Roots Of Detection The Art Of Deduction Before Sherlock Holmes:

Roots of Detection Bruce Cassiday,1983-01-01 **Odoevsky's four pathways into modern fiction** Neil

Cornwell,2013-07-19 This book takes four stories by the Russian Romantic author Vladimir Odoevsky to illustrate pathways developed further by subsequent writers into modern fiction Featured here are the artistic musical story the rise of science fiction psychic aspects of the detective story and of confession in the novel The four chapters also examine the development of the featured categories by a wide range of subsequent writers in fiction ranging from the Romantic period up to the present century The study works backwards from Odoevsky s stories noting respective previous examples or traditions before proceeding to follow the pathways observed into later Russian English and comparative fiction Whilst appealing to specialists in Russian and comparative literature these chapters are accessible to a student readership taking courses involving the main areas featured including the arts in literature fictional artistic biography interplanetary flight and civilisations detective fiction and novelistic confession

Classic American Crime Fiction of the 1920s Leslie S Klinger,2018-10-02 Classic American Crime Writing of the 1920s including House Without a Key The Benson Murder Case The Tower Treasure The Roman Hat Mystery The Tower Treasure and Little Caesar offers some of the very best of that decade s writing Earl Derr Biggers wrote about Charlie Chan a Chinese American detective at a time when racism was rampant S S Van Dine invented Philo Vance an effete rich amateur psychologist who flourished while America danced and the stock market rose Edwin Stratemeyer a man of mystery himself singlehandedly created the juvenile mystery with the beloved Hardy Boys series The quintessential American detective Ellery Queen leapt onto the stage to remain popular for fifty years W R Burnett created the indelible character of Rico the first gangster antihero Each of the five novels included is presented in its original published form with extensive historical and cultural annotations and illustrations added by Edgar winning editor Leslie S Klinger allowing the reader to experience the story to its fullest Klinger s detailed foreword gives an overview of the history of American crime writing from its beginnings in the early years of America to the twentieth century

Reading the Cozy Mystery Phyllis M. Betz,2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story s complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories portrayals of settings like the quaint English village reveal a more complicated society than meets the eye

The Universal Sherlock Holmes Ronald Burt De Waal,1994 **Turnabout and Deception** Barton Whaley,2016-07-15 Turnabout and Deception combines two of

spymaster Barton Whaley's most potent analyses of the craft Turnabout Crafting the Double Cross and When Deception Fails The Theory of Outs Each examination delves into extensive case studies to establish not only foundational understandings of essential espionage principals but also creates guidance for their practical application on both individual and governmental scales Deception is a basic tactic used by allies and enemies alike but when both protagonist and antagonist ply the same trade it is the master of the double cross who comes out the victor Turnabout and Deception examines how to turn the tables on an opponent and use their own deception against them Through thirty eight case studies this monograph dissects the double cross to reveal the psychological battle of wits at its core No matter how well crafted however there is always a chance that a deception will fail But failure is not the end of a deception and even failed deception operations can yield results Turnabout and Deception pores over sixty more case studies to determine why a deception will fail steps to prevent a failed operation and how to turn that failure into a success **In the Shadow of Agatha Christie** Leslie S

Klinger,2018-01-02 Before Agatha Christie became the world's Queen of Crime she stood on the talented shoulders of the female crime authors who came before her This splendid new anthology by Leslie S Klinger brings these exceptional writers out of Christie's shadow and back into the spotlight they deserve Agatha Christie is undoubtedly the world's best selling mystery author hailed as the Queen of Crime with worldwide sales in the billions Christie burst onto the literary scene in 1920 with The Mysterious Affair at Styles her last novel was published in 1976 a career longer than even Conan Doyle's forty year span The truth is that it was due to the success of writers like Anna Katherine Green in America L T Meade C L Pirkis the Baroness Orczy and Elizabeth Corbett in England and Mary Fortune in Australia that the doors were finally opened for women crime writers Authors who followed them such as Patricia Wentworth Dorothy Sayers and of course Agatha Christie would not have thrived without the bold fearless work of their predecessors and the genre would be much poorer for their absence So while Agatha Christie may still reign supreme it is important to remember that she did not ascend that throne except on the shoulders of the women who came before her and inspired her and who are now removed from her shadow once and for all by this superb new anthology by Leslie S Klinger Featuring Mary Fortune Harriet Prescott Spofford Ellen Wood Elizabeth Corbett C L Pirkis Geraldine Bonner Ellen Glasgow L T Meade Baroness Orczy Augusta Grover M E Graddon Anna Katherine Green Carolyn Wells Susan Glaspell Women Writing Crime Fiction, 1860-1880 Kate Watson,2014-01-10

Arthur Conan Doyle has long been considered the greatest writer of crime fiction and the gender bias of the genre has foregrounded William Godwin Edgar Allan Poe Wilkie Collins Emile Gaboriau and Fergus Hume But earlier and significant contributions were being made by women in Britain the United States and Australia between 1860 and 1880 a period that was central to the development of the genre This work focuses on women writers of this genre and these years including Catherine Crowe Caroline Clive Elizabeth Cleghorn Gaskell Mary Elizabeth Braddon Mrs Henry Ellen Wood Harriet Prescott Spofford Louisa May Alcott Metta Victoria Fuller Victor Anna Katharine Green Celeste de Chabrillan Oline Keese Caroline

