The Long-Distance Runner Tony Richardson, Long Distance Runner Tony Richardson, 1993-01-01 **What I Talk About When I Talk About Running** Haruki Murakami, 2008-07-29 An intimate look at writing running and the incredible way they intersect What I Talk About When I Talk About Running is an illuminating glimpse into the solitary passions of one of our greatest artists While training for the New York City Marathon Haruki Murakami decided to keep a journal of his progress The result is a memoir about his intertwined obsessions with running and writing full of vivid recollections and insights including the eureka moment when he decided to become a writer By turns funny and sobering playful and philosophical here is a rich and revelatory work that elevates the human need for motion to an art form **Marathon** Clarence DeMar, 2016-10-26 Long before the days of running apps designer running shoes and online marathon training programs three time Olympian Clarence DeMar self coached his way to seven Boston Marathon victories a record that remains unbroken today More than one hundred years since winning his first marathon Clarence DeMar is still known as one of the greatest American distance runners of all time Marathon DeMar s 1937 memoir is a simple and honest reflection of the life of this working class family man who experienced national fame during the depression era A student of his sport and an athlete far ahead of his time DeMar would average 100 miles per week while closely monitoring his body s response to nutritional changes Among the first elite athletes to experiment with vegetarian and alkaline based diets DeMar shares his experience based perspective on nutrition sleep mileage and even foot strike topics that are still heavily debated in the running community today The fashion and technology surrounding the sport may certainly have changed over the years but the feat of running 26 2 miles has remained Perhaps this is why modern day runners find DeMar s Marathon memoir to be as pertinent and informative today as it was in 1937 The Long-distance Runner Michael Harrington, 1988-01-01

Life Is a Marathon Matt Fitzgerald, 2019-03-26 An endurance athlete and coach reveals how the marathon transforms the lives of everyone who attempts it and how it has helped his own family cope with serious adversity Step after step for 26 2 miles hundreds of thousands of people run marathons But why what compels people past pain lost toenails 5 30 am start times The Wall Sports writer Matt Fitzgerald set out to run eight marathons in eight weeks across the country to answer that question At each race he meets an array of runners from first timers to dad daughter teams and spouses to people who d been running for decades and asks them what keeps them running But there is another deeply personal part to Matt s journey his own relationship to the sport and how it helped him overcome his own struggles and cope with his wife Nataki s severe bipolar disorder A combination of Matt s own *How Bad Do You Want It* and *What I Talk About When I Talk About*

Running Life Is a Marathon captures the magic of those 26.2 miles. At the end of the day and at the end of the race the pursuit of a marathon finish line is not unlike the pursuit of happiness. You will pick up the book for a powerful personal story about what running does for the people for whom it does the most. Run to Overcome Meb Keflezighi, 2010-10-25 The incredible true story of Meb Keflezighi winner of the 2014 Boston Marathon. When Meb Keflezighi won the New York City Marathon in 2009 the first American to do so in 27 years some critics questioned whether the Eritrean born runner was really an American despite his citizenship status and representing the USA on two Olympic and several World Championship teams. Yet Meb is the living embodiment of the American dream. His family came to the U.S. to escape from a life of poverty and a violent war with Ethiopia. Meb was 12 at the time spoke no English and had never raced a mile. Yet he became an A student and a high school state and national champion. And when he stood on the platform as a silver medalist in the 2004 Olympics Meb knew his hard work and determination had paid off. How could life be any better? Then it all came crashing down. Meb, a favorite for the Beijing Olympics, fractured his pelvis during the trials and was left literally crawling. His close friend and fellow marathoner suffered a cardiac arrest at the trials and died that same day. Devastated Meb was about to learn whether his faith in God, the values his parents had taught him and his belief that he was born to run were enough to see him through. **Run to Overcome** tells the inspirational story of a man who discovered the real meaning of victory and who embodies the American spirit of overcoming the odds.

When Harry Met Cubby Robert Sellers, 2019-09-23 Enthralling an essential read particularly for fans of 007. Cinema Retro. When Harry Met Cubby is a fitting tribute to two extraordinary men. If you love behind the scenes stories about the making of movies there's plenty of drama to sate you here. Entertainment Focus. Albert R. Cubby Broccoli and Harry Saltzman remain the most successful producing partnership in movie history. Together they were responsible for the phenomenally successful James Bond series separately they brought kitchen sink drama to the screen made a star out of Michael Caine in the Harry Palmer films and were responsible for the children's classic Chitty Chitty Bang Bang. But their relationship was fraught almost from the very beginning. With such contrasting personalities their interactions often span out of control. They managed to drive away their coveted star Sean Connery and ultimately each other. Loved and hated in equal measure respected and feared by their contemporaries few people have loomed as large over the film industry as Broccoli and Saltzman yet their lives went in very

different directions Broccoli was feted as Hollywood royalty whereas Saltzman ended up a forgotten recluse When Harry Met Cubby charts the changing fortunes and clashing personalities of two titans of the big screen **Some Kind of Hero** Matthew Field,Ajay Chowdhury,2015-10-12 For over 50 years Albert R Broccoli s Eon Productions has navigated the ups and downs of the volatile British film industry enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series Latterly this family run business has been crowned with box office gold and recognised by motion picture academies around the world However it has not always been plain sailing Changing financial regimes forced 007 to relocate to France and Mexico changing fashions and politics led to box office disappointments and changing studio regimes and business disputes all but killed the franchise And the rise of competing action heroes has constantly questioned Bond s place in popular culture But against all odds the filmmakers continue to wring new life from the series and 2012 s Skyfall saw both huge critical and commercial success crowning 007 as the undisputed king of the action genre Some Kind of Hero recounts this remarkable story from its origins in the early 60s right through to the present day and draws on hundreds of unpublished interviews with the cast and crew of this iconic series *Running Man* Charlie Engle,2016-09-13 A personal account by a world class ultra marathon runner chronicles his globe spanning races record breaking run across the Sahara and struggles with drug addiction and wrongful imprisonment NoveList **Eighteenth-Century Fiction on Screen** Robert Mayer,2002-09-26 Eighteenth Century Fiction on Screen offers an extensive introduction to cinematic representations of the eighteenth century mostly derived from classic fiction of that period and sheds light on the process of making prose fiction into film The contributors provide a variety of theoretical and critical approaches to the process of bringing literary works to the screen They consider a broad range of film and television adaptations including several versions of Robinson Crusoe three films of Moll Flanders American British and French television adaptations of Gulliver s Travels Clarissa Tom Jones and Jacques le fataliste Wim Wender s film version of Goethe s Wilhelm Meister s Apprentice Years the controversial film of Diderot s La Religieuse and French and Anglo American motion pictures based on Les Liaisons dangereuses among others This book will appeal to students and scholars of literature and film alike **The Athlete and Their Mechanisms of Defense** Tom Ferraro,2024-08-01 This important book explores the way athletes use defense mechanisms and coping skills to manage both the internal and external stress faced in competitive sport Covering a range of case studies across various sports the text showcases a taxonomy of immature neurotic and mature defences available to the athlete and describes the benefits and drawbacks of each A clear introductory section defines what defense mechanisms are and how they impact performance such as shame anxiety despair memories of previous losses or fantasies about winning Applying a psychoanalytic approach in line with the ideas of Sigmund Freud Anna Freud Fenichel Leo Rangel George Valliant and many others the author uses each case study to connect the defense mechanism under investigation with the world of the athlete Focused on delivering research based evidence the book helps readers deepen their understanding of the different types of
