

The background of the entire image is a photograph of a sunset over the ocean. The sun is a bright, glowing orb in the upper right quadrant, partially obscured by thin, wispy clouds. Its light reflects as a shimmering path across the dark, choppy water. In the lower left foreground, the dark silhouette of a person stands on a rocky shore, looking out at the sea. The sky transitions from a deep blue at the top to a warm orange and yellow near the horizon.

B. Phillips, 2012-06-13 J B Phillips best known hitherto for his widely acclaimed translation of the New Testament has in this series of short plays about the life of Christ preserved the same direct speech and simple dignified language that so distinguish his translation The series starts with the first public appearance of the boy Jesus when he talks to the elders in the temple and ends with a moving reconstruction of the crucifixion as witnessed by the soldiers by Nicodemus and bystanders Written at the invitation of the BBC in England for their Schools Programme these plays will be welcomed in book form by parents and children as well as teachers Schools churches clubs and other groups will find them admirably suited to simple dramatization of some of the events in the life of the Man called Jesus They will be especially satisfying to the individual reader who will find that this imaginative approach sheds new light upon familiar stories Turn to Canon Phillips helpful introduction for his interesting comments on the writing of the plays *Show Me This Man Called Jesus* Jean Preston, 2017-02-22 This book will kick up a lot of religious dust in all of us It s what we do when the dust settles and our eyes are opened that will determine where we go from here It is only when we see Him that we see our destiny We must not get offended with the truth The truth is the only thing that will set us free The enemy is behind offenses as he does not want us to reach our destiny Each one of us has a marvelous unique destiny marked out by the price Christ paid for it Hebrews 12 1b puts it simply Let us lay aside every weight and sin which does so easily beset us and let us run with patience the race that is set before us We would all agree that the church has a message for the world but would we all agree that the world has a message for the church They most assuredly do Their cries identify the reason Christ came to earth as a man and became the sacrifice for those cries For every cry there is a provision in His sacrifice Has the church in general disclosed the real Christ and His sacrifice that brings wholeness and purpose for all people regardless of denomination race and

Kingsland,1903 *The Man Called Jesus (Classic Reprint)* John P. Kingsland,2017-07-11 Excerpt from The Man Called Jesus IT is a matter of prime importance that the Christian should gain as true and deep an insight as he possibly can into the Character of Him whom he professes to adore and serve The goal of the Christian life is the attainment of Christlikeness But if we are to try to be like Christ we must know what He was like Nay further if we are to gain a true knowledge of God we must learn to know Him through the Man who alone fully declares Him We apprehend the Character of God truly only to the extent to which we have apprehended the Character of Jesus Christ But though the witness of the Gospels has been before the world for eighteen centuries it will hardly be seriously questioned by any thoughtful mind that we are still very far indeed from a true and thorough apprehension of Him whose life and teaching they so simply and graphically record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Man Called Jesus** PASTOR (DR.) careful attention to their literary design and present a theologically perceptive exposition of the text **Lenten Reflections** Milton E. Lopes, 2014-10-03 This book is written for those among us who have weathered life's storms yet sense a nagging emptiness in their spiritual well-being. *Lenten Reflections: From the Desert to the Resurrection* is written for those of us who want to be more spiritual. It is divided into four parts. Part One sets the framework for a treatment of the study of our salvation. It is devoted to the historical roots of Lent, its purpose and its theology. To that end, this section also provides the reader with an overview of the creation story, a discussion of evil and sin, and a summary of the Trinity and the incarnation. Part Two sets the stage for an initial reflection on Lent, while Part Three introduces the disciplines needed to successfully pass through the desert to spiritual wholeness. Four seminal questions are posed: Where are we? What are we? Who are we? Why are we? Answers to these questions set the stage for what many spiritual masters call the purgative way, in which the Twelve Step Program of Alcoholics Anonymous is suggested as a framework to one's first steps into spiritual wholeness. At some point in their spiritual journey, the reader moves into what these same spiritual masters call the illuminative and unitive ways. Part Four is entitled *The Agony and Exultation*. Here we join Jesus on the road to Calvary, where he is crucified. We know a mysterious joy as he rises from the tomb. We end our reflections with his departure from his disciples, the coming of the Paraclete, and a new understanding of the meaning behind Jesus' sacrifice and life on earth. **The Complete Poetical Works of Longfellow** Henry Wadsworth Longfellow, 1922 Synopsis This book ambitiously brings together all Longfellow's poems into a single volume. As well as his justly famous works such as *Hiawatha*, *The Wreck of the Hesperus*, and *Evangeline*, there is much else here to delight the reader, such as his many short poems, translations, and verse dramas. The New Oxford Annotated Bible Carol Newsom, Marc Brettler, Pheme Perkins, 2018 Presents the complete text of the New Revised Standard Version Bible and features annotations in a single column across the page bottom, in-text background essays on the major divisions of the biblical text, and other reference tools. *John the Theologian and his Paschal Gospel* John Behr, 2019-03-20 This study brings three different kinds of readers of the Gospel of John together with the theological goal of understanding what is meant by Incarnation and how it relates to Pascha, the Passion of Christ, how this is conceived of as revelation, and how we speak of it. The first group of readers are the Christian writers from the early centuries, some of whom, such as Irenaeus of Lyons, stood in direct continuity through Polycarp of Smyrna with John himself. In exploring these writers, John Behr offers a glimpse of the figure of John and the celebration of Pascha, which held to have started with him. The second group of readers are modern scriptural scholars from whom we learn of the apocalyptic dimensions of John's Gospel and the way in which it presents the life of Christ in terms of the Temple and its feasts. With Christ's own body finally erected on the Cross, being the true Temple in an offering of love rather than a sacrifice for sin. An offering in which Jesus becomes the flesh he offers for consumption, the bread which descends from heaven, so that incarnation is not an event, now in the past, but the embodiment of God in those who follow Christ in the present. The third reader is Michel Henry, a French Phenomenologist.

whose reading of John opens up further surprising dimensions of this Gospel which yet align with those uncovered in the first parts of this work This thought provoking work brings these threads together to reflect on the nature and task of Christian theology
