Naked Is the Best Disguise Samuel Rosenberg,1988-09-01 **The Secret Marriage of Sherlock Holmes and Other Eccentric Readings** Michael Atkinson,2009-10-27 The Secret Marriage of Sherlock Holmes is about reading a process that we take for granted But Sherlock Holmes the cultural icon to whose exploits Michael Atkinson gives new readings became famous by taking nothing for granted Holmes s adventures can be read in new ways including ways that he himself would have found startling but which can give contemporary readers satisfaction In clear accessible prose that will engage specialists and lay readers alike Atkinson engages in a series of flirtations with nine of Arthur Conan Doyle s favorite detective fictions using the tools of modern literary theory from depth psychology to deconstruction Bluebeard the kundalini serpent and Conan Doyle s mother pop up alongside Jung Nietzsche and Derrida as guides to new understandings of these classic stories Just as Holmes uses treatises on tobacco ash and tattoos to give fresh readings to puzzling facts Atkinson employs widely different critical strategies to unravel the mysteries of reading itself What a delightful book This is surely the most interesting writing you will ever read about Sherlock Holmes but it is much more Michael Atkinson gives us literary criticism at its best the sheer fun of watching a bold and imaginative reader breathe into well loved but well worn fictions new and enchanting life Atkinson s mind races as nimbly as Holmes s own and he makes the stories our hansom cab through human nature itself A tour de force Norman N Holland author of Murder in a Dephi Seminar A book that speaks directly to readers Atkinson sees far beneath the surface of the Sherlock stories to provide fascinating commentary Cincinnati Post Atkinson demonstrates a love and knowledge of the Holmes stories I would recommend The Secret Marriage of Sherlock Holmes enthusiastically to any lover of the Canon who is prepared to have their perceptions widened Mystery Writers of America Michael Atkinson is Professor of English and Comparative Literature University of Cincinnati *Sherlock Holmes - The Hero With a Thousand Faces: Volume 1* David MacGregor,2022-06-07 Sherlock Holmes The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle s famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn t trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world s first consulting detective an amateur reasoner of

some repute by the name of Sherlock Holmes who shot to fame in the pages of The Strand Magazine in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late 1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by storm in the late 1920s there were a numbers of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone *Historical Dictionary of Sherlock Holmes* Neil McCaw,2019-11-05 Historical Dictionary of Sherlock Holmes contains a variety of information about Arthur Conan Doyle s Sherlock Holmes stories as both narratives and also cultural phenomena The volume will help readers look deeper into those stories and the meanings of the various reference points within them as well as achieving a deeper understanding of the range of contexts of Holmes Conan Doyle and detective fiction as a genre This book examines the broad global Sherlock Holmes phenomenon related to the ways in which the stories have been adapted into a range of other media as well as the cultural status of Holmes all over the world Historical Dictionary of Sherlock Holmes contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries that contain detailed examinations of the themes and features of the 60 stories that make up the Sherlock Holmes canon This book is an excellent resource for students researchers and anyone wanting to know more about Arthur Conan Doyle s Sherlock Holmes stories

The Criminal World of Sherlock Holmes - Volume Two Kelvin Jones,2023-01-05 A shocking account of the savage world in which Sherlock Holmes operated The crimes of The Ripper Conan Doyle s knowledge of the killer s identity the methods employed by criminals and of their pursuers the harrowing truth about Holmes drug abuse and of his gang of street arabs the long lost crime monographs by the Baker Street sleuth and much more this book tells the true story of Holmes gas lit and sinister criminal world Victorian society was violent exploitive footpads and garroters stalked the streets of the City beggars were rife Kelvin is the author of many books about Holmes the definitive biography of Doyle as a spiritualist the 3 volume edition of the author s spiritualist writings A distinguished life member of the Sherlock Holmes Society of London he has published contemporary crime novels and poetry and is a member of the Crime Writers Association The almost legendary Mr Jones Roger Johnson commissioning ed of The Sherlock Holmes Journal Kelvin Jones takes the reader into Victorian England

