Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *A Nurse to the Sick Body of Christ* Rose A. Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God's Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals

The Forgiving Wife Abby,2020-08-18 How did the book The Forgiving Wife come up It was the year 2007 when the Holy Spirit prompt me to write about my story At first I was reluctant and pulled back but the spirit of God kept pressing upon me I finally decided to start jutting information here and there As I started to gather more and more memories of my early marriage each day I realized that I didn t have a name for the book I then consulted God about giving me a name for the book Within ten minutes of me asking the Holy Spirit spoke quite clearly and said calmly The Forgiving Wife Not putting up a fight with what I heard and felt I continued writing As I gained confidence in writing my book my marriage once again started to spiral downhill in 2011 I then started to doubt my book and asked what sense was it to continue There was no way I could finish my book How would I end it Not sure of which way to steer my writing anymore I was forced to stop writing After taking another blow to my marriage in October of 2015 Two years later I finally realized that my battling marriage was far bigger than my husband and me This was far beyond our intellect I realized that we were not walking this road for ourselves but for someone else July 30th 2017 I began to consolidate all of the writing pieces into chapters After receiving approval from my husband to write about our personal behind the scenes relationship I then had a clearer understanding as to why I was writing this book in the first place It was to help broken and hurting women out there I wanted to let the world know that Jesus is still in the business of restoring healing changing and saving lives I m not asking you if Jesus can do it I m telling you that he can I urge readers that if you don t have Jesus as the head of your marriage and home get him because you will need him Some battles you win and some you lose Whatever the case may be don t allow your marital issues cause you to become so disoriented that you want nothing to do with life anymore Neither let them allow you to lose your integrity your dignity nor your identity At the end of the day both spouses must want the same thing This book is intended to help both men and women I explained in this book that fighting for your marriage is not an easy fight As a matter of fact in the book shows how difficult and discouraging it got for me at times I talked about how I was at my lowest point Where I felt like my breath was literally being snuffed away from me but God It talks about how I was so confused at times I almost lost my mind I do not suggest you stay in a marriage if the

situation is life threatening This book does not talk about having a perfect marriage As a matter of fact my book shows that my marriage is still far from perfect we must learn to accept imperfections as well You won't regret buying this book The content is intriguing the events are interesting and engaging And the message is authentic **Frank Leslie's Sunday Magazine** Charles Force Deems, 1877
