Machiavelli in Love Haig Patapan, 2006-01-01 Machiavelli in Love argues that the key to modernity is its understanding of love This understanding a reformulation of classical eros and Christian agape and caritas accounts for significant aspects of modern political thought and practice ranging from its conception of beauty to its theories of power and constitutionalism to its understanding of philosophy To explore this modern conception of love Haig Patapan returns to Machiavelli and the origins of modernity where the radical nature of the proposed changes compelled detailed elaboration and defence allowing us to discern with greater clarity the choices faced and the claims advanced Machiavelli in Love examines Machiavelli s modern understanding of love and its political and philosophical consequences by relying on the distinctions he himself makes between his epistolary poetical and political works Each chapter of the book engages different facets of his thought to yield a comprehensive appreciation of Machiavellian love and fear and its implication for modernity
