Seductress Betsy Prioleau, 2004-10-26 In this road map to restoring feminine sexual power Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses These are the women who ravished the world from such classic figures as Cleopatra and Mae West to such lesser known women as the infamous Violet Gordon Woodhouse who lived in a ménage with four men Smarts imagination courage and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life Through an expos of their secrets Seductress provides an authoritative empowering guide to erotic sovereignty

Love and Soulmates Albert David Griffith, 2010-04-02 You wish to have love and to be happy This book represents an attempt to give you love and happiness by showing you a view of what love really is and how peace freedom and security surely come with it To help you to be happy the book with your cooperation tries to sneak certain very desirable concepts past your conscious mind and into your subconscious mind The sneaking is necessary because love peace freedom and security can only be known in nonintellectual ways You cannot think your way into them It would be like your trying to learn how an orange tastes by reading about it when you know that the best way to learn that taste is simply to taste an orange In the same way you cannot learn about love by reading about it You have to taste it Here we try to help you to taste love As part of that try we describe what soulmates truly are because the most satisfying of all relationships is the soulmate relationship So what would happen if you found your soulmate Please help us to help you to be happy

Hiroshima Ran Zwigenberg, 2014-09-15 In 1962 a Hiroshima peace delegation and an Auschwitz survivor's organization exchanged relics and testimonies including the bones and ashes of Auschwitz victims This symbolic encounter in which the dead were literally conscripted in the service of the politics of the living serves as a cornerstone of this volume capturing how memory was utilized to rebuild and redefine a shattered world This is a powerful study of the contentious history of remembrance and the commemoration of the atomic bomb in Hiroshima in the context of the global development of Holocaust and World War II memory Emphasizing the importance of nuclear issues in the 1950s and 1960s Zwigenberg traces the rise of global commemoration culture through the reconstruction of Hiroshima as a City of Bright Peace memorials and museums global tourism developments in psychiatry and the emergence of the figure of the survivor witness and its consequences for global memory practices

Musicological Identities Jacqueline Warwick, 2017-07-05 No music scholar has made as profound an impact on contemporary thought as Susan McClary a central figure in what has been termed the new musicology In this volume seventeen distinguished scholars pay tribute to her work with essays addressing three approaches to music that have characterized her own writings reassessing music's role in identity formation particularly regarding gender sexuality and race exploring music's capacity to define and regulate perceptions and experiences of time and advancing new modes of analysis more appropriate to those aspects and modes of musicking ignored by traditional methods Contributors include in overlapping categories many fellow pioneers current colleagues and former students and their essays

like McClary's own work address a wide range of repertoires ranging from the established canon to a variety of popular genres. The collection represents the generational arrival of the new musicology into full maturity, dividing fairly evenly between pre-eminent scholars of music and a group of younger scholars who have already made their mark in significant ways. But the collection is also and fundamentally interdisciplinary in nature, in active conversation with such fields as history, anthropology, philosophy, aesthetics, media studies, film, music studies, dramatic criticism, women's studies, and cultural studies.

Latina/o Sexualities Marysol Asencio, 2009-10-26. Latina/os are currently the largest minority population in the United States. They are also one of the fastest growing. Yet we have very limited research and understanding of their sexualities. Instead, stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context. Gathering the latest empirical work in the social and behavioral sciences, this reader offers us a critical lens through which to understand these images and the social context framing Latina/os and their sexualities. Situated at the juncture of Latina/o studies and sexualities studies, *Latina/o Sexualities* provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective. Contributors synthesize and critique the literature and carve a separate space where issues of Latina/o sexualities can be explored given the limitations of prevalent research models. This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable. **Booklovers Edition ...** William Shakespeare, 1901

The Book Lover Warren Elbridge Price, 1899 **Shakespeare and Quotation** Julie Maxwell, Kate Rumbold, 2018-04-26. Shakespeare is the most frequently quoted English author of all time. Quotations appear everywhere, from the epigraphs of novels to the mottoes on coffee cups. But Shakespeare was also a frequent quoter himself of classical and contemporary literature, of the Bible, of snatches of popular songs and proverbs. This volume brings together an international team of scholars to trace the rich history of quotation from Shakespeare's own lifetime to the present day. Exploring a wide range of media, including Romantic poetry, theatre, criticism, novels by Jane Austen, Thomas Hardy, and Ian McEwan, political oratory, propaganda, advertising, drama, film, and digital technology, the chapters draw fresh connections between Shakespeare's own practices of creative reworking and the quotation of his work in new and traditional forms. Richly illustrated and featuring an Afterword by Margreta de Grazia, the collection tells a new story of the making and remaking of Shakespeare's plays and poems. **Sex, Love, and Friendship** Adrienne Leigh McEvoy, 2011-08. The joke is that all the prostitutes go on vacation when the philosophers come to town. The reason that the other conventioners do it, philosophers just talk about it. And talk about sex and love and friendship is what the contributors to this volume do. They talk and argue, split hairs, and clarify all, trying to advance our understanding of this most interesting practice of the human species. Some of the best minds on three continents, from four nations, and eighteen of the United States discuss such topics as adultery, commitment, cross-dressing, gender politics, date rape, family, friendship, friends as lovers, gayness, love, marital pluralism, marriage, prostitution, religiously

motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond **Alone Together** Henry Berlin, 2021-06-29 The turn of the fifteenth century saw an explosion of literature throughout Iberia that was not just sentimental but about sentiment Alone Together reveals the political ethical and poetic dimensions of this phenomenon which was among the most important of the substantial changes in intellectual and literary culture taking place in the crowns of Portugal Castile and Aragon With careful analyses of lyric poetry sentimental prose and wide ranging treatises in multiple languages this study foregrounds the dense web of relations among these genres and linguistic and cultural traditions Drawing on Stoic and early monastic thought authors such as the Marquis de Santillana Ausi s March and Alfonso de Madrigal explored the unifying potential of shared emotion in an ethical rehabilitation that cut across the personal and political exalting friendly conversation civic communication and collective poetic composition In his readings of these authors Henry Berlin references recent work on lyric theory and the history and theory of emotion from classical antiquity to the modern day An exploration of the political and poetic potential of shared emotion Alone Together shows how a heuristic focus on the notion of passion is illuminating for broader ongoing discussions about the nature of emotion the lyric and subjectivity

Falling in Love, 2006-05-31 Falling in love with all its accompanying problems was a subject of obsessive interest among writers and readers in the Ming Dynasty when society held strictly to arranged marriages The stories in this engaging collection all deal with this theme in very different ways sometimes comically sometimes tragically They portray young people choosing their own lovers resorting to ingenious stratagems and risky escapades in defiance of contemporary mores Chosen to represent the best works from the great age of the vernacular story they offer an admirable introduction to the world of Chinese fiction in this era All of the stories in Falling in Love have been translated especially for this volume and most appear here in translation for the first time They are taken from two works Constant Words to Awaken the World Xing shi heng yan and a related collection The Rocks Nod Their Heads Shi dian tou both published in the early seventeenth century **Married Love** Marie Carmichael Stopes, 2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become Married Love grew from Marie Stopes s conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women s sexuality and sexual desire as well as openly

supporting birth control In this edition of Stopes's ground breaking work Ross McKibbin's introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex *Plato on Love* Plato,2006-06-15 This collection features Plato's writings on sex and love in the preeminent translations of Stanley Lombardo Paul Woodruff and Alexander Nehamas D S Hutchinson and C D C Reeve Reeve's Introduction provides a wealth of historical information about Plato and Socrates and the sexual norms of classical Athens His introductory essay looks closely at the dialogues themselves and includes the following sections Socrates and the Art of Love Socrates and Athenian Paiderastia Loving Socrates Love and the Ascent to the Beautiful The Art and Psychology of Love Explained and Writing about Love **Making Love in the Twelfth Century** Barbara Newman,2016-06-13 Can the Letters of Two Lovers be the previously lost love letters of Abelard and Heloise Making Love in the Twelfth Century presents a new literary translation of the collection along with a full commentary and two extended essays that parse its literary and intellectual contexts and chart the course of the doomed affair **Loving God'S Way** Klaas H Baloyi,2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it Society has socialized people into believing love as something they do not have control over Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into As the phrase falling in love connotes people have taken it for what it sounds on face value than an expressive phrase it actually is Love cannot be a feeling but a choice It is a conscious decision that one takes at a particular point This book therefore seeks to demystify how love is not a feeling but a decision Yes True love does exist For one to experience it it is important to understand its essence and how it unfolds Gods philosophy of love provides a basis from which to understand and experience the beauty of love That love which regards not of its own but of the other Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner Engaging in a love relationship however can set you on a path that determines whether you will experience heaven or hell on earth Choosing right is therefore vital **Love and Vulnerability** Pelagia Goulimari,2021-05-15 Love and Vulnerability Thinking with Pamela Sue Anderson developed out of the desire for dialogue with the late feminist philosopher Pamela Sue Anderson's extraordinary previously unpublished last work on love and vulnerability The collection publishes this work for the first time with a diverse multidisciplinary international range of contributors responding to it to Anderson's oeuvre as a whole and to her life and death Anderson's path breaking work includes A Feminist Philosophy of Religion 1998 and Re-visioning Gender in Philosophy of Religion Reason Love and Epistemic Locatedness 2012 Her last work critiques then attempts to rebuild concepts of love and vulnerability Reason critical self reflexivity emotion intuition and imagination myth and narrative all have a role to play Social justice friendship conversation dialogue collective work are central to her thinking Contributors trace the emergence of Anderson's late thinking extend her conversations with the history of philosophy and contemporary voices such as hooks and Butler and bring her work into contact with debates in theology Continental and analytic philosophy
