

The background of the cover is a painting of a burning bush. The flames are bright orange and yellow, consuming the green leaves of the bush. In the foreground, a pair of simple, light-brown sandals with straps lies on a dark, rocky path. The overall scene is set in a natural, outdoor environment with some green grass visible near the path.

The Swindoll Study Bible NLT Tyndale, 2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll's wit charm

pastoral insight and wise biblical study directly to you as you study God's Word. Chuck's warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: This study Bible was designed with you in mind. As you read the Scriptures, imagine me sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible. Who wrote it and when? What does it mean and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living, for genuine life change. After all, that's why God has communicated His Word to us so that we may become like His Son, Jesus Christ, the central figure of this Book. Free app with purchase. The Reason Why Elinor Glyn, 2016-01-18. This early work by Elinor Glyn was originally published in 1912 and we are now republishing it with a brand new introductory biography. *The Reason Why* is a novel about an impoverished countess and an arranged marriage that she wishes to avoid. Elinor Glyn was born on 17th October 1864 in Saint Helier, Jersey. She was the youngest daughter of a civil engineer, Douglas Southerland, and his wife Elinor Saunders. Elinor Glyn began her writing career in 1900 and was a pioneer of the risqué and romantic fiction genre. She went on to write many popular books such as *Beyond the Rocks* (1906), *Love's Blindness* (1926), and *It* (1927), in which she coined the term 'It', meaning the animal magnetism that some individuals possess. Worshipful James C. Howell, 2017-02-08. What does it look and feel like to be worshipful? Can we find a way to worship in such a robust, thoughtful way that when we aren't in worship, the worship might linger and invigorate us? Is it possible to live in the world doing the dishes, listening to music, being stuck in traffic, enmeshed in a thicket of meetings at work, with a serene abiding sense of God's presence despite all the racket that we might do whatever we do for God and sense God's presence? And maybe more importantly, could all we do between Sundays—grocery shopping, paying bills, listening to music, taking a walk, visiting aging parents—actually enrich and inform what we do on Sunday morning, making worship itself more vigorous, profound, just plain real and memorable, and thus heightening the likelihood that the worship will linger through the rest of the week? This book is about living a worshipful life, understanding why we do what we do in Sunday morning worship, and then re-enacting those moods and actions all week long.
