Look And Feel Younger At Any Age:

Secrets of How to Look and Feel Younger for the Infinite Being Clinton Fong, 2010-02-03 If you've ever wondered if looking and feeling younger was actually possible and not just living the pretense of youth with cosmetics, face creams, herbal remedies or the like, then this book will take you on a journey of exploration, self-discovery, and to what you know could be a possibility for you and your body. This book takes you out of human reality to meet you, the infinite being, where the possibilities of magic exist. When we define ourselves as human, we limit ourselves with the definitions of what a human is. When we allow ourselves to be infinite, we allow greater possibilities to show up for us. When we're truly being us, we change our world into a playground of magical possibilities. This book is aimed at increasing the awareness of you with the awareness of your body and with the life you live. Looking and feeling younger is a byproduct of being more conscious, more aware, being truly orgasmically happy and joyful with you, your body, your life, and your environment. **Look and Feel Younger at Any**
