Lauren Gardner

Lucretia Mott:

Lucretia Mott Dorothy Sterling, 1999 A biography of the senior founder of the Women's Rights Movement published for the 150th anniversary of the Women's Rights Convention Selected Letters of Lucretia Coffin Mott Lucretia Mott, 2002 This landmark volume makes widely available for the first time the correspondence of the Quaker activist Lucretia Coffin Mott. Scrupulously reproduced and annotated, these letters illustrate the length and breadth of her public life as a leading reformer while providing an intimate glimpse of her family life. Dedicated to reform of almost every kind: temperance, peace, equal rights, woman suffrage, nonresistance, and the abolition of slavery, Mott viewed woman's rights as only one element of a broad-based reform agenda for American society. A founder and leader of many antislavery organizations, including the racially integrated American Antislavery Society and the Philadelphia Female Anti-Slavery Society, she housed fugitive slaves, maintained lifelong friendships with such African American colleagues as Harriet Tubman and Sojourner Truth, and agitated to bring her fellow Quakers into consensus on taking a stand against slavery. Mott was a seasoned activist by 1848 when she helped to organize the Seneca Falls Woman's Rights Convention, whose resolutions called for equal treatment of women in all arenas. Mott tried to pursue a neutral course when her friends Elizabeth Cady Stanton and Susan B. Anthony disagreed with other woman's rights leaders over the Fifteenth Amendment, which guaranteed equal rights for freedmen but not for any women. Her private views on this breach within the woman's movement emerge for the first time in these letters. An active public life, however, is only half the story of this dedicated and energetic woman. Mott and her husband, of fifty-six years, James, raised five children to adulthood, and her letters to other reformers and fellow Quakers are interspersed with the informal, hurried scraps she wrote to and about her cherished family. An invaluable resource on an extraordinary woman, these selected letters reveal the incisive mind, clear sense of mission, and level-headed personality that made Lucretia Coffin Mott a natural leader and a major force in nineteenth-century American life **Lucretia Mott, Her Complete Speeches and Sermons** Lucretia Mott, 1980 This volume presents the 49 speeches and sermons given by Lucretia Mott, a fore-runner of the modern women's rights movement, abolitionist, influential social reformer, and peace activist **Lucretia Mott** Katie Marsico, 2008 This book tells the life story of Lucretia Mott, who dedicated her life to the abolition of slavery, the advancement of women's rights, and the concepts of nonresistance and equality Lucretia Mott Otelia Cromwell, 1971 The Greatest American Woman, Lucretia Mott Lloyd Custer Mayhew Hare, 1937 **James and Lucretia Mott** Anna Davis Hallowell, 1890

The Religious World of Antislavery Women Anna M. Speicher,2000-02-01 Nineteenth century women reformers such as the

radical abolitionists have frequently been seen as having abandoned the constraints of religion in order to pursue their personal and political goals. The subjects of this book, Angelina Grimké, Sarah Grimké, Sallie Holley, Abby Kelley, and Lucretia Mott, did indeed reject what they found to be the repressive features of the Christianity of their day. Their religiosity, however, remained fundamental to their world view. In this book, Anna M. Speicher explores the dimensions of this evolving faith, which was critical in shaping their decisions and actions throughout their lives.

Early Feminist Pioneers, Their Lives, and Their Reform Efforts Satish Sharma, 2020-12-24

Early feminist pioneers contributed much to the functioning and reform of society, including making women's status and privileges equal to those of men. However, we still do not know enough about their efforts, strategies, sacrifices, and attainments. As such, through a focus on the lives and contributions of eight early female pioneers of England and America from the seventeenth century to the early twentieth century, this book helps to fill this gap. Among these women were religious and educational reformers, political activists, social advocates, abolitionists, feminists, community organizers, pacifists, internationalists, and historians. These women noticed many injustices done to their kind by men and society over the centuries and took brave actions at great personal costs to provide remedies. Their respective backgrounds and interests were different, but all of them desired more protection and the welfare of vulnerable populations nationally and internationally. This book will be of interest to scholars and students in many fields and can also be adopted as a textbook in colleges and universities.
