The words 'UNLOVED' and 'UNWANTED' are written in a bold, black, hand-drawn font above the hands. The phrase 'WHAT IF GOD'S LOVE ISN'T ENOUGH?' is written in the same style below the hands. Loving God Isn't Enough:

Loving God Isn't Enough John Leland Peters, 1989 **How Could a Loving God?** Ken Ham, 2007-01-01 It really isn't a fair fight is it The finite against the infinite The limited against the unlimited Is God indifferent to my suffering How do I resolve this anger at God Why didn't God prevent this from happening Will I see loved ones again Or is heaven just a feel good myth People assume Christians have all the answers yet in the face of tragedy death or suffering everyone struggles to find just the right words to bring comfort or closure to those in need Sometimes just hearing It is God's will isn't enough Sometimes just saying God will turn this to good seems so meaningless when despair is so profound Often the pain goes too deep the questions won't go away and even the assurance of faith doesn't help How could God let this happen How can God love us yet allow us to suffer in this way What is the point of this What is the purpose In this provocative new book Ken Ham makes clear answers found in the pages of Scripture powerful definitive and in a way that helps our hearts to go beyond mere acceptance When you grasp the reality of original sin and all that it means it creates a vital foundation for your heart to finally understand what follows **Primal** Mark Batterson, 2010-11-02 Our generation needs a reformation But a single person won't lead it A single event won't define it Our reformation will be a movement of reformers living creatively compassionately courageously for the cause of Christ This reformation will not be born of a new discovery It will be the rediscovery of something old something ancient Something primal Mark Batterson Primal What would your Christianity look like if it was stripped down to the simplest rawest purest faith possible You would have more not less You would have the beginning of a new reformation in your generation your church your own soul You would have primal Christianity This book is an invitation to become part of a reformation movement It is an invitation to rediscover the compassion wonder curiosity and energy that turned the world upside down two thousand years ago It is an invitation to be astonished again **Love Him Anyway** Abby Banks, 2017-02-01 One night can change everything Abby Banks put her healthy happy infant son to sleep but when she awoke the next morning she felt as though she was living a nightmare Her son Wyatt was paralyzed There was no fall no accident no warning A rare autoimmune disease attacked his spinal cord and there was no cure In an instant all her hopes and dreams for him were wiped away The life she envisioned for her family was gone and she was frozen by the fear of a future she never imagined As she struggled to come to grips with her son's devastating diagnosis and difficult rehabilitation she found true hope in making a simple choice a choice to love anyway to love her son the life she didn't plan and the God of hope who is faithful even when the healing doesn't come In Love Him Anyway Abby shares her family's journey from heartbreak to triumph and reminds us that hope and joy can be found in life's hardest places **NET, Young Women Love God Greatly Bible** Thomas Nelson, 2022-08-23 This is the Bible that helps young women love God greatly with their lives using an easy system for applying God's Word and encouragement from women of faith past and present How do you as a young woman learn to love God and others well in this crazy upside down world There is no better way than through

THE TRUTH ABOUT FREEMASONS, ILLUMINATI, AND NEW WORLD ORDER S.D.S C.M.W,2012-03 Two Books In One The New World Order's Letter to Every Citizen of the World warning Resistance is Futile According to this letter addressed to everybody in America it's useless to resist a one world takeover as the program is in its final stages The Very word secrecy is repugnant in a free and open society and we are as people inherently and historically opposed to secret societies to secret oaths and to secret proceedings We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify If you have the privilege to know you have the duty to act **The Works of Saint Augustine: v. 1. Sermons on the Old Testament, 20-50** Saint Augustine (of Hippo),1990 **Sinners in the Hands of a Loving God** Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn't only an interesting look at the context of some modern theological ideas it's also offers some profound insight into God's love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd experienced instead was the Father's love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal expected behavior

