Handbook of Special Education James M. Kauffman, Daniel P. Hallahan, 2011-05-15 Special education is now an established part of public education in the United States by law and by custom. However, it is still widely misunderstood and continues to be dogged by controversies related to such things as categorization, grouping, assessment, placement, funding, instruction, and a variety of legal issues. The purpose of this 13-part, 57-chapter handbook is to help profile and bring greater clarity to this sprawling and growing field. To ensure consistency across the volume, chapter authors review and integrate existing research, identify strengths and weaknesses, note gaps in the literature, and discuss implications for practice and future research. Key features include:

- Comprehensive Coverage: Fifty-seven chapters cover all aspects of special education in the United States, including cultural and international comparisons.
- Issues/Trends: In addition to synthesizing empirical findings and providing a critical analysis of the status and direction of current research, chapter authors discuss issues related to practice and reflect on trends in thinking.
- Categorical Chapters: In order to provide a comprehensive and comparative treatment of the twelve categorical chapters in section IV, chapter authors were asked to follow a consistent outline: Definition, Causal Factors, Identification,

Behavioral Characteristics Assessment Educational Programming and Trends and Issues Expertise Edited by two of the most accomplished scholars in special education chapter authors include a carefully chosen mixture of established and rising young stars in the field This book is an appropriate reference volume for anyone researchers scholars graduate students practitioners policy makers and parents interested in the state of special education today its research base current issues and practices and future trends It is also appropriate as a textbook for graduate level courses in special education Scouting, 1998-10 Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals Scouting magazine offers editorial content that is a mixture of information instruction and inspiration designed to strengthen readers abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families

Learners with Mild Disabilities Eileen B. Raymond, 2008 Author Eileen Raymond describes students with disabilities with respect to their individual strengths and needs considering their cognitive perceptual and social emotional characteristics The reader is encouraged to apply these conceptual frameworks through analysis of numerous vignettes and extended case studies throughout the text Learners with Mild Disabilities is designed as a primary text for use in undergraduate and graduate courses that address the characteristics of learners with high prevalence or milder levels of disability and it is useful as a text for the first specialized course in a special education program BOOK JACKET
