Bernard Jacobson

Roots Schmoots Journeys Among Jews:

Roots Schmoots Howard Jacobson, 1995-08-01 From a Booker Prize winning author an informed and witty travelogue exploring America Israel Lithuania and the nature of Jewish identity Publishers Weekly Howard Jacobson had been hoping to make a journey to Lithuania to search for his Jewish roots So when the BBC offered to send him around the globe to report on a variety of Jewish communities he accepted The trip he recounts in this memoir takes him to New York City where tension simmers between Jews and African Americans to California where he visits a gay synagogue to Israel where he encounters the spectrum of Jewishness from Orthodox right wing hardliners to tolerant peace loving kibbutzniks And ultimately to Lithuania the land of his forefathers where he discovers that antisemitism still lurks A lively irreverent but ultimately serious account of a British Jew's search for his roots Elizabeth Benedict The New York Times Profound and moving Publishers Weekly

The battle of Britishness Tony Kushner, 2017-10-03 This pioneering study of migrant journeys to Britain begins with Huguenot refugees in the 1680s and continues to asylum seekers and east European workers today Analyzing the history and memory of migrant journeys covering not only the response of politicians and the public but also literary and artistic representations then and now Kushner's volume sheds new light on the nature and construction of Britishness from the early modern era onwards It is an essential tool for those wanting to understand why people come to Britain or are denied entry and how migrants have been viewed by state and society alike The journeys covered vary from the famous including the Empire Windrush in 1948 to the obscure such as the Volga German transmigrants passing through Britain in the 1870s While employing a broadly historical approach Kushner incorporates insights from many other disciplines and employs a comparative methodology to highlight the importance of the symbolic as well as the physical nature of such journeys

Nationalism, War and Jewish Education David Aberbach, 2018-10-04 Nationalism War and Jewish Education explores historical circumstances leading to the emergence of a Jewish religious school system lasting to modern times and the process by which this system was broken down and adapted in secular form as Jewish nationalism grew in the 19th and early 20th centuries In the Roman period education became an essential part of rabbinic pacifist accommodation following Jewish defeats while in the modern period secular education was associated with nationalism and increasing militancy of emerging states In both periods there was a revival of Hebrew and the creation of an educational system based on Hebrew texts Both revivals were responses to anti-Semitism which pushed large numbers of Jews away from assimilation into the dominant culture to a renewed Jewish national identity The book highlights the centrifugal and centripetal shifts in Jewish identity from messianic militarism to pacifism and back It shows how changes in Jewish education accompanied these shifts While drawing on historical scholarship for background this book is essentially a literary study showing how literary changes at different times and places reflect historical socio psychological economic and political change Nationalism War and Jewish Education is original in showing how ancient Jewish education affected modern Jewish society therefore it is a

valuable resource for students and researchers interested in Jewish history and literature education development studies and nationalism

An unorthodox history Gavin Schaffer, 2025-02-18 A bold new history of British Jewish life since the Second World War Historian Gavin Schaffer wrestles Jewish history away from the question of what others have thought about Jews focusing instead on the experiences of Jewish people themselves Exploring the complexities of inclusion and exclusion he shines a light on groups that have been marginalised within Jewish history and culture such as queer Jews Jews married to non Jews Israel critical Jews and even Messianic Jews while offering a fresh look at Jewish activism Jewish religiosity and Zionism Weaving these stories together Schaffer argues that there are good reasons to consider Jewish Britons as a unitary whole even as debates rage about who is entitled to call themselves a Jew Challenging the idea that British Jewish life is in terminal decline *An unorthodox history* demonstrates that Jewish Britain is thriving and that Jewishness is deeply embedded in the country's history and culture

Howard Jacobson's Novels in the Context of Contemporary British Jewish Literature Anténe, Petr, The novelist Howard Jacobson who received the 2010 Booker Prize for *The Finkler Question* has often been characterized as the British Philip Roth although he himself prefers to be viewed as the Jewish Jane Austen This monograph concludes that both comparisons may be used to comment on various features of Jacobson's oeuvre Like Roth Jacobson tends to focus on male Jewish protagonists and intimate relations between the sexes Like Austen he portrays a certain social class whether it be the British Jewish minority or the social world of British writers and university professors Apart from reflecting on the tension between Britishness and Jewishness as inseparable aspects of his characters' identities Jacobson's novels contribute to the traditions of British and Jewish humour

Post-War Jewish Fiction D. Brauner, 2001-07-18 In this groundbreaking study David Brauner explores the representation of Jewishness in a number of works by postwar British and American Jewish writers identifying a transatlantic sensibility characterised by an insistent compulsion to explain themselves and their Jewishness in ambivalent terms Through detailed readings of novels by famous American authors such as Saul Bellow Philip Roth Bernard Malamud and Arthur Miller alongside those by lesser known British writers such as Frederic Raphael Jonathan Wilson Howard Jacobson and Clive Sinclair certain common preoccupations emerge Gentiles who mistake themselves for Jews Jewish hostility towards Nature writing and not writing about the Holocaust and the relationship between fact and fiction

