Luck In The Head:

The Luck in the Head Michael John Harrison, Ian Miller, 1991 *The Luck in the Head* M. John Harrison, Ian Miller, 1993
This eerie and visually arresting tale is set in the grotesque city of Uroconium where Ardwick Crome dreams of a strange ritual from his childhood. The women of his village pursue a lamb to eat a pie made from its head; this is considered good luck. But in his dream, the living animal itself is offered to Ardwick Crome, and the gift's significance makes it too dangerous to accept.

A Dictionary of the Kalispel Or Flat-head Indian Language Joseph Giorda, 1879. This rare dictionary was begun by Gregory Mengarini S J in the 1840s. *How Much Does Your Head Weigh?* Marg Meikle, 2010-08. Former CBC Radio host Marg Meikle's three humorous but fact-filled books *You Asked for It*, *Funny You Should Ask*, and *Ask Me Anything* are now available in an omnibus bindup at a sensational price. The award-winning books are included in their entirety along with over 140 illustrations. Here are the answers to all the questions that hundreds of kids asked her; questions that would likely stump most adults. Half the fun of reading the answers is the off-on-a-tangent with more facts approach that Marg is famous for using. Among the hundreds of trivia questions answered are: Why is 13 unlucky? Why don't tattoos come off? Do twins have the same DNA? Why is it called a funny bone? What did we use before toilet paper? Do animals dream? Why can't you tickle yourself? Over 300 wacky but informative answers fill the pages, grouped under themes of Customs, Holidays, Superstitions, Food, The Opposite Sex, and more. **Current Superstitions** Fanny Dickerson Bergen, William Wells Newell, 1896 **Luck's Wild** G. Russell Peterman, 2013-02. The Collin Dymond story covers 1857 to 1865. Collin Dymond follows his father out to the gold fields and settles in Nevada. When the Civil War starts, Collin returns to enlist in the Second Kansas, which later becomes a Cavalry unit. Collin fights in the Battle of Wilson's Creek and, through years of war in Missouri, Oklahoma, and Arkansas, rising in rank from private to Captain. Late in the war, Collin is wounded, released, and returns to Nevada. *Head Over Wheels* Leonie Mack, 2025-06-19. The amount of tension and chemistry between Lori and Seb was nearly burning right off the pages; this book has everything sports romance lovers want. Ally Wiegand, author of *First Base Love*, is an endurance sport. Recovering from a bad crash and a broken heart, Australian road cycling star Lori Gallagher gets back into training with the help of a coaching app and an anonymous training partner she knows only by his avatar and his voice. But with her career dependent on regaining her fighting spirit, she ditches her online friend to focus on the road. Then she hears his voice on her team training camp. Bastien Franck is stunned to discover his goofy training partner is Top Gun Gallagher, the most ruthless rider in the women's peloton. She's already ghosted him online, and with his career on its last legs, he's sure she won't want anything to do with him. But Seb and Lori's online chemistry transfers seamlessly into real life, and they sleep together, a no-strings opportunity to get it out of their systems before the start of the season. Yet Lori's year begins with disaster while Seb finds the best form of his career. As the Tour de France approaches, Seb expects himself to crack and let his team down. Lori is torn between family loyalty to her brother and her feelings for Seb, not to mention the complex dynamics of a sport where

teamwork and individual achievement are sometimes at odds Now she faces the mental fight of her life how much is she willing to sacrifice for love or to win

Rustic Speech and Folk-Lore Elizabeth Mary Wright,2014-12-21 Example in this ebook Under the heading of The Varieties of English Speech an article of mine appeared in The Quarterly Review of July 1907 The favourable reception accorded to it at the time prompted me to embark forthwith on a larger work dealing with the same subject Many books both scientific and popular have been written concerning dialect speech and lore but nearly all of them are special investigations

of some particular dialect I have taken a bolder flight than this I have not given a detailed account of any one dialect but I have surveyed them all and have gathered words phrases names superstitions and popular customs here and there wherever I found something that appealed to me and that I felt would appeal to others as well as myself It was impossible to make any one category exhaustive for such was the mass of material open to me for selection I might say I was fairly betwattled and baffounded The only thing to be done was to make my selections fairly representative of the whole My aim in dealing with the linguistic side of my subject has been to show that rules for pronunciation and syntax are not the monopoly of educated people who have been taught to preach as well as practise them Dialect speaking people obey sound laws and grammatical rules even more faithfully than we do because theirs is a natural and unconscious obedience Some writers of literary English seem to enjoy flinging jibes at dialect on the assumption that any deviation from the standard speech must be due to ignorance if not to vulgarity besides Since I wrote the last chapter of this book I read in a criticism of Stanley Houghton's Play Trust the People this sentence describing the Lancashire father an old mill hand and the homely mother to match They are both drawn you feel to the life and talk with ease not to say gusto that curious lingo which seems to an outsider mainly distinguished by its contemptuous neglect of the definite article The Times Friday Feb 7 1913 Now the definite article in north west Lancashire is t in the south west and south t or th and in mid and south east Lancashire th When this t stands before a consonant and more especially before a dental such as t d it is not by any means easy for the uninitiated to detect the difference in sound between the simple word and the same word preceded by the article between for example table and t table or dog and t dog But this is not contemptuous neglect on the part of the Lancastrian It would be nearer the mark to say that the Lancashire dialect is characterized by its retention of a form of the definite article very difficult to pronounce in certain combinations Further I have endeavoured to show by means of numerous illustrations how full the dialects are of words and phrases remarkable not only for their force and clearness but often also for their subtle beauty that satisfying beauty of the thing exactly fitted to its purpose I have also drawn up lists showing the numbers of old words and phrases once common in English literature still existing in the dialects Occasionally writers of modern verse seek to restore some of the words of this type to their former position in literary English thereby causing the reviewer to stumble dreadfully though he thinketh he standeth I quote the following from a literary periodical dated May 2 1913 He debates if he shall make a nest within a reedy brake or failing this delectable situation offers himself a quaint alternative Or I shall see with quiet eye The dappled paddock loping by We had always supposed in our ignorance that paddock was a term applied to green fields or pastures How Mr could have seen a paddock lope we do not know and perhaps it would not be kind to ask him to explain To be continue in this ebook **Liberty** Stephen Coonts, 2003-02-18 From a murder in a Washington suburb to a brutal chase in a Cairo cemetery to the decks of a freighter that disappears into the mists Liberty is pure Stephen Coonts a story that could be tomorrow's chilling headline **Memoirs of the American Folk-lore Society**, 1899 **Folk-lore from Adams**

county, Illinois H. Middleton, Folk-lore of the Musquakie Indians of North America and Catalogue of Musquakie Beadwork and Other Objects in the Collection of the Folk-lore Society Mary Alicia Owen, Folklore Society (Great Britain), 1904

The Golden Bough James George Frazer, 1913 Frazer's series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought
