Loyalty And Locality Popular Allegiance In Devon During The English Civil War

R. Po-chia Hsia

Loyalty And Locality Popular Allegiance In Devon During The English Civil War:

Loyalty and Locality Mark Stoye,1994 Loyalty and Locality is a study of popular behaviour during the English Civil War The book makes three main claims The first is that English counties did not behave as homogeneous units as county communities during the conflict of 1642-46 they divided instead along regional lines certain areas supporting Parliament others supporting the King The second is that this general rule applied to cities too and that in urban communities just as in the countryside it is possible to discern both Royalist and parliamentary parishes The third is that these internal divisions were not simply temporary alignments conjured up by the extraordinary circumstances of 1642-46 but that they reflected deep and enduring splits in local society contrasting patterns of popular behaviour stretching back over very many years Mark Stoye's book explores these themes primarily through a study of events in Devon and Exeter

The English Civil War Charles J Esdaile,2004-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642-1651 of a sort that has never yet been attempted but is for all that badly needed

The English Civil War John Adamson,2008-12-16 John Adamson provides a new synthesis of current research on the political crisis that engulfed England in the 1640s Drawing on new archival findings and challenging current orthodoxies these essays by leading historians offer a variety of original perspectives locating English events firmly within a three kingdoms context

The English Civil War Diane Purkiss,2009-03-25 In this compelling history of the violent struggle between the monarchy and Parliament that tore apart seventeenth century England a rising star among British historians sheds new light on the people who fought and died through those tumultuous years Drawing on exciting new sources including letters memoirs ballads plays illustrations and even cookbooks Diane Purkiss creates a rich and nuanced portrait of this turbulent era The English Civil War's dramatic consequences rejecting the divine right monarchy in favor of parliamentary rule continue to influence our lives and in this colorful narrative Purkiss vividly brings to life the history that changed the course of Western government

The English Revolution and the Wars in the Three Kingdoms, 1638-1652 I.J. Gentles,2014-06-06 Ian Gentles provides a riveting in depth analysis of the battles and sieges as well as the political and religious struggles that underpinned them Based on extensive archival and secondary research he undertakes the first sustained attempt to arrive at global estimates of the human and economic cost of the wars The many actors in the drama are appraised with subtlety Charles I while partly the author of his own misfortune is shown to have been at moments an inspirational leader The English Revolution and the Wars

in the Three Kingdoms is a sophisticated comprehensive exciting account of the sixteen years that were the hinge of British and Irish history It encompasses politics and war personalities and ideas embedding them all in a coherent and absorbing narrative

Puritan Iconoclasm During the English Civil War Julie Spraggon,2003 Julie Spraggon offers a detailed analysis of Puritan iconoclasm in England during the 1640s which led to a resurgence of image breaking a century after the break with Rome She examines parliamentary legislation its enforcement the parallel action undertaken by the army to rid the land of superstition

'To Walk in the Dark' John Ellis,2016-09-02 During the bloody years of the First English Civil War as the battles of Edgehill Newbury and Naseby raged another war was being fought Its combatants fought with cunning and deceit in a hidden conflict that nevertheless would steer the course of history The story of the spies and intelligence gatherers of the Roundheads and Royalists is one that sheds new light on the birth of the Commonwealth In To Walk in the Dark intelligence specialist John Ellis presents the first comprehensive analysis of the First English Civil War intelligence services He details the methods of the Roundhead spies who provided their commanders with a constant flow of information about the movements of the King s armies describes the earliest use of code breaking and mail interception and shows how the Cavalier intelligence forces were overcome He also reveals the intelligence personnel themselves the shadowy spymasters agents and femme fatales The descriptions of how intelligence information was used in the main battles are particularly fascinating and show how intelligence information played a decisive role in determining the outcome of the Civil War itself

A Brief History of Britain 1485-1660 Ronald Hutton,2011-06-23 Praise for the author For anyone researching the subject this is the book you ve been waiting for Washington Post From the death of Richard III on Bosworth Field in 1485 to the execution of Charles I after the Civil Wars of 1642-48 England was transformed by two dynasties First the Tudors who had won the crown on the battlefield changed both the nature of kingship and the nation itself England became Protestant and began to establish itself as a trading power facing down seemingly impossible odds it defeated its enemies on land and sea But after a century Elizabeth I died with no heir and the crown was passed to the Stuarts who sought to remould the kingdom in their own image Leading authority on the history of the British Isles in the sixteenth and seventeenth centuries Ronald Hutton brilliantly recreates the political landscape of this early modern period and shows how the modern nation was forged in these febrile transformative years Combining skilful pen portraits of the leading figures of the day with descriptions of its culture economics and vivid accounts of everyday life Hutton provides telling insights into this critical period on Britain s national history This the second book in the landmark four volume Brief History of Britain which brings together leading historians to tell Britain s story from the Norman Conquest of 1066 to the present day Combining the latest research with accessible and entertaining story telling the series is the ideal introduction for students and general readers