Through a Glass, Darkly Stefan Bechtel, Laurence Roy Stains, 2017-06-13 2018 ASJA Award Winner in the Biography History Category Is it possible to make direct contact with the dead Do the departed seek to make contact with us The conviction that both things are true was the cornerstone of spiritualism a kind of do it yourself religion that swept the Western world from the 1850s to the 1930s Prominent artists and poets prime ministers and scientists all joined hands around the séance table But the movement's most famous spokesman by far was Sir Arthur Conan Doyle whose public quarrels with Houdini over the truth of spiritualism made headlines across the country Known to the world as the creator of Sherlock Holmes Conan Doyle had undergone what many considered an enigmatic transformation turning his back on the hyper rational Holmes and plunging into the supernatural What was it that convinced a brilliant man the creator of the great exemplar of cold objective thought that there was a reality beyond reality Though most modern sources make Conan Doyle out to be a kindly but credulous old fool and though the spiritualist era was rife with fraud Stefan Bechtel and Laurence Roy Stains take a closer look They reexamine the old records of trance mediums and séances and they discover that what Conan Doyle and his colleagues uncovered is as difficult to dismiss now as it was then Sherlock Holmes and Philosophy Josef Steiff, 2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don't He sees the world in a different way and by so doing allows us to see that same world and human behavior in different ways as well Oh sure there have been countless detectives who have followed in his footsteps and who seem to rival his abilities Just turn on the TV or browse the local bookshop and you'll find idiosyncratic super sleuths using forensics and reasoning to solve a whole host of crimes and misdeeds And yet no one rivals our dear dear Holmes Why does Sherlock reign even more than a century later as king Can this mystery be solved Unable to reach either Holmes or Watson or Doyle for that matter though we've tried every medium we can think of we've been forced to gather our own team of investigators to practice their powers of observation and perception to apply their own reasoning and methodologies to the task at hand The results I fear have led us to a number of cases that must be solved first Is Holmes simply eccentric or a sociopath Is he human or something from the holodeck Is he as dangerous on the page as he is in person Wait does he even exist For that matter do you I fear several investigators have been forced to take a much needed holiday after wrestling with that one What is the source of his faculty of observation and facility for deduction Systematic training as Watson surmises Genetic Or is he just really lucky And is this whole logic thing compatible with emotions Are Holmes and Watson good friends or soul mates Just what is the nature of friendship Do they complete each other or just get on each other's nerves And why all the secrecy Disguises Deceptions The plot thickens What is the essence of consciousness Is the observable world subject to our intentions Why does Holmes debunk mysticism when Doyle so readily embraces it Why is Holmes our favorite drug user Our notebooks are filled with clues and dare I say answers Is there more than one way to define the concept justice Is hope necessary in the world Is

boredom Play Can any thing really be understood Objectively And just what is the last unresolved mystery involving Sherlock Holmes The game that s afoot isn t just the thing being pursued but the fun to be had as well **Sherlock Holmes and Conan Doyle** S. Vanacker,C. Wynne,2012-11-12 Sherlock Holmes is an iconic figure within cultural narratives More recently Conan Doyle has also appeared as a fictional figure in contemporary novels and films confusing the boundaries between fiction and reality This collection investigates how Holmes and Doyle have gripped the public imagination to become central figures of modernity The Critical Reception of Sir Arthur Conan Doyle Laurence W. Mazzeno,2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history **The Doctor and the Detective** Martin Booth,2013-05-10 A biography attempts to separate the life of the Edinburgh doctor from his fictional consulting detective from London This entertaining smart biography of Arthur Conan Doyle presents a modern day interpretation of the man who contrary to his best efforts will always be known as the creator of the great detective Sherlock Holmes Doyle was however much more as Booth shows us in this intriguing study of a man who thrived on the times in which he lived While Holmes fans will be captivated by the various tidbits that offer insight into their hero s creation others will be fascinated by this living embodiment of the Victorian masculine ideal Praise for The Doctor and the Detective If we wish to find our way to the essential man we need look no further than this work P D James bestselling author of A Certain Justice An attractive and well written introduction to Conan Doyle s body of work Library Journal Readers who think of Conan Doyle only as the man who created Sherlock Holmes will be surprised and perhaps even shocked by this comprehensive and fascinating biography Booklist H. P. Lovecraft's Dark Arcadia Gavin Callaghan,2013-06-11 This volume attempts an objective reassessment of

