Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **The Mistresses of Cliveden** Natalie Livingstone,2016-06-14 For fans of Downton Abbey comes an immersive historical epic about a lavish English manor and a dynasty of rich and powerful women who ruled the estate over three centuries of misbehavior scandal intrigue and passion Five miles from Windsor Castle home of the royal family sits the Cliveden estate Overlooking the Thames the mansion is flanked by two wings and surrounded by lavish gardens Throughout its storied history Cliveden has been a setting for misbehavior intrigue and passion from its salacious deadly beginnings in the seventeenth century to the 1960s Profumo Affair the sex scandal that toppled the British government Now in this immersive chronicle the manor s current mistress Natalie Livingstone opens the doors to this prominent house and lets the walls do the talking Built during the reign of Charles II by the Duke of Buckingham Cliveden attracted notoriety as a luxurious retreat in which the duke could conduct his scandalous affair with the ambitious courtesan Anna Maria Countess of Shrewsbury In 1668 Anna Maria s cuckolded husband the Earl of Shrewsbury challenged Buckingham to a duel Buckingham killed Shrewsbury and claimed Anna Maria as his prize making her the first mistress of Cliveden Through the centuries other enigmatic and indomitable women would assume stewardship over the estate including Elizabeth Countess of Orkney and illicit lover of William III who became one of England s wealthiest women Augusta of Saxe Gotha the queen that Britain was promised and then denied Harriet Duchess of Sutherland confidante of Queen Victoria and a glittering society hostess turned political activist and the American born Nancy Astor the first female member of Parliament who described herself as an ardent feminist and welcomed controversy Though their privileges were extraordinary in Livingstone s hands their struggles and sacrifices are universal Cliveden weathered renovation and restoration world conflicts and cold wars societal shifts and technological advances Rich in historical and architectural detail The Mistresses of Cliveden is a tale of sex and power and of the exceptional women who evaded exploited and confronted the expectations of their times Praise for The Mistresses of Cliveden Theatrical festivities political jockeying and court intrigues are deftly described with a verve and attention to domestic comforts that show the author at her best Livingstone s portraits of strenuous and assertive women who resisted subjection sometimes deploying their sexual allure to succeed on other occasions drawing on their husband s wealth are astute spirited and empathetic The Wall Street Journal Missing Downton

Abbey already This tome promises three centuries of scandal power and intrigue and Natalie Livingstone definitely delivers Good Housekeeping Lively The current chatelaine the author herself deserves no small credit for keeping the house s legend alive Any of her action filled chapters would merit a mini series The New York Times Book Review Though the personal tales and tidbits are fascinating and the sensational details of these women s lives will intrigue Downton Abbey devotees the real star of the story is Cliveden Booklist Lovers of modern English history and the scandals that infiltrated upper crust society will find much to enjoy in this work Library Journal The Feet of the Young Men Janitor (pseud. of John Gilbert Lockhart and Mary Lyttelton.),1928 **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1919 Literary Digest ,1919 The Cliveden Set Norman Rose,2011-02-28 Lloyd George once spoke of a very powerful combination in its way the most powerful in the country Its proceedings were invariably conducted at Cliveden the country estate of the fabulously wealthy Nancy and Waldorf Astor Collectively dubbed God s Truth Ltd the group included leading politicians academics writers and newspaper editors Its pedigree impeccable its social standing beyond reproach its persuasive powers permeated the clubs and institutions of London the senior common rooms of Oxbridge colleges the quality press and the great country houses of England Suddenly in the late 1930s the Cliveden Set was catapulted into uncalled for notoriety It had been identified as a cabal that sought to manipulate even determine British foreign policy in order to uphold its narrow class interests It would use any means however devious even negotiate a humiliating dishonourable settlement with Nazi Germany to maintain its privileges those of a decaying ruling class But was the Cliveden Set a traitorous cabal challenging the constitutional structures of British democracy or simply an unstructured think tank of harmless do gooders Norman Rose discerningly probes this fascinating tale brilliantly disentangling fact from fiction and setting this privileged clique in the wider perspective of its times

