Saturnalia Spqr V:

SPQR V: Saturnalia John Maddox Roberts, 2003-10-02 Every culture has its wild entertainment but the Roman Saturnalia is looked upon as the granddaddy of them all Roberts's vivid fictional account of the annual event takes place in first century Rome is a historically correct picture of excess with the city's ordinary life shut down all rules and most laws inoperative and even slaves permitted to celebrate without restraint At the same time the noted family of Decius Caecilius Metellus the Younger have reluctantly summoned the young playboy banished to the island of Rhodes for his wild ways to seek his help in solving a crime that touches them directly and dangerously They need him to use his investigative talents to look into the poison death of a politically powerful relative and the suspicion that it is the man's wife who administered the dose Decius convinced she is innocent of this murder at any rate looks further for the killer a quest that leads him to a secret banned cult of witchcraft being practiced by highborn Romans of both sexes With the witches at his heels Decius plunges into the maelstrom of Rome at the height of Saturnalia and barely escapes with his life

SPQR XII: Oracle of the Dead

John Maddox Roberts, 2025-10-16 Decius Caecilius Metellus this year's magistrate for cases involving foreigners is living the good life in southern Italy happy to be away from Rome a city suffering war jitters over Caesar's impending actions He thinks he is merely visiting one of the local sights when he takes a party to visit the Oracle of the Dead a pre Roman cult site located at the end of a tunnel dug beneath a temple of Apollo He quickly learns that there is a bitter rivalry between the priests of Apollo and those of Hecate who guard the oracle When the priests of Apollo are all killed the countryside looks to explode in violence as Greeks Romans and native Italians of several conquered nations bring out old enmities Decius is caught squarely in the middle desperate to find a way out that will pacify the district and incidentally save his own skin This riveting series began with the Edgar Award nominated SPQR and has gone on to international success in 13 languages

SPQR VIII: The River God's Vengeance John Maddox Roberts, 2025-10-16 Ancient Rome in this accurate and evocative series is just as politics driven as any major American city possibly even more Decius Caecilius Metellus has through a series of rather wild adventure and in the act of tracking down killers and other reprobates barely escaped annihilation several times Now newly elected to the office of aedile the lowest rung on the ladder of Roman authority he must smoke out corruption and conspiracy that threaten to destroy all of Rome

SPQR VII: The Tribune's Curse John Maddox Roberts, 2025-10-16 Decius Caecilius Metellus is happy The weather is beautiful and he is standing for office literally standing in the Roman Forum soliciting votes with a sure chance of winning And Caesar's ongoing dreary war is far off in Gaul Decius is confident that another war looming over Rome instigated by one Crassus against the Parthians for no reason but possible worldly gain will be voted down in the Senate But the vote does not stop Crassus On the day he and his troops set out from Rome the Tribune Ateius Capitus leader of the opposition shrieks an ancient and terrible curse over the huge crowd assembled a curse that frightens not only the man in the street but the highest Romans When Ateius is murdered soon after Decius solver of past mysteries

has the ugly task of finding the killer Fascinating details of Rome's mixed attitudes about the power of magic and the practice of rational politics illuminate this latest of Roberts's strong historical mysteries **SPQR XI: Under Vesuvius** John Maddox Roberts, 2025-09-23 In SPQR XI Under Vesuvius things are going well for Decius Caecilius Metellus He is Praetor Peregrinus which means he has to judge a case or two but those cases are outside of the City His cases will be those dealing with foreigners and all of Italy is his province His first stop is Campania Italy's most popular resort district Decius and his wife Julia are happy for a change of scenery But the good times end when in a town near Vesuvius a priest's daughter is murdered Decius must find her killer and keep the mob off a young boy who everyone blames but he believes to be innocent Decius may have acquired more prestige but he's also acquired more trouble With his SPQR novels John Maddox Roberts has written a satisfying and entertaining historical mystery series The stakes just keep getting higher in this latest atmospheric puzzle

