Islamic The Attributes of God in Islamic Thought Mansoorh Khalilizand, 2024-03-18 The debate over Allah's attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an apparently self-evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah's function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and the like as well as providing a secondary source for teaching on the debate in question

Islamic Mysticism Contested I.J.F. de Jong, Bernd Radtke, 2021-09-20 Islamic mysticism was contested from the formative period of Islam till the present Criticism of and opposition to mystical conceptions of Islam and their adherents constitute an integral part of an ongoing debate inside the Islamic tradition Controversies and polemics concerning Islamic mysticism often shaped and coincided with socio-political configurations This volume results from a collective effort by a group of Islamicists and area specialists with a variety of disciplinary orientations to arrive at a comprehensive view of these controversies and polemics wherever and whenever found The thirty-five contributions and the introduction are united in their historicising approach while taking into account the wider socio-political context Detailed indexes facilitate consultation of the work and give it an added value as work of reference and research tool

Encyclopedia of Arabic Literature Julie Scott Meisami, Paul Starkey, 1998 This reference work covers the classical transitional and modern periods Editors and contributors cover an international scope of Arabic literature in many countries

Islam and the Problem of Black Suffering Sherman A. Jackson, 2009 In his controversial 1973 book *Is God a White Racist* William R. Jones sharply criticized black theologians for their agnostic approach to black suffering noting that the doctrine of an omnibenevolent God poses very significant problems for a perennially oppressed community He proposed a humanocentric theism which denies God's sovereignty over human history and imputes autonomous agency to humans By rendering humans alone responsible for moral evil Jones's theology freed blacks to revolt

against the evil of oppression without revolting against God Sherman Jackson now places Jones's argument in conversation with the classical schools of Islamic theology The problem confronting the black community is not simply proving that God exists says Jackson The problem rather is establishing that God cares No religious expression that fails to tackle the problem of black suffering can hope to enjoy a durable tenure in the black community For the Muslim therefore it is essential to find a Quranic Islamic grounding for the protest oriented agenda of black religion That is the task Jackson undertakes in this pathbreaking work Jackson's previous book *Islam and the Blackamerican* OUP 2006 laid the groundwork for this ambitious project Its sequel *Islam and the Problem of Black Suffering* solidifies Jackson's reputation as the foremost theologian of the black American Islamic movement

Islamic Humanism Lenn E. Goodman, 2005-11-24 This book is an attempt to explain how in the face of increasing religious authoritarianism in medieval Islamic civilization some Muslim thinkers continued to pursue essentially humanistic rational and scientific discourses in the quest for knowledge meaning and values Drawing on a wide range of Islamic writings from love poetry to history to philosophical theology Goodman shows that medieval Islam was open to individualism occasional secularism skepticism even liberalism

Persian Wisdom in Arabic Garb (2 vols.) 'Alī b. 'Ubayda al-Rayḥānī, 2006-12-01 This volume introduces Al b Ubayda al Ray n d 219 834 one of the central figures in the transmission of classical Greek and Persian wisdom into Arabic It offers an edition translation and evaluation of his book *Jaw hir al kilam* one of the oldest collections of proverbial wisdom and moralia in Arabic as well as other remaining pieces of his works The first part of the book surveys the content of his more than sixty books and suggests that among his translations from Middle Persian into Arabic were the *Sindb d n ma* and *Bilawhar wa Budh sf* Moreover he emerges as the author of the famous *al Adab al agh r* heretofore wrongly attributed to Ibn al Muqaffa The second part contains the Arabic texts and translations as well as a rich documentation of their sources and their further transmission

Islamic Law and Muslim Same-Sex Unions Junaid Jahangir, Hussein Abdullatif, 2016-10-03 This book is written with the objective of reasonably addressing the need of Muslim gays and lesbians for a life which involves intimacy affection and companionship within the confines of a legal contract Contemporary conservative Muslim leaders unreasonably promote false marriages with straight spouses failing which they prescribe the solution of permanent celibacy as a test This book delves into an extensive scholarship on the same sources that conservative Muslim leaders draw on the Qur'an Hadith and jurisprudence It is argued that the primary sources of Muslim knowledge addressed sexual acts between the same gender in the context of inhospitality exploitation coercion and disease but not true same sex unions past Muslim scholarship is silent on the issue of sexual orientation and Muslim same sex unions The arguments of contemporary conservative Muslim leaders are deconstructed and the case for Muslim same sex unions is made based on jurisprudential principles and thorough arguments from within the Muslim tradition

Would You Lie to Save a Life Michael Glenn Maness, 2007-09 The Sparrow and the Crow is and will be an epic journey deep within your wildest imagination It takes you in places that light cannot exist but love does It makes

you fear what you don't believe and except what you can't conceive Christ was a flower a perfect flower taken into the eye of the sparrow Hatred rage anger became justice caught within the heart of the crow The power of Christ has traveled through the ages searching for two people a man and a woman who are not perfect before God but their hearts are pure and one with creation They are the chosen ones Two people willing to die for each other for no other reason than to preserve a single burning light within a darkened night A candlelight burning within the Eye of the Sparrow His promise to Adam and Eve becomes the Omen of the Crow That he who seeks the rose shall inherit the Heavens and Earth forever more

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Theory In Later Hanbalite Islam books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Theory In Later Hanbalite Islam books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Theory In Later Hanbalite Islam versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Theory In Later Hanbalite Islam books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Theory In Later Hanbalite Islam books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Love Theory In Later Hanbalite Islam books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Theory In Later Hanbalite Islam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