Queen Bees Siân Evans,2016-09-08 ENORMOUS FUN GUARDIAN SO ENTERTAINING THE TIMES GOSSIPY LIGHT AND FUN TLS Queen Bees looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart Queen Bees is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can

still be felt today **Jack Kennedy** Barbara Leaming, 2012-03-12 An absorbing and enjoyable book New York Times Book Review Drawing on new primary sources this biography is the first to detail the influence of British history literature and culture in particular the ideas of Winston Churchill on America s thirty fifth president For the first time we trace the friendships and forces that led to the White House and shaped Kennedy s actions there In this intimate portrait of a leader torn between politics and principle we finally come to know the man Kennedy wanted to be and to understand his long private struggle to become that man **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1919 Brandeis and Frankfurter Leonard Baker, 1984 ISBN 0060152451 LCCN 8348319 *Agatha Christie's True Crime Inspirations* Mike Holgate, 2011-11-08 Fact proves far stranger than fiction in this collection of real life crimes scandals tragedies and murders which either influenced the works of the world s most popular mystery writer or affected the lives of many famous personalities involved in her long and brilliant career Discover the truth behind many of her books such as how the exploits of Jack the Ripper inspired the serial killings in The ABC Murders and how the plot twist in The Murder of Roger Ackroyd was suggested by Lord Mountbatten This book also reveals how many of her illustrious acquaintances found themselves immersed in episodes so bizarre that they could have been written by Christie herself including how the father of Miss Marple actress Margaret Rutherford committed murder and Poirot actor Peter Ustinov witnessed the assassination of a world leader Agatha Christie s True Crime Inspirations is a fascinating addition to Christie literature focusing on little known parts of this iconic writer s life and career From her early roots in Torquay to her infamous eleven day disappearance no stone is left unturned as the events of her own life are revealed to be every bit as intriguing as her world renowned novels

God's Perfect Child Caroline Fraser, 2024-06-04 From the Pulitzer Prize winning author the most powerful and persuasive attack on Christian Science to have been written in this century Los Angeles Times Book Review Millions of Americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science s remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy She takes us into the closed world of Eddy s followers who refuse to acknowledge the existence of illness and death and reject modern medicine even at the cost of their children s lives She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults A passionate expos of zealotry God s Perfect Child tells one of the most dramatic and little known stories in American religious history A work of

