management What if the answers to true healing and freedom have been in the Bible all along Dr Wright spent decades learning the spiritual roots of disease and blocks to healing In his journey he discovered that there is a spiritual root issue in about 80 percent of all diseases which is a direct result of a breakdown in our relationship with God ourselves or others Through his groundbreaking teachings he helped hundreds of thousands to experience wholeness in their lives If you have recently received a diagnosis or have been struggling with your health for years there is hope and healing ahead Dr Henry Wright destroys the lie that we are helpless victims of diseases This book is long overdue and is essential reading for any Christian struggling with sickness and for those who seek to minister to them Dr Rebecca Williams MA MB ChB DRCOG DCH DTM H Dr Wright uses a solid scriptural base to reveal the roots of disease and give clear guidance on how we can be free in spirit soul and body Sheila Pitcock LVN