And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zanhd maintains that the summit of divine revelation for sinners is not God is wrath but God is love Let God Love You Anna Roche,2025-07-08 I never imagined that I would write a book but when one of my friends told me one day that she had seen a vision of me writing a book more details about this inside the book I said Yes Lord And so I did And wow what a journey it s been I went completely out of my comfort zone writing this book I ve never been more vulnerable in my life But I ll do anything for God I can honestly say this book was borne out of obedience We are all in need of a better hope a better life and a better way Jesus is the way the truth and the life He is what we are looking for whether we realize it or not Jesus is all we have ever needed His ways are better than ours And he has something to offer us that the world cannot We may have questions Jesus has answers We may have a void in our life and we may feel like something is missing Jesus is what is missing in those void and empty places You may say Well I ve been born again so what else is there Trust me there is so much more of Jesus beyond after receiving salvation Our Lord has always desired to have a relationship with us on a one on one personal intimate level and for us to know his voice and follow him In this book I will share my spiritual journey with you as well as my healing journey from past hurts These learning experiences that you will read about through the pages of this book helped to shape me and are a very vital part of my life yes even the bad experiences Those are the most valuable I will tell you without you even having to flip open this book that the number one most important thing I have learned in life is the importance of forgiveness I have dedicated the whole first chapter of my book to this very topic Why Well you will see I pray this book will bring encouragement inspiration and even healing to you We learn from each other and that is how we grow *Life ReDefined* Brian Rose,2009 In a day and age where nothing seems certain and panic seems to be the driving force of our way of life people more than ever are looking for something absolute to anchor their lives on Secretly positioned in the heart of God are the answers to life s greatest mysteries You were made with a purpose and ultimately that purpose is to be intimately connected with your Creator If our Creator is the initiator of wanting to be connected to us then he must have some pretty amazing things planned for the life he s entrusted to us a life full of possibility and extraordinary opportunity As you explore your life through a new set of eyes I hope you are challenged and encouraged to redefine your life as you put things into their proper perspective God is always looking for ways to redefine life as you know it So as you and I embark on the greatest adventure of our lives let s investigate together what life is supposed to look like from the Creator s perspective You may be surprised what you discover *God of Becoming and Relationship* Rabbi Bradley Shavit Artson, DHL,2013-10-10 You no longer have to choose between what you know and what you believe an accessible introduction to a theological game changer I wrote this book for you if you want to be able to locate your life in a single encompassing story one that includes everything from the first moment the universe began until yesterday a narrative that embraces deepest

personal meaning a yearning to love and be loved a quest for social justice and compassion from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect between science and religion between morality and dogma unchanging laws of nature vs miracles that sound magical a good God vs the tragedies that strike all living creatures a God who knows the future absolutely vs an open future that you help to shape through your choices This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices Inspiring speaker spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life He explains how Process Theology can break you free from the strictures of ancient Greek and medieval European philosophy allowing you to see all creation not as this or that us or them but as related patterns of energy through which we connect to everything Armed with Process insights and tools you can break free from outdated religious dichotomies and affirm that your religiosity your spirit your mind and your ethics all strengthen and refine each other

[Standing for God's Ideal](#) Randy Langham, 2019-08-28 The libraries counseling offices and even pastors have a variety of viewpoints on divorce and remarriage When you study these sources you may discover two common approaches they give for deriving their conclusions One popular approach comes from the personal experiences of the authors or from the experiences of those close to them For many authors who are Christians additional scientific research and Bible verses are added Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages Then you come across this book The approach of this book is very different The first part of the book pursues where truth originates This becomes the foundation for building any faith structure The next phase of the book looks at the big picture of truth and how it relates to life and eventually to aspects of marriage After presenting the big picture the book moves to the third phase which looks at the details of some related passages In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic the book adds another unique feature fallacies Thirty four fallacies expose many false beliefs that are common today May you look beyond the black and white perspectives of dos and don'ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God's ideal His

principles for life are practical and not a bunch of rigid rules His truths lead us to an abundant life filled with relevance

Make Love Your Aim Eugenia Price,2021-04-27 Everyone today is an expert on love is Dr Allan Fromme s cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in *Make Love Your Aim* that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God s original concept *Make Love Your Aim* is a companion piece to the author s last book *The Wider Place* which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God s true intentions toward all of us Those who are familiar with Eugenia Price s books will recognize this as a recurring theme *Make Love Your Aim* develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free

Religiously Transmitted Diseases Ed Gungor,2006-05-08 Do you feel like something is always wrong that you can t seem to get it right in your relationship with God Then you probably have a diseased faith thankfully there is way back to the innocence and freshness of the hour you first believed There are only two ways to approach faith a human centered approach or a God centered one A human centered approach rests on human effort and persistence human coulds and shoulds It seems noble to work hard to secure godly fruitful living But a human centered faith is fundamentally wrong and harmful It is about human PERFORMANCE which ultimately leaves people tired oppressed and feeling distant from God A God centered faith on the other hand is refreshing surprising and nourishing to the human soul True freedom is found whenever we center our faith on the PERSON of God and not the PERFORMANCE of humankind

Letters to a Loving God Andrew M.