SPQR X: A Point of Law John Maddox Roberts, 2025-10-16 Being under suspicion of murder did not hamper my freedom This is because Romans are civilized people and don't clap suspects into prison like barbarians do It would take an order of a lawfully convened court even to place me under house arrest That's Decius Caecilius Metellus speaking Senator Decius Caecilius Metellus please He is at an outdoor rally in Rome where he is campaigning for election to the praetorship It looks like a shoo-in until a man named Fulvius of whom Decius has never heard arrives at the preelection proceedings with a small army of hoodlums and begins to shout to the assembled voters that Decius is a thief and worse While this is not an unknown effort used to ruin a candidate's chances it is enough to have Decius's father call a meeting of family and friends a meeting that ends with the participants going home determined to find some answers to stop Fulvius's efforts to ruin Decius's chances Early the next morning however as Decius and his friends are on their way to the trial Fulvius's body is found slashed to death on the steps of the basilica where the court will be sitting And that doesn't look good for our hero For those readers who have met Decius before the next step is clear the man is a brilliant detective and he is certainly now in a position where that skill is needed So it's doubly important for Decius with the help of his wife Julia and the ex slave Hermes to find the solution to the most personal and possibly most difficult puzzle that has come his way **SPQR IX: The Princess and the Pirates** John Maddox Roberts, 2025-08-22 As I walked back through the City my mood was moderately elevated This appointment did not displease me nearly as much as I pretended Like most Romans I abhorred the very thought of sea duty but this was one of the rare occasions when I was looking forward to getting away from Rome For years I had complained of the disorder of the City and now that it was gone I found that I missed it All the peace and quiet seemed unnatural I did not expect it to last Decius Caecilius Metellus the Younger in SPQR IX The Princess and the Pirates His two years of aedileship over Decius is ready for his next adventure He would rather do anything than join the war with Caesar in the dismal forests of Gaul so he and his slave protégé Hermes find themselves on a mission to rid the Mediterranean of pirates They set off with shoddy ships and sailors to the island of Cyprus where a young Cleopatra is staying Between her impressive crew and the ex

pirate Ariston providing insider knowledge of that cutthroat occupation Decius thinks he stands a good chance of bringing himself some glory That would be too simple though The ruler of the island Silvanus is murdered in a most peculiar fashion and Decius as a guest in his home has a sacred duty to find and punish the guilty party Because world relations are already strained he would rather not suspect Cleopatra heir to the Egyptian throne But she has plenty of reasons to hate Rome and murder runs in her family Another guest and suspect is Gabinius who is in exile and could have easily given up loyalty toward his friend if it meant a quicker return to Rome In the meantime Decius is being humiliated in his pirate hunt and as if this weren't enough Aphrodite herself seeks Decius's help by appearing to him in a dream vision As Decius investigates world trade the island history and the new kind of piracy plaguing the waters he is finding connections more menacing than he had ever imagined possible In this ninth book in the series Roberts crafts another skillful mystery this time fervently pulsing with the collision of Roman Greek and Egyptian interests

SPQR IV: The Temple of the Muses John Maddox

Roberts, 2025-10-16 When Roman junior senator Decius Caecilius Metellus the Younger has a chance to join a diplomatic mission to Alexandria he welcomes the opportunity to temporarily elude his enemies in the Eternal City even though it means leaving his beloved Rome Decius is just beginning to enjoy the outpost's many exotic pleasures when the suspicious death of an irascible philosopher occurs coinciding with the puzzling and apocalyptic ravings of a charismatic cult leader Intrigued Decius requests and is given permission by the Egyptian Pharaoh to investigate the heinous crime What he discovers is beyond shocking And when the corpse of a famous courtesan mysteriously turns up in his bed Decius suddenly finds himself entangled in a web of conspiracy far more widespread and dangerous than he ever imagined one that threatens to bring about the downfall of the entire Empire