Thomas Violet, a Sly and Dangerous Fellow Amos Tubb,2017-10-06 Thomas Violet a Sly and Dangerous Fellow chronicles the life and adventures of Thomas Violet an Englishman who lived from 1609 to 1662 During the course of his tumultuous life Violet

was a goldsmith a spy a prisoner of war during the English Civil War a traitor to both sides a major economic theorist an anti Semite who nearly drove the Jews of England out of the country and a suicide Violet s life consisted of one unbelievable escapade after another He was a scoundrel who used his knowledge of the financial markets of his day to legally extort money out of people in scheme after scheme for nearly thirty years Along the way he was caught up in the English Civil War and interacted with many of the major players he knew and worked for King Charles I Oliver Cromwell and King Charles II In desperate times both King Charles I and Oliver Cromwell were willing to use the unsavory Violet to help solve the financial crisis both men faced as rulers of England Violet s knowledge of the silver trade in particular would bring untold riches to Oliver Cromwell However Charles II had no need of Violet and when Violet could not convince Charles II to extort money from England s Jews Violet committed suicide rather than face the world without a royal patron Readers will be fascinated and outraged by Violet s actions

Communities in Early Modern England Alexandra Shepard, Phil Withington, 2000 How were cultural political and social identities formed in the early modern period How were they maintained What happened when they were contested What meanings did community have This path breaking book looks at how individuals were bound into communities by religious professional and social networks the importance of place ranging from the Parish to communities of crime and the value of rhetoric in generating community from the King s English to the use of public as a rhetorical community The essays offer an original comparative and thematic approach to the many ways in which people utilized communication space and symbols to constitute communities in early modern England Thomas Fuller W. B. Patterson, 2018-02-09 Long considered a highly distinctive English writer Thomas Fuller 1608 1661 has not been treated as the significant historian he was Fuller s *The Church History of Britain* 1655 was the first comprehensive history of Christianity from antiquity to the upheavals of the Protestant and Catholic Reformations and the tumultuous events of the English civil wars His numerous publications outside the genre of history sermons meditations pamphlets on current thought and events reflected and helped to shape public opinion during the revolutionary era in which he lived Thomas Fuller *Discovering England s Religious Past* highlights the fact that Fuller was a major contributor to the flowering of historical writing in early modern England W B Patterson provides both a biography of Thomas Fuller s life and career in the midst of the most wrenching changes his country had ever experienced and a critical account of the origins growth and achievements of a new kind of history in England a process to which he made a significant and original contribution The volume begins with a substantial introduction dealing with memory uses of the past and the new history of England in the late sixteenth and early seventeenth centuries Fuller was moved by the changes in Church and state that came during the civil wars that led to the trial and execution of King Charles I and to the Interregnum that followed He sought to revive the memory of the English past recalling the successes and failures of both distant and recent events The book illuminates Fuller s focus on history as a means of understanding the present as well as the past and on religion and its important place in English culture and society

A Cumulative Bibliography of Medieval Military History and Technology Kelly DeVries, 2001-11-01 There is perhaps no other more lively area for study in medieval history than medieval military history with its attendant and complementary field the history of medieval military technology In the past twenty years it seems that more major scholarly inroads have been made in this field than in any other historical genre of medieval studies or chronological period of military history What this has meant is that it is now more difficult to keep up with all of the trends and sources in the field than ever before Hence the need for a reference work which covers what has previously been written and which in turn can assist the scholar both the more experienced academic and the beginner to improve his or her work in medieval military history or the history of medieval military technology Utilizing library catalogues bibliographies and footnotes this bibliography has compiled the most complete list of secondary references to works in medieval military history and the history of military technology It keeps fairly strictly to a geography which centers on conventional medieval boundaries Europe Byzantium and the Middle East However the chronology does differ from the conventional medieval dates Because of its influence on the early Middle Ages references to Late Antiquity especially to the military history and technology of the third and fourth century Roman Empire have been included For the opposite reason the influence of the Middle Ages on the sixteenth and early seventeenth centuries references to military history and technology up to 1648 have been included as well This is especially important in the study of the Ottoman Turkish Wars and Arms and Armor where the end of the fifteenth century as a chronological terminus makes little sense

Revolution remembered Edward Legon, 2019-03-11 After the Restoration parliamentarians continued to identify with the decisions to oppose and resist crown and established church This was despite the fact that expressing such views between 1660 and 1688 was to open oneself to charges of sedition or treason This book uses approaches from the field of memory studies to examine seditious memories in seventeenth century Britain asking why people were prepared to take the risk of voicing them in public It argues that such activities were more than a manifestation of discontent or radicalism they also provided a way of countering experiences of defeat Besides speech and writing parliamentarian and republican views are shown to have manifested as misbehaviour during official commemorations of the civil wars and republic The book also considers how such views were passed on from the generation of men and women who experienced civil war and revolution to their children and grandchildren