the controversial works and life of American horror writer H P Lovecraft Ignoring secondary accounts and various received truths Gavin Callaghan goes back to the weird texts themselves and follows where Lovecraft leads him into an arcane world of parental gigantism and inverted classicism in which Lovecraft's parental obsessions were twisted into the all powerful cosmic monsters of his imaginary cosmology **The Armchair Detective**, 1980 *The Colonial Conan Doyle* Catherine Wynne, 2002-07-30 Arthur Conan Doyle is often perceived as the quintessential Englishman patriotically devoted to the Crown and the empire's defender and apologist But such a relegation is both limiting and simplistic Born in Scotland to Irish Catholic parents Doyle's heritage is complex His paternal grandfather John Doyle had originally left Ireland for London in the early 19th century his father was committed to the cause of Irish separatism and his uncle resigned from his position as main cartoonist for *Punch* after the journal launched an attack on the Pope Consequently British imperialism Irish nationalism and Catholic allegiance converge uneasily in his works This book examines the resulting tensions between imperialism and colonialism in his writings It argues that his thematic obsessions with topography race psyche and sexuality stem from his ambivalence toward his own heritage The volume repositions Doyle and redresses current critical approaches that have seen him solely as the advocate of empire and have ignored his colonial background It explores how his fictions occur within a colonial context the complexity of which is evident in gothic tropes of shifting landscapes disguised criminalities spiritualism and sexual anomalies and conflicts *The Sir Arthur Conan Doyle Reader* Arthur Conan Doyle, 2002-04-08 This is the first and only reader to encompass the eclectic range representing the complete body of work of Sir Arthur Conan Doyle 1859 1930 Sherlock Holmes tales horror stories nonfiction reporting and in its entirety the apocalyptic novel *The Poison Belt*

In Bed With Sherlock Holmes Christopher Redmond, 2002-10-02 *In Bed with Sherlock Holmes* provides a witty and well researched discussion of the sexual elements in the Sherlock Holmes stories and in Conan Doyle's own life An expert commentator on all things Victorian Doyle also reflects that period's attitudes toward sex and erotic love This commentary will make the Sherlock Holmes stories even more interesting and intriguing since Redmond uses published and unpublished articles books and letters as well as quotes from speeches given at meetings to enliven the text and give a broad out look to this unusual assessment of Doyle's best known stories Each chapter opens with one of the original Sidney Paget illustrations Bibliography Index Sir Arthur Conan Doyle at the Cinema Scott Allen Nollen, 2004-12-10 In February 1903 a 30 second film titled *Sherlock Holmes Baffled* was released by American Mutoscope and Biograph Company the first known adaptation of the work of Sir Arthur Conan Doyle Over the years hundreds of adaptation and parodies of Conan Doyle's works have been released Though he is most closely associated with Sherlock Holmes other Conan Doyle works have found their way to the silver screen including the science fiction classic *The Lost World* 1925 The major adaptations of all of Conan Doyle's literary works are fully covered here plus a 1927 one reel documentary in which the author talks about his work and his psychic beliefs The focus is on how faithful the adaptations are to the author's work and the overall effectiveness of each film

Oscar Wilde as a Character in Victorian Fiction A. Kingston, 2007-12-25 This book documents how Oscar Wilde was appropriated as a fictional character by no less than thirty two of his contemporaries including such celebrated writers as Joseph Conrad Arthur Conan Doyle Henry James George Bernard Shaw and Bram Stoker Sherlockian Musings Sheldon Goldfarb, 2020-04-02 Is Sherlock Holmes really as rational as he seems He talks about the importance of reasoning and logic but why then does he sometimes seem like a strange Buddha On the other hand why in *The Sign of the Four* does Watson smash a Buddha What is going on in *The Sign of the Four* that strange tale of Empire What is going on in all the original sixty stories in the canon In this study of the stories Sheldon Goldfarb explores questions like these from the significance of the eggs in *Thor Bridge* to the reason Watson keeps leaving Holmes for an insubstantial wife What meanings lurk beneath the surface of these detective stories Why is there an obsession with Napoleon in this story or an article on free trade in this other Can we find answers to these questions Perhaps In any case in this collection of essays or *Musings* on each of the 60 stories Dr Goldfarb an award nominated mystery writer himself and the holder of a PhD in English literature light heartedly tries out a variety of perspectives allowing readers to come to their own conclusions about such matters as the nature of the angel in *A Case of Identity* or the reason Holmes abandons his magnifying glass for binoculars in *Silver Blaze* Who brings binoculars to a horse race Indeed