Writing Jewish Ruth Gilbert, 2013-12-04 British Jewish writers are increasingly addressing challenging questions about what it means to be both British and Jewish in the twenty first century *Writing Jewish* provides a lively and accessible introduction to the key issues in contemporary British Jewish fiction memoirs and journalism and explores how Jewishness exists alongside a range of other different identities in Britain today By interrogating myths and stereotypes and looking at themes of remembering and forgetting belonging and alienation location and dislocation Ruth Gilbert examines how these writers identify the particularity of their difference while acknowledging that this difference is neither fixed nor final but always open to re interpretation

Edinburgh Companion to Modern Jewish Fiction David

Brauner, 2015-06-07 Provides critical overviews of the main writers and key themes of Anglophone Jewish fiction This collection of essays represents a new departure for and a potentially re-defining moment in literary Jewish Studies It is the first volume to bring together essays covering a wide range of American British South African Canadian and Australian Jewish fiction Moreover it complicates all these terms emphasising the porousness between different national traditions and moving beyond traditional definitions of Jewishness For the sake of structural clarity the volume is divided into three parts American Jewish Fiction British Jewish Fiction and International and Transnational Anglophone Jewish Fiction but many of the essays cross over these boundaries and speak to each other implicitly as well as on occasion explicitly Extending and redefining the canon of modern Jewish fiction the volume juxtaposes major authors with more marginal figures revising and recuperating individual reputations rediscovering forgotten and discovering new work and in the process remapping the whole terrain This volume opens windows onto vistas that previously had been obscured and opens doors for the next generation of studies that could not proceed without a wide ranging visionary empiricism grounding their work The Edinburgh Companion is a paradigm changing event and nothing in Jewish literary studies that follows can fail to pay close attention to it Key Features Highlights the rich diversity of the field and identifies its key themes including immigration the Diaspora the Holocaust Judaism assimilation antisemitism and Zionism Analyses the main trends in Anglophone Jewish fiction and situates them in historical context Discusses the place of Anglophone Jewish fiction in relation to critical debates concerning transatlanticism and transnationalism ethnicity and identity politics postcolonial studies feminist studies and Jewish Studies With a preface by Mark Shechner the volume contains 28 essays by contributors including Vicki Aarons Trinity University Texas Debra Shostak Wooster College Ohio Ira Nadel University of British Columbia Efraim Sicher Ben Gurion University Phyllis Lassner Northwestern University Sue Vice University of Sheffield Lori Harrison Kahan Boston College Ruth Gilbert University of Winchester Beate Neumeier University of Cologne and Sandra Singer University of Guelph David Brauner is Professor of Contemporary Literature at The University of Reading Axel Staer is Reader in Comparative Literature at the University of Kent Canterbury

The Changing World Religion Map Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary

movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

The Alien Jew in the British Imagination, 1881-1905 Hannah Ewence, 2019-09-27 This book explores how fin de siècle Britain and Britons displaced spatially charged apprehensions about imperial decline urban decay and unpoliced borders onto Jews from Eastern Europe migrating westwards The myriad of representations of the alien Jew that emerged were the product of but also a catalyst for a decisive moment in Britain's legal history the fight for the 1905 Aliens Act Drawing upon a richly diverse collection of social and political commentary including fiction political testimony ethnography travel writing journalism and cartography this volume traces the shifting rhetoric around alien Jews as they journeyed from the Russian Pale of Settlement to London's East End By employing a unique and innovative reading of both the aliens debate and racialized discourse concerned with the Jew Hannah Ewence demonstrates that ideas about space and place critically informed how migrants were viewed an argument which remains valid in today's world

The Definitive Book of Jewish Miscellany and Trivia Tony Zendle, 2017-04-03 This is the book to amaze and bore your friends allies enemies family the passing man in the street the rabbi and anyone who you can grab to tell them that nowhere else in the world is such a collection of Jewish Miscellany and Trivia From Two Gun Cohen to Wyatt Earp from the Yiddish singing nuns to the astronaut who stuffed a salt beef sandwich into his suit there is one thing that can be guaranteed You will never be bored You will come back to this book time and again It is the product of 20 years collection of the arcane and if you thought before you read it that you knew a lot you will find there's lots more to learn So find out why Goldfinger was banned in Israel and Oliver Twist banned in Egypt and have fun on the way