Turncoats and Renegadoes Andrew Hopper, 2012-11-15 Turncoats and Renegadoes is the first dedicated study of the practice of changing sides during the English Civil Wars It examines the extent and significance of side changing in England and Wales but also includes comparative material from Scotland and Ireland The first half identifies side changers among peers MPs army officers and common soldiers before reconstructing the chronological and regional patterns to their defections The second half delivers a cultural history of treachery by adopting a thematic approach to explore the social and cultural implications of defections and demonstrating how notions of what constituted a turncoat were culturally constructed Side changing came to dominate

strategy on both sides at the highest levels Both sides reviled yet sought to take advantage of the practice whilst allegations of treachery came to dominate the internal politics of royalists and parliamentarians alike The language applied to turncoats and renegades in contemporary print is discussed and contrasted with the self justifications of the side changers themselves as they sought to shape an honourable self image for their families and posterity Andrew Hopper investigates the implementation of military justice along with the theatre of retribution surrounding the trial and execution of turncoats He concludes by arguing that far from side changing being the dubious practice of a handful of aberrant individuals it became a necessary survival strategy for thousands as they navigated their way through such rapidly changing events He reveals how side changing shaped the course of the English Revolution even contributing to the regicide itself and remained an important political legacy to the English speaking peoples thereafter

The Civil Wars After 1660 Matthew Neufeld, 2013 Drawing upon the interdisciplinary field of social memory studies this book opens up new vistas on the historical and political culture of early modern England This book examines the conflicting ways in which the civil wars and Interregnum were remembered constructed and represented in seventeenth and eighteenth century England It argues that during the late Stuart period public remembering of the English civil wars and Interregnum was not concerned with re fighting the old struggle but rather with commending and justifying or contesting and attacking the Restoration settlements After the return of King Charles II the political nation had to address the question of remembering and forgetting the recent conflict The answer was to construct a polity grounded on remembering and scapegoating puritan politics and piety The proscription of the puritan impulse enacted by the Restoration settlements was supported by a public memory of the 1640s and 1650s which was used to show that Dissenters could not and should not be trusted with power Drawing upon the interdisciplinary field of social memory studies this book offers a new perspective on the historical and political cultures of early modern England and will be of significant interest to social cultural and political historians as well as scholars working in memory studies Matthew Neufeld is Lecturer in early modern British history at the University of Saskatchewan Canada

Home Divisions Thomas Cogswell, 1998 Taking a fresh approach this study stresses the destabilising effect of Whitehall's demands for power and money which increased rapidly in the quarter century before 1642 These national demands had a profound impact on the county for they permitted an impoverished magnate to maintain his family's traditional grip over the local administration and to halt his own descent into bankruptcy The careful calibration of the burden of the state on the local community illustrates the surprising vitality of the early Stuart regime and the political origins of the Civil War

The Oxford Handbook of the English Revolution Michael J. Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader

context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

Soldiers and Strangers Mark Stoye, 2005-01-01 The Civil War fought between Charles I and his Parliament is one of the most momentous conflicts in English history This book provides a wholly new perspective by revealing the extent to which the struggle possessed an ethnic dimension and the impact of that on the forging of English national identity Stoye reveals the acute fear of foreign invasion that gripped England after 1640 when the insular English were placed on the brink of what they perceived as a national emergency Stoye sets the creation of the New Model Army within that context arguing that its appearance represented the culmination of a campaign by Oliver Cromwell and others to forge a purely English military instrument one purged of the foreign soldiers who had been so prominent in earlier Parliamentary armies This self consciously English army eventually succeeded in wresting back control of the kingdom by defeating the king's forces re conquering Cornwall and Wales and expelling all foreign agents

A Companion to the Reformation World R. Po-chia Hsia, 2008-04-15 This volume brings together 29 new essays by leading international scholars to provide an inclusive overview of recent work in Reformation history Presents Catholic Renewal as a continuum of the Protestant Reformation Examines Reformation in Eastern and Western Europe Asia and the Americas Takes a broad inclusive approach covering both traditional topics and cutting edge areas of debate

Understanding Popular Violence in the English Revolution John Walter, 1999-06-10 This is a critical re evaluation of one of the best known episodes of crowd action in the English Revolution in which crowds in their thousands invaded and plundered the houses of the landed classes The so called Stour Valley riots have become accepted as the paradigm of class hostility determining plebeian behaviour within the Revolution An exercise in micro history the book questions this dominant reading by trying to understand the inter related contexts of local responses to the political and religious counter revolution of the 1630s and the confessional politics of the early 1640s It explains both the outbreak of popular violence and its ultimate containment in terms of a popular and parliamentary political culture that legitimised attacks on the political but not the social order The book also advances a series of general arguments for reading crowd actions and questions how the history of the English Revolution has been written

If you ally habit such a referred **Loyalty And Locality Popular Allegiance In Devon During The English Civil War** book that will find the money for you worth, acquire the definitely best seller from us currently from several preferred authors. Loyalty And Locality Popular Allegiance In Devon During The English Civil War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Loyalty And Locality Popular Allegiance In Devon During The English Civil War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Loyalty And Locality Popular Allegiance In Devon During The English Civil War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Loyalty And Locality Popular Allegiance In Devon During The English Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Loyalty And Locality Popular Allegiance In Devon During The English Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loyalty And Locality Popular