SPQR VI: Nobody Loves a Centurion John Maddox Roberts, 2025-08-22

Julius Caesar as we know arrived in Gaul now France and announced I Came I Saw I Conquered but when Decius Metellus arrives from Rome not seeking military glory but rather avoiding an enemy currently in power he finds that although the general came and saw so far at least he has far from conquered The campaign seems at a standstill Decius's arrival disappoints the great Caesar as well He has been waiting for promised reinforcements from Rome an influx of soldiers to restart his invasion Instead he is presented with one young man ridiculously decked out in military parade finery and short on military skills accompanied not by eager troops but by one callow and reluctant slave the feckless Hermes It soon develops however that Decius's arrival was fortuitous When Vinus the army's cruelest centurion so called because he commands a hundred soldiers is found murdered Caesar remembers that his new recruit has successfully come up with the culprit in a number of recent crimes Murder is bad for morale particularly since it seems quite clear that the murderer was one of Caesar's men Caesar orders Decius to find the killer and quickly Although evidence points to the son of one of Decius's clients a youth who was the particular target of the centurion's brutality Decius racks his brain to find a way to save him from the sentence of death The investigation leads Decius to two German slaves of the dead man a dwarfish old man and a beautiful woman They are

puzzling the man is arrogant the woman haughty very unlike slaves There are unanswered questions It soon becomes clear to Decius that only by finding and punishing the real murderer will it be possible to quiet the rising dissatisfaction with Caesar's unorthodox method of warfare and forestall a mutiny against the mighty Caesar's authority and aims **SPQR I: The**

King's Gambit John Maddox Roberts, 2025-10-16 Blackmail corruption treachery murder the glory that was Rome In this Edgar Award nominated mystery John Maddox Roberts takes readers back to a Rome filled with violence and evil Vicious gangs ruled the streets of Crassus and Pompey routinely preying on plebeian and patrician alike so the garroting of a lowly ex-slave and the disembowelment of a foreign merchant in the dangerous Subura district seemed of little consequence to the Roman hierarchy But Decius Caecilius Metellus the Younger highborn commander of the local vigiles was determined to investigate Despite official apathy brazen bribes and sinister threats Decius uncovers a world of corruption at the highest levels of his government that threatens to destroy him and the government he serves **SPQR II: The Catiline Conspiracy**

John Maddox Roberts, 2025-08-22 It was a summer of glorious triumph for the mighty Roman Republic Her invincible legions had brought all foreign enemies to their knees But in Rome there was no peace The streets were flooded with the blood of murdered citizens and there were rumors of more atrocities to come Decius Caecilius Metellus the Younger was convinced a conspiracy existed to overthrow the government a sinister cabal that could only be destroyed from within But admission into the traitorous society of evil carried a grim price the life of Decius's closest friend and maybe his own **SPQR III: The Sacrilege**

John Maddox Roberts, 2025-09-23 When a sacred woman's rite in the ancient city of Rome is infiltrated by a corrupt patrician dressed in female garb it falls to Senator Decius Caecilius Metellus the Younger whose investigative skills have proven indispensable in the past to unmask the perpetrators When four brutal slayings follow Decius enlists the help of a notorious and dangerous criminal Together they establish a connection between the sacrilege and the murders and track the offenders from the lowest dregs of society to the prominent elite of the upper class finding corruption and violence where Decius least expects it **SPQR XIII**

John Maddox Roberts, 2025-09-23 Readers looking for a crafty and entertaining journey to the past won't be disappointed Publishers Weekly on SPQR XI Under Vesuvius Caius Julius Caesar now Dictator of Rome has decided to revise the Roman calendar which has become out of sync with the seasons As if this weren't already an unpopular move Caesar has brought in astronomers and astrologers from abroad including Egyptians Greeks Indians and Persians Decius is appointed to oversee this project which he knows rankles the Roman public To be told by a pack of Chaldeans and Egyptians how to conduct their duties towards the gods was intolerable Not long after the new calendar project begins two of the foreigners are murdered Decius begins his investigations and as the body count increases it seems that an Indian fortuneteller popular with patrician Roman ladies is also involved This latest in the acclaimed series is sure to please historical mystery fans **SPQR V. Сатурналии** Джон Робертс, 2017-12-19 *Murder in Retrospect* Michael
