Lucrative targets : the U.S. Air Force in the Kuwaiti Theater of Operations , Lucrative Targets: The U.S. Air Force in the Kuwaiti Theater of Operations ,2001 During the late 1970s the United States began revitalizing its Air Force and other military services By the close of the 1980s America had built a force structure that stood ready for a test that very fortunately it never had to meet a major war in Europe The United States faced this dangerous possibility for more than 40 years until in 1989 the Soviet Union abruptly collapsed Americans were still sorting out the implications of this sudden change in world affairs in August 1990 when Iraq invaded Kuwait and precipitated a crisis that led to the military conflict in the Persian Gulf The U S Air Force found itself at war although not the one it had prepared for against the Warsaw Pact powers but one against Saddam Hussein s heavily armed regime This monograph is one in a series of five works dealing with various aspects of the Air Force s participation in Desert Shield and Desert Storm In two other volumes William T Y Blood details the Air Force s deployment to the Gulf in a third Diane T Putney analyzes the planning of the air campaign and in a fourth Richard G Davis discusses the air operations against targets in Iraq As this monograph goes to press during the spring of 2001 the Air Force is passing through a dynamic period of reorganization and change The era when a large U S Air Force defended the United States against a single preeminent threat Soviet aggression has ended During the years ahead a smaller Air Force will support the interests of the nation under diverse circumstances around the globe While the U S Air Force continues to ensure that the United States has a global reach and can project global power the service will greatly benefit from the lessons it learned during Desert Shield and Desert Storm Lucrative Targets Perry D. Air Force,2015-02-24 In early August 1990 Iraq attacked Kuwait its small neighbor to the south with overwhelming forces U S Army General H Norman Schwarzkopf Commander in Chief United States Central Command USCENTCOM later recalledhow the sudden Iraqi mobilization during late July had misled some U S military leaders Iraq had used the desert near Basra for training before he explained and at first we thought this might be merely another exercise But by the end of July the Iraqis were no longer confined to the exercise area they had fanned out southeast

and southwest of Basra and pointed themselves toward the Kuwaiti border On August 2 heavy units of the Republican Guard Forces Command plunged across that frontier leading a brutally swift assault These elite troops quickly overran Kuwait seized Kuwait City and on the second day of the invasion moved rapidly toward the Saudi Arabian border By August 6 elements of eleven divisions were either in or entering the small kingdom south of Iraq These powerful forces firmly occupied Kuwait and stood poised to invade Saudi Arabia