Contemporary Jewish Writing in Europe Vivian Liska, Thomas Nolden, 2007-12-05 With contributions from a dozen American and European scholars this volume presents an overview of Jewish writing in post World War II Europe Striking a balance between close readings of individual texts and general surveys of larger movements and underlying themes the essays portray Jewish authors across Europe as writers and intellectuals of multiple affiliations and hybrid identities Aimed at a general readership and guided by the idea of constructing bridges across national cultures this book maps for English speaking readers the productivity and diversity of Jewish writers and writing that has marked a revitalization of Jewish culture in France Germany Austria Italy Great Britain the Netherlands

Hungary Poland and Russia **The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **The Comic Turn in Contemporary English Fiction** Huw Marsh, 2020-07-09 *The Comic Turn in Contemporary English Fiction* explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present *The Palgrave Dictionary of Anglo-Jewish History* W. Rubinstein, Michael A. Jolles, 2011-01-27 This authoritative and comprehensive guide to key people and events in Anglo Jewish history stretches from Cromwell's re-admittance of the Jews in 1656 to the present day and contains nearly 3000 entries the vast majority of which are not featured in any other sources *Star Turns and Cameo Appearances* Bernard Jacobson, 2015 Up close and personal views by the renowned music critic and orchestra administrator of musical luminaries from Alfred Brendel to Jessye Norman and beyond *Star Turns and Cameo Appearances* is the entertaining and insightful memoir by veteran music critic Bernard Jacobson Its pages are populated by eminent composers ranging from Hans Werner Henze to Andrzej Panufnik and by renowned performers including Georg Solti Daniel Barenboim Sviatoslav Richter and Jessye Norman As a music critic and orchestra administrator Jacobson has had the opportunity to observe these outstanding musicians and many of their colleagues at close quarters Assisting Riccardo Muti at the Philadelphia Orchestra for eight years he saw sides of that

maestro not visible to the music loving public Throughout Star Turns and Cameo Performances Jacobson adds his own sensitive and sympathetic view to public perceptions of musical luminaries of yesterday and today helping to explain and illuminate their artistry Bernard Jacobson has worked in the music field for over fifty years including stints as recording executive music critic of the Chicago Daily News artistic director and adviser for international orchestras in Holland and visiting professor at Roosevelt University s Chicago Musical College He has also performed and recorded as narrator of concert works and opera

Just Images Boaz Hagin, Sandra Meiri, Raz Yosef, 2011-05-25 *Just Images* Ethics and the Cinematic charts current developments within the field of ethics and the role it plays in the study of moving images It is the first collection of essays of its kind that brings together articles by film and media scholars from three continents and provides multiple points of engagement of film with present and past histories politics myth making and with core aspects of human subjectivity The essays cover a wide range of topics such as the European Union Europe during World War II and after film genres the Israeli Palestinian conflict early American history and recent catastrophic events The collection includes an introductory chapter by Thomas Elsaesser as well as chapters by Kristian Feigelson R gine Mihal Friedman Nurith Gertz and Gal Hermoni Anton Kaes Gertrud Koch Odeya Kohen Raz Lihi Nagler Judd Ne eman Bill Nichols and Janet Walker The contributors offer different approaches to the issue of film and ethics and ask whether there are specific characteristics of the moving image or of film scholarship that relate to ethical issues and how discussing the engagement of both narrative and documentary film with representations of the Other trauma terrorism the Holocaust and the Palestinian Israeli conflict may contribute to the re shaping of past and current thoughts on these subjects

Connecting Histories Gemma Romain, 2013-10-28 First published in 2006 The dynamics of ethnicity diaspora identity and community are the defining features of contemporary life giving rise to important and exciting new interdisciplinary fields of study and literature on subjects that were previously seen as the exclusive domain of the social sciences *Connecting Histories* is an important contribution to this trend While using sociological and anthropological theories its is an innovative historical and comparative assessment of ethnic identities and memories Romain focuses on Afro Caribbean and Jewish individuals and groups investigating the ways in which communities remember their experiences

The Mirth of Nations Christie Davies, 2017-07-28 *The Mirth of Nations* is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book *The Mirth of Nations* uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not

related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural stu

Yiddish Civilisation Paul Kriwaczek, 2007-12-18 Paul Kriwaczek begins this illuminating and immensely pleasurable chronicle of Yiddish civilization during the Roman empire when Jewish culture first spread to Europe We see the burgeoning exile population disperse as its notable diplomats artists and thinkers make their mark in far flung cities and found a self governing Yiddish world By its late medieval heyday this economically successful intellectually adventurous and self aware society stretched from the Baltic to the Black Sea Kriwaczek traces too the slow decline of Yiddish culture in Europe and Russia and highlights fresh offshoots in the New World Combining family anecdote travelogue original research and a keen understanding of Yiddish art and literature Kriwaczek gives us an exceptional portrait of a culture which though nearly extinguished has an influential radiance still