Woolmer Leakey Eliza Winstanley Ellen Davitt and Mary Helena Fortune innovators who set a high standard for women writers to follow **American Mystery and Detective Novels** Larry Landrum, 1999-05-30 Mystery and detective novels are popular fictional genres within Western literature As such they provide a wealth of information about popular art and culture When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery American mystery and detective novels appeared in the late nineteenth century This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries Critical approaches covered in the volume include story as game images myth criticism formalism and structuralism psychanalysis Marxism and more Comparisons with related genres such as gothic suspense gangster and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction The guide is divided into five major sections a brief history related genres criticism authors and reference This organization accounts for the literary history and types of novels stemming from the mystery and detective genre A chronology provides a helpful overview of the development and transformation of the genre

Handbook of French Popular Culture Pierre L. Horn, 1991-05-21 Throughout the world there has been much scholarly and general interest in French popular culture but very little has been written on the subject in English The authors of this book address that lack in a series of highly readable and well documented essays describing French life styles attitudes and entertainments as well as the writers and performers currently favored by the French public Several chapters explore French tastes in popular literature and other reading matter including comics cartoons mystery and spy fiction newspapers and magazines and science fiction Film popular music radio and television are also discussed in detail and influences from other cultures particularly American imports are assessed The remaining essays examine French sports the use of leisure time the French style of eating and drinking and relations between men and women and their attitudes toward romantic love Each chapter provides up to date historical and bibliographic information that will enable the reader to pursue subjects of particular interest Written by an international group of specialists this handbook offers the benefits of broad coverage a variety of viewpoints and solid scholarship **Antiheroes** Ilan Stavans, 1997 Presentation of the author's psychoanalytic beliefs and experiences in child psychoanalytic therapy

The Bedside, Bathtub & Armchair Companion to Agatha Christie Dick Riley, Pam McAllister, Bruce Cassiday, 2001-09-01 Over 400 000 copies sold If you are a mystery buff an Agatha Christie fan an occasional Christie reader or an acquaintance of any of the above this book is for you and all your fortunate friends The Bedside Bathtub Armchair Companion to Agatha Christie on the 25th anniversary of Agatha Christie's death continues as a grand salute to the queen of mysteries It is filled with wonderful and surprising things about her books her characters the movies and plays based on them and Dame Agatha herself Original contributions by some sixty writers celebrate the Christie touch Take your pick among these intriguing features and speculations Surviving an English country

weekend if you had the advice of Hercule Poirot A guide to the Christie poisons as well as the cruder methods of genteel mayhem The other Agatha Christie who wrote romantic novels A murder victim s first person account of a Christie Mystery Weekend The Hercule Poirot Double Crostic and other puzzles That s a taste There s much more and witty plot summaries of all Christie s novels plays and many of her short stories But no endings of course This treasury is more than entertainment it is also a personal reference work for Christie fans And there are scores of movie posters film stills illustrations and a Christie mystery map too

Games for Your Mind Jason Rosenhouse,2022-09-27 A lively and engaging look at logic puzzles and their role in mathematics philosophy and recreation Logic puzzles were first introduced to the public by Lewis Carroll in the late nineteenth century and have been popular ever since Games like Sudoku and Mastermind are fun and engrossing recreational activities but they also share deep foundations in mathematical logic and are worthy of serious intellectual inquiry Games for Your Mind explores the history and future of logic puzzles while enabling you to test your skill against a variety of puzzles yourself In this informative and entertaining book Jason Rosenhouse begins by introducing readers to logic and logic puzzles and goes on to reveal the rich history of these puzzles He shows how Carroll s puzzles presented Aristotelian logic as a game for children yet also informed his scholarly work on logic He reveals how another pioneer of logic puzzles Raymond Smullyan drew on classic puzzles about liars and truth-tellers to illustrate Kurt G del s theorems and illuminate profound questions in mathematical logic Rosenhouse then presents a new vision for the future of logic puzzles based on nonclassical logic which is used today in computer science and automated reasoning to manipulate large and sometimes contradictory sets of data Featuring a wealth of sample puzzles ranging from simple to extremely challenging this lively and engaging book brings together many of the most ingenious puzzles ever devised including the Hardest Logic Puzzle Ever metapuzzles paradoxes and the logic puzzles in detective stories

The Literature of Crime and Detection Waltraud Woeller,Bruce Cassiday,1988 **Agatha Christie** Gillian Gill,2016-12-08 In this sensitive and revealing biography of Agatha Christie Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy The break up of Agatha s first marriage to Archibald Christie and her subsequent ten day disappearance had made headline news Feeling hunted and wounded by the press Christie determined never again to let them into her private life Instead she developed a public persona seemingly tongue tied and dull which ensured the journalists and the public would let her be This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity Skillfully weaving the details of Christie s life with the plots and characters of her mystery novels Gillian Gill uncovers the flesh and blood woman behind the popular and celebrated Marple like image and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world

CT Suite Barry F. Saunders,2008-12-15 An ethnography of a hospital s CT Computed Technography department that

examines how medical imaging alters our ideas about the human body **Writing Mysteries** Sue Grafton, 2002-04-08 Here
s your ticket to the greatest mystery writing workshop ever In this extraordinary compilation more than three dozen
members of the Mystery Writers of America share insights and advice that can help make your writing dreams a reality You ll
