Loyalist Resolve:

Loyalist Resolve Raymond A. Anselment, 1988 This study analyzes a series of complex ambivalent literary responses to the decades of civil turmoil in seventeenth century England that simultaneously demanded public commitment and prompted private withdrawal From their various perspectives the Royalist writers raised in the humanist tradition are shown to appreciate anew the value of patient fortitude

The Edge of the Union : The Ulster Loyalist Political Vision Steve Bruce, 1994-07-12 On the twenty fifth anniversary of the Northern Ireland Troubles the Ulster Loyalists are an increasingly alienated people In this timely book Steve Bruce provides crucial insights into the Loyalist world view Describing the troubles as a deeply entrenched ethnic conflict he argues that a widespread failure to take into account the strength and importance of the loyalist identity will scupper the chances of peace On the twenty fifth anniversary of the Northern Ireland Troubles Ulster's once dominant unionists are an increasingly alienated people In this timely assessment of the prospects for peace Steve Bruce examines the embittered world view of two key sections of Ulster unionism loyalist terrorists and the evangelical supporters of Ian Paisley To get to the heart of the unionist position he asks how they see the last twenty five years what they want from the future what they think they will get what they will accept and what they will fight to oppose Professor Bruce describes the Troubles as a deeply entrenched ethnic conflict He argues that a failure to appreciate the strength of the loyalist identity has prevented a proper understanding of the Troubles and that continued neglect of the majority makes strategies for peace pointless or counter productive On Steve Bruce's previous book *God Save Ulster* his interpretation of the Northern Ireland problem can be considered amongst the most satisfying in the literature Times Higher Education Supplement an intelligent and at times brilliant attempt to understand a particular religious outlook New Statesman Publishing on Orange Day 12 July

Allies at the End of Empire David M. Anderson, Daniel Branch, 2017-09-05 The wars of decolonization fought by European colonial powers after 1945 had their origins in the fraught history of imperial domination but were framed and shaped by the emerging politics of the Cold War In all the counter insurgencies mounted against armed nationalist risings in this period the European colonial powers employed locally recruited militias styled as loyalists to fight their dirty wars These loyalist histories have been neglected in the nationalist narratives that have dominated the post decolonization landscape and this book offers the first comparative assessment of the role played by these allies at the end of empire Their experience illuminates the deeper ambiguities of the decolonization story some loyalists were subjected to vengeful violence at liberation others actually claimed the victory for themselves and seized control of the emergent state while others still maintained a role as fighting units into the Cold War The overlap between the history of decolonization and the emergence of the Cold War is a central theme in the studies presented here The collection discusses the categorization of these irregular auxiliary forces after 1945 and presents seven case studies from five European colonialisms covering nine former colonies Portugal Angola the Netherlands Indonesia France Algeria Belgium Congo and Britain Cyprus Kenya Aden

South Yemen and Oman This book was originally published as a special issue of the International History Review **From Revolution to Reunion** Rebecca Brannon,2022-04-13 This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina s victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina s experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between former enemies but in the process they downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time **Writings of Exile in the English Revolution and Restoration** Philip Major,2016-02-11 Writings of Exile in the English Revolution and Restoration opens a window onto exile in the years 1640 1680 as it is experienced across a broad spectrum of political and religious allegiances and communicated through a rich variety of genres Examining previously undiscovered and understudied as well as canonical writings it challenges conventional paradigms which assume a neat demarcation of chronology geography and allegiance in this seminal period of British and American history Crossing disciplinary lines it casts new light on how the ruptures and in some cases liberation of exile in these years both reflected and informed events in the public sphere It also lays bare the personal psychological and familial repercussions of exile and their attendant literary modes in terms of both inner mental withdrawal and physical displacement *The Loyalists in Prince Edward Island* Wilbur Henry Siebert,Florence E. Gilliam,1911 *The Loyalists in North Carolina During the Revolution* Robert O. DeMond,1979 To the genealogist the Appendices in the back of the book will doubtless hold the greatest interest for herein are found 1 lists of soldiers and civilians who supported the Crown throughout the Revolution 2 lists of Loyalists who suffered land confiscation 3 lists of Loyalists who made application to Great Britain for compensation for loss of office or property and 4 lists of North Carolina Loyalists who received pensions from Great Britain com item_detail cfm ID 7144 7144 [Royalism and Poetry in the English Civil Wars](#) J. Loxley,1997-10-27 English literary history has long incorporated the category of Cavalier verse and the critical presuppositions that have shaped such a category continue even now to determine the ways in which much civil war writing is read Through a detailed study of both manuscript and printed texts James Loxley arrives at an account of the interaction

between poetry and royalist political activity which for the first time presents a sustained and coherent challenge to such presuppositions *Loyalist Writings* Wilbur Henry Siebert,1921 **The Loyalist's Ammunition** ,1863 Royalists and Royalism in 17th-Century Literature Philip Major,2019-09-23 Author of plays love lyrics essays and among other works The Civil War the Davideis and the Pindarique Odes Abraham Cowley made a deep impression on seventeenth century letters attested by his extravagant funeral and his burial next to Chaucer and Spenser in Westminster Abbey Ejected from Cambridge for his politics he found refuge in royalist Oxford before seeing long service as secretary to Queen Henrietta Maria and as a Crown agent on the continent In the mid 1650s he returned to England was imprisoned and made an accommodation with the Cromwellian regime This volume of essays provides the modern critical attention Cowley s life and writings merit **The Loyalist Problem in Revolutionary New England** Thomas N. Ingersoll,2016-10-24 A new history of Loyalism using revolutionary New England as a case study *This Fierce People* Alan Pell Crawford,2024-07-02 A groundbreaking important recovery of history the overlooked story fully explored of the critical aspect of America s Revolutionary War that was fought in the South showing that the British surrender at Yorktown was the direct result of the southern campaign and that the battles that emerged south of the Mason Dixon line between loyalists to the Crown and patriots who fought for independence were in fact America s first civil war The famous battles that form the backbone of the story put forth of American independence at Lexington and Concord Brandywine Germantown Saratoga and Monmouth while crucial did not lead to the surrender at Yorktown It was in the three plus years between Monmouth and Yorktown that the war was won Alan Pell Crawford s riveting new book *This Fierce People* tells the story of these missing three years long ignored by historians and of the fierce battles fought in the South that made up the central theater of military operations in the latter years of the Revolutionary War upending the essential American myth that the War of Independence was fought primarily in the North Weaving throughout the stories of the heroic men and women largely unsung patriots African Americans and whites militiamen and irregulars patriots and Tories Americans Frenchmen Brits and Hessians Crawford reveals the misperceptions and contradictions of our accepted understanding of how our nation came to be as well as the national narrative that America s victory over the British lay solely with General George Washington and his troops **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more

Loyalist Literature Robert S. Allen, 1982-01-01 The highly readable is more than a bibliography Written in a narrative style it is as well a short history of the Loyalists who they were why they left where they settled and what their legacy is

Machiavellian Rhetoric Victoria Kahn, 1994-07-05 Historians of political thought have argued that the real Machiavelli is the republican thinker and theorist of civic virtue Machiavellian Rhetoric argues in contrast that Renaissance readers were right to see Machiavelli as a Machiavel a figure of force and fraud rhetorical cunning and deception Taking the rhetorical Machiavel as a point of departure Victoria Kahn argues that this figure is not simply the result of a naïve misreading of Machiavelli but is attuned to the rhetorical dimension of his political theory in a way that later thematic readings of Machiavelli are not Her aim is to provide a revised history of Renaissance Machiavellism particularly in England one that sees the Machiavel and the republican as equally valid and related readings of Machiavelli's work In this revised history Machiavelli offers a rhetoric for dealing with the realm of de facto political power rather than a political theory with a coherent thematic content and Renaissance Machiavellism includes a variety of rhetorically sophisticated appreciations and appropriations of Machiavelli's own rhetorical approach to politics Part I offers readings of *The Prince* *The Discourses* and Counter Reformation responses to Machiavelli Part II discusses the reception of Machiavelli in sixteenth and seventeenth century England Part III focuses on Milton especially *Areopagitica* *Comus* and *Paradise Lost*

Conflict Resolution and Ontological Security Bahar Rumelili, 2014-12-17 This volume highlights the ways in which the prospect of peace can generate anxieties and consequently set in motion social and political processes that reproduce and reactivate conflicts In analysing this issue the volume builds on the notion of ontological security and its recent applications to international relations theory Although conflicts threaten the physical security of the parties involved they also help settle existential questions about basic parameters of life being

and identity and thus over time become sources of ontological security The prospect of peace through the resolution or transformation of conflict threatens to unsettle the stability and consistency of self narratives and their associated routines and habits at the individual group and state levels The contributors argue two key points 1 that ontological insecurity may set in motion political and social processes that reproduce and reactivate conflicts 2 that coping with peace anxieties necessitates the formulation of alternative self narratives at the individual societal and state levels that re situate the Self in relation to Other and to the world at large Consequently the book analyses the ways in which and the conditions under which conflict resolution induces ontological insecurity and the different ways in which ontological insecurity has prevented the successful culmination of peace processes in different conflict contexts including Cyprus Israel Palestine and Northern Ireland This book will be of much interest to students of critical security studies conflict resolution peace and conflict studies social theory and IR in general

Adopting the Track of Phrase: An Psychological Symphony within **Loyalist Resolve**

In some sort of used by screens and the ceaseless chatter of instant connection, the melodic splendor and mental symphony developed by the written term usually fade in to the backdrop, eclipsed by the persistent sound and disruptions that permeate our lives. However, set within the pages of **Loyalist Resolve** a charming fictional treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that interesting masterpiece conducts readers on an emotional trip, skillfully unraveling the hidden melodies and profound influence resonating within each carefully constructed phrase. Within the depths of the moving assessment, we shall investigate the book is main harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Loyalist Resolve Introduction

In today's digital age, the availability of Loyalist Resolve books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loyalist Resolve books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loyalist Resolve books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loyalist Resolve versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loyalist Resolve books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loyalist Resolve books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loyalist Resolve books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loyalist Resolve books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loyalist Resolve books and manuals for download and embark on your journey of knowledge?
