Songs for Children of Light James H. Kurt, 2004-01-14 This work began with the taking of notes on insights and observations derived from contemplation of the Bible my own life and the death of my sister The writings were initially oriented toward the composition of a film script whose purpose was to depict abstractly scenes common to the lives of all mankind from birth to death In February of 1984 well over a year into this project these lyrics began to pour forth from me Three quarters of them were finished before the end of the month During this period of my life I underwent an intense conversion to purity of soul I immersed myself in the practice of all the artistic mediums including painting and sculpture poetry music dance and drama Striving to be an artist for Christ my life became as a cross between graduate student monk and convict This way of living and working continued for seven years and resulted in the creation of the large manuscript *Songs for Children of Light* Ten Albums of Lyrics Music Dance and Drama In this volume I present the lyric portion of the project with accompanying illustrations May the Light of the Spirit be with you as you read the words herein James Kurt June 23 1995 **Drama** ,1914 *The Lovers* Julia Dobrovolskaya, 2017-03-03 A Russian language novel by the Belarusian writer Julia Dobrovolskaya translated into English through the generosity of her friends **Dreams of Lovers and Lies of Poets** Sylvia Huot, 2017-07-05 The Roman de la Rose explicitly offers an art of love while also repeatedly asserting that the experience of love is impossible to put into words An examination of the intertextual density of the Rose with its citations and adaptations of a range of Latin authors shows that the discourse of bodily desire pleasure and trauma emerges indirectly from the juxtaposition and conflation of sources Huot s new book focuses on Guillaume de Lorris s use of the Ovidian corpus and on Jean de Meun s dazzling orchestration of allusions to a wider range of Latin writers principally Ovid Boethius and Virgil but also including John of Salisbury and Alain de Lille In both parts of the Rose poetic allegory is a language that can express the unspeakable and the ineffable **The Sullen Lovers, etc** Thomas Shadwell, 1693 *The British Drama: Comedy of The conscious lovers, by Sir Richard Steele.
