the search for salvation A secondhand bookstore owner hiding from a legacy of scandal tragedy and heartbreak must unlock the secrets of the past to claim her happiness I loved every sentence every word Barbara Claypole White bestselling author of The Perfect Son and The Promise between Us Erin Bartels has done it again She s created a story that has set up camp in my mind and now feels more like a memory something I lived than a piece of fiction The added benefit is that it s a story about books some of the best ones ever written If you are the kind of person who finds meaning and life in the written word then you ll find yourself hidden among these pages Shawn Smucker author of Light from Distant Stars Vividly drawn and told in expertly woven dual timelines The Words between Us is a story about a woman who has spent years trying to escape her family s scandals and the resilience she develops along the way Erin Bartels s characters are a treat complex dynamic and so lifelike I half expected them to climb straight out of the pages Kathleen Barber author of Are You Sleeping Cinder Girl Holly Thompson Rehder,2022-08-09 Growing up on welfare food stamps and Greyhound buses Holly Thompson Rehder quit school at fifteen to help take care of her mother and younger sister after a devastating car accident Getting married and pregnant soon thereafter like so many other young girls caught in the poverty cycle Holly decided that the life she had been born into was not what she intended to give her child But unlike others who wind up mired in a lifetime of poverty dysfunction and despair Holly used her resourcefulness faith and sheer stubborn American grit to fight her way out of the gutter Two decades later she was a successful businesswoman And today she is a rising political star who serves as an inspiration to young women across the state of Missouri and indeed the entire nation all while never forgetting where she came from She worked her butt off to help so many others born into seemingly helpless circumstances As a rare lawmaker who speaks candidly from raw personal experience in Cinder Girl Rehder rises above standard political prose to provide an unvarnished look inside the worst of American poverty those living in the margins Rehder challenges us to recall the plight of those far less fortunate who struggle without the opportunities most of us take for granted **In Awe** Scott Heim,1997 In Awe Scoff Heim s second novel follows the lives of three outcasts who during the course of one rain soaked autumn find themselves the target of an onslaught of terror and violence Sarah thirty two is a clerk in a convenience store with a string of part time boyfriends Harriet is a frail birdlike woman of sixty two whose son Marshall Sarah s best friend has recently died and Boris is a seventeen year old orphan who lives in the local detention center and dreams of writing the ultimate zombie novel This unlikely trio is united by their love for one another their freakishness in relation to their conservative Kansas backwater and their rich fantasy lives Harriet immerses herself in the serenity of her farm as she grapples with the reality of her son s death while Sarah dreams of being a heroine in the B horror films she loves And Boris dreams of Rex the beautiful but savage redneck who is the center of a lethal pack of teenage boys But these fantasy lives increasingly blur into the real potentially dangerous world around them Sarah s car is defaced with graffiti two local coeds turn up raped and murdered near the river someone is prowling in the bushes outside Harriet s and Sarah s houses Boris is beaten and humiliated at

school How these three friends respond to the terror both within and around them forms the core of Scott Heim's riveting story and leads the novel to its brutal and startling conclusion

Rare Visions Collective, 2025-07-03 It has been an awe inspiring journey to read and engage with the powerful voices of these poets who have shared their experiences of visual impairment and vision loss Each poem is a testament not only to their profound resilience but also to the creative expression they've cultivated On one hand I have learned so much like a student gaining insights into the lived experiences of vision loss On the other hand I've been deeply moved by the raw struggles and triumphs they convey What strikes me most is that these artists have found ways to express themselves with a stunning clarity originality and beauty that far surpasses expectation The heart of this book beats with their stories and through these poems my own heart has shifted humbling me to appreciate the light these great voices shine into the world It's a privilege to be part of giving these brilliant young people a platform for their voices to be heard James A Levine MD PhD Professor President Fondation Ipsen
