The Equal Society George Hull, 2015-12-24 Equality is a widely championed social ideal But what is equality And what action is required if present day societies are to root out their inequalities *The Equal Society* collects fourteen philosophical essays each with a fresh perspective on these questions The authors explore the demands of egalitarian justice addressing issues of distribution and rectification but equally investigating what it means for people to be equals as producers and communicators of knowledge or as members of subcultures and considering what it would take for a society to achieve gender and racial equality The essays collected here address not just the theory but also the practice of equality arguing for concrete changes in institutions such as higher education the business corporation and national constitutions to bring about a more equal society *The Equal Society* offers original approaches to themes prominent in current social and political philosophy including relational equality epistemic injustice the capabilities approach African ethics gender equality and the philosophy of race It includes new work by respected social and political philosophers

The Myth of Luck Steven D. Hales, 2020-07-23 Humanity has thrown everything we have at implacable luck novel theologies entire philosophical movements fresh branches of mathematics and yet we seem to have gained only the smallest edge on the power of fortune *The Myth of Luck* tells us why we have been fighting an unconquerable foe Taking us on a guided tour of one of our oldest concepts we begin in ancient Greece and Rome considering how Plato Plutarch and the Stoics understood luck before entering the theoretical world of probability and exploring how luck relates to theology sports ethics gambling knowledge and present day psychology As we travel across traditions times and cultures we come to realize that it's not that as soon as we solve one philosophical problem with luck that two more appear like heads on a hydra but rather that the monster is altogether mythological We cannot master luck because there is nothing to defeat luck is no more than a persistent and troubling illusion By introducing us to compelling arguments and convincing reasons that explain why there is

no such thing as luck we finally see why in a very real sense we make our own luck that luck is our own doing The Myth of Luck helps us to regain our own agency in the world telling the entertaining story of the philosophy and history of luck along the way

Rational Understanding Miloud Belkoniene,2023-03-30 This book develops a novel account of the connections between justification understanding and knowledge It lays the foundation for a more systematic and interconnected treatment of these central notions in epistemology The author's key move is to show first that a specific conception of doxastic justification constitutes our best point of entry into questions pertaining to a subject's ability to secure understanding of reality Second that the traditional order of analysis when it comes to the connection between understanding and knowledge should be reversed knowledge itself is best conceived of in terms of a specific type of understanding Rational Understanding will appeal to scholars and advanced students working in epistemology and philosophy of science The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

There Is No "I" in Lucky Jim Walters,2013-11 This book is a belated attempt by Jim Walters to explain just what happened to a life that early on seemed so full of promise Any successes in life were always cancelled out by bad decisions on his part or just plain bad luck The multiple instances of bad luck and the multiple bad decisions on his part seemed to produce a lifetime that seemed to have no direction at all But an obsessive compulsive personality disorder and subsequent depression neither of which was discovered until midlife adds some possible understanding as to just what went on

Analysing Qualitative Data Graham R Gibbs,2012-06-21 Outlining how to select the most appropriate tool for analyzing data *Analysing Qualitative Data* also provides the reader with an awareness of the various challenges that are unique to interpreting the conceptual and subjective data generated in qualitative research

Burdened Virtues Lisa Tessman,2005-10-06 Lisa Tessman's *Burdened Virtues* is a deeply original and provocative work that engages questions central to feminist theory and practice from the perspective of Aristotelian ethics Focused primarily on selves who endure and resist oppression she addresses the ways in which devastating conditions confronted by these selves both limit and burden their moral goodness and affect their possibilities of flourishing She describes two different forms of moral trouble prevalent under oppression The first is that the oppressed self may be morally damaged prevented from developing or exercising some of the virtues the second is that the very conditions of oppression require the oppressed to develop a set of virtues that carry a moral cost to those who practice them traits that Tessman refers to as burdened virtues These virtues have the unusual feature of being disjoined from their bearer's own well being Tessman's work focuses on issues that have been missed by many feminist moral theories and her use of the virtue ethics framework brings feminist concerns more closely into contact with mainstream ethical theory This book will appeal to feminist theorists in philosophy and women's studies but also more broadly ethicists and social theorists

Group Hygiene Thomas Andrew Storey, 1929 *Superstitions* William Carroll, 1998 **"Aristocrat" and "the Community"** Nicholas J. Pappas, 2011 Aristocrat and The Community are dialogues that take place among friends through the course of a night Aristocrat is concerned with what it means to want to rule with the comparison of aristocracy to democracy and with duty The friends begin by touching upon excellence aristocracy's traditional claim to rule They soon come to question whether there are in fact but two true claims to rule force or a system of belief In addition they ponder their commitment to the cause a potentially transpolitical cause Aristocrat attempts to answer several whats what is the cause what does it involve and what does it mean to serve The Community attempts to demonstrate a how how to create the new city a new city determined to set itself apart from the outside world Discussions of the degree to which quality can be controlled from above and debates over the degree of control versus freedom that would make the city an ideal place to live are interwoven with a concern for viability represented by the Bank whose interests it seems must always be taken into account Is the creation of an ideal community an effort that is doomed to be utopian

With the Joys of Love, Laughter and a Smile Pete Goodwin, 2010 The truth behind all of my work or words and writing and how it all began in the autumn of October 2005 when I was listening to some music over a couple of beers and I took a line from a song it's true and I came up with my first poem Love Joy and Happiness from the heart And my ex girlfriend partner helped me get started proper in 2006 and that's my I write about love friendship and happiness in my life and work as well as the joys of sadness in a poem I write to my work was also written due to health and mental health

Emotional Sandwiches Sarah Ashley Neal, 2018-03-28 In a time when we are encouraged to look within and search for answers that are supposedly destined to solve our dilemmas Sarah Ashley Neal invites readers to fearlessly explore their relationships with words and in the process naturally allow those answers to surface

Embracing the Tune of Phrase: An Emotional Symphony within **Looking For Luck**

In a world consumed by monitors and the ceaseless chatter of instant interaction, the melodic beauty and emotional symphony developed by the prepared term frequently disappear into the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. But, situated within the pages of **Looking For Luck** a wonderful literary value full of raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that charming masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this touching analysis, we can discover the book is central harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
