Allen,2024-09-24 Messages put upon my heart from the Holy Spirit **The Loving Hand of Jesus** J. L. M. V.,1893 **Phenomenology of the Truth Proper to Religion** Daniel Guerriere,1990-05-29 The question is what constitutes truth in religion Represented here is the whole spectrum of phenomenology transcendental existential hermeneutic ethical and deconstructive presented by some of the most respected names in the philosophy of religion today Louis Dupr Merold Westphal and Edward Farley Here is also engagement with a wide variety of twentieth century thinkers such as Husserl Scheler and Heidegger Ricoeur Gadamer and Derrida Freud van der Leeuw and Eliade and Rosenzweig Tillich and Schillebeeks This volume provides unique sources for anyone interested in the philosophical theological or scientific study of religion Christology and Discipleship in John 17 Marianus Pale Hera,2013 Using the method of literary critical analysis to read the Johannine narrative Marianus Pale Hera underlines the profound relationship between the Johannine Christology and the Gospel s teaching on discipleship A narrative reading of selected passages from chapters 1 12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John s tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author s exegesis of John 17 confirms that John s teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John s thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait Letters of Love and Counsel for "our Girls" Jennie Carpenter Ritty,1898 *The 2022 Canterbury Preacher's Companion* Catherine Williams,2021-06-30 A longstanding annual favourite has a new editor and a new refreshed look What hasn t changed is its year long reliability as a resource for preaching at the principal and the second service for which preaching resources are scarce every Sunday of the coming year Ideal for preachers in all churches that use the Revised Common Lectionary it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and

Christmas services If preparation time is short the sermons are complete and can be used as they are but they will also act as a framework for creating your own sermon texts It also includes an introductory essay for preachers all age talks for special occasions hymn suggestions throughout the year an index of topics and names A boon for hard pressed clergy readers and local preachers everywhere *the sunday at home* ,1882 *Judaism Is About Love* Shai Held,2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory *Judaism Is About Love* illuminates the true essence of Judaism an act of restoration from within [The Church School Journal](#) ,1896 **The Analogy of Love** Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians **Great God A'mighty!** J. Jerome Zolten,2022 In *Great God A Mighty The Dixie Hummingbirds* author Jerry Zolten portrays one of the most influential gospel groups of the 20th century from 1920s South Carolina to 1940s New York through the Civil Rights era and beyond **Intimacy** Nicole Jarrett,2023-10-04 How many persons would do anything to meet the person they most admire their favorite movie star celebrity superhero To even get to have a relationship with these persons or those who play the roles is next to impossible These popular personalities hardly pursue or try to know or build a relationship on a one on one basis with their fans Yet the most important being ever known the Creator of the world is seeking out eager to know His admirers fans and loyal followers God the Creator of heaven and earth wants to know you He loves you He has prepared a life for you and is preparing for you in eternity *Intimacy Priceless Times with God* is designed to testify to you about how Nicole Jarrett discovered a lasting relationship with God As she traverses the terrain of Christianity she found that Christianity was not a routine and ritualistic event but a relationship of

meaningful fulfillment It is a privilege called to action by the Creator God through guidance from the Holy Spirit She discovered that life is a gift meant to be victorious The victorious life needs victorious people The book is designed to strengthen the Christian and bring clarity to their walk of faith Let the love that Christ extends to you be your guiding compass Too many believers are wavering about their identity in Christ which impacts their daily actions speech and thoughts Victory comes through faith in and through Christ Jesus This faith allows you to believe and find a resting place in God This faith establishes a peace stance which ricochets from the heart position of the Christian Therefore this Christian begins to pursue the God of the Bible that is pursuing them As the Christian journeys through the salvation long walk they develop a care less trust for the Trinity This care less trust builds a faithful walk of obedience in Christ In Intimacy Priceless Times with God Nicole speaks about the reality of the walk in Christ and the need to pace yourself and take baby steps All the pillars as she calls the chapters are intertwined designed to work together to build a lasting foundation of boldness and confidence of the believer

An Unquenchable Thirst Mary Johnson, 2011-09-13 For readers of Karen Armstrong and Kathleen Norris comes a powerful unforgettable spiritual autobiography An Unquenchable Thirst is the story of Mary Johnson's twenty years as a Missionary of Charity working alongside Mother Teresa in service to the world's poor and a fascinating depiction of the daily struggle to live a life of religious service At 17 Johnson experienced her calling when she saw a photo of Mother Teresa on the cover of Time Eighteen months later she found herself in religious training in a South Bronx convent This boisterous independent minded teenager adapted eventually to the austere life of poverty and devotion but faced daily the struggles of any young woman the same desires for love and connection and meaning and identity After 20 years Johnson left the order and has since left the church but the story of this complicated extraordinary woman will speak to atheists and true believers alike