impassioned rationality important and profoundly disturbing Susan Jacoby Newsday New Startling Fraser has an eye and ear for the kind of detail that can help readers make up their own minds about an always controversial American religious expression Martin Marty The Boston Globe Splendid The New York Times *The Secret Society* Robin Brown, 2015-11-01 Cecil John Rhodes made a fortune from diamonds and gold became prime minister of the Cape and had a country named after him but his ambitions were far greater than that When he was still in his twenties after a meeting with General Gordon of Khartoum Rhodes set up a Secret Society with the aim of establishing a new world order The society disciplined on Jesuit style rules became Rhodes's lifelong obsession and after his death it lived on and grew under the leadership of his executor Lord Alfred Milner The society played a key role in the governance of Britain during the Great War and the peace terms to end it and it was linked to appeasement initiatives involving Hitler the Duke of Windsor and Mrs Simpson before World War II Echoes of the Secret Society survive in different guises to this day including the Royal Institute of International Affairs Chatham House and the Rhodes Scholarships In *The Secret Society* Robin Brown unpacks this astonishing and largely unknown history He brings Rhodes his companions and his successors to life by drawing from diaries and letters and sheds new light on Rhodes's homosexuality Ranging from the diamond mines of Kimberley to the halls of power in Westminster and peopled with characters such as General Gordon Leander Starr Jameson W T Stead Olive Schreiner the Princess Radziwill Joseph Chamberlain and David Lloyd George this book is a page turner that will make you see the world both past and present in a different light *Sylvia Pankhurst* Rachel Holmes, 2020-09-17 A wonderful book Holmes sublimely illuminates Sylvia's extraordinary life The Times A masterpiece Vanessa Redgrave _____ Born into one of Britain's most famous activist families Sylvia Pankhurst was a natural rebel A free spirit and radical visionary history placed her in the shadow of her famous mother Emmeline and elder sister Christabel Yet artist Sylvia Pankhurst was the most revolutionary of them all Sylvia found her voice fighting for votes for women imprisoned and tortured in Holloway prison more than any other suffragette But the vote was just the beginning of her lifelong defence of human rights She engaged with political giants warned of fascism in Europe championed the liberation struggles in Africa and India and became an Ethiopian patriot Her intimate life was no less controversial The rupture between Sylvia Emmeline and Christabel became worldwide news while her romantic life drew public speculation and condemnation Rachel Holmes interweaves the personal and political in an extraordinary celebration of a life in resistance painting a compelling portrait of one of the greatest unsung political figures of the twentieth century A monument to an astonishing life Daily Telegraph Best Biographies of 2020 A robust and sensitive biography Sunday Times History Books of the Year A moving powerful biography Guardian **Women of Westminster** Rachel Reeves, 2020-03-05 Foreword by Dame Winifred Mary Beard This updated edition is a complete account of the first 100 years of women in Parliament In 1919 Nancy Astor was elected as the Member of Parliament for Plymouth Sutton becoming the first woman MP to take her seat in the House of Commons Her achievement was all the more remarkable given that women and even then

only some women had only been entitled to vote for just over a year In the past 100 years a total of 491 women have been elected to Parliament Yet it was not until 2016 that the total number of women ever elected surpassed the number of male MPs in a single parliament The achievements of these political pioneers have been remarkable Britain has now had two female Prime Ministers and women MPs have made significant strides in fighting for gender equality from the earliest suffrage campaigns to Barbara Castle s fight for equal pay to Harriet Harman s recent legislation on the gender pay gap Yet the stories of so many women MPs have too often been overlooked in political histories In this book Rachel Reeves brings forgotten MPs out of the shadows and looks at the many battles fought by the Women of Westminster from 1919 to 2019

Four Thousand Lives Clare Ungerson, 2014-03-03 In November 1938 about 30 000 German Jewish men had been taken to concentration camps where they were subject to torture starvation and arbitrary death This book tells the remarkable story of how the grandees of Anglo Jewry persuaded the British Government to allow them to establish a transit camp in Sandwich in East Kent to which up to 4000 men could be brought while they waited for permanent settlement overseas known as the Kitchener camp The whole rescue was funded by the British Jewish community with help from American Jewry Most of the men left their families behind Would they get their families out in time And how would the people of Sandwich a town the same size as the camp react to so many German speaking Jewish foreigners in their midst There a well organized branch of the British Union of Fascists in Sandwich Captain Robert Gordon Canning a virulent anti Semite lived there He and his grand friends from London including the Prince of Wales before the abdication used to meet there to play golf at Royal St George s After the war Canning purchased the bust of Hitler sold at the auction of goods from the German embassy and kept it in his house This background adds to the drama of the race against time to save lives The Kennedys at War Edward J. Renehan, Jr., 2002-05-14 A dramatic fascinating and revisionist narrative detailing how America s first family was changed utterly during World War II First rate history grounded in scholarship and brought to life by a critically acclaimed author From breathless hagiographies to scandal mongering expos s no family has generated more bestselling books than the Kennedys None of them however has focused on the watershed period of World War II when the course of the family and its individual members changed utterly Now in an engaging narrative grounded in impeccable scholarship Edward J Renehan Jr provides a dramatic portrait of years marked by family tensions heartbreaks and heroics It was during this time that tragedy began to haunt the family Joe Jr s death the untimely widowhood of Kathleen a k a Kick Rosemary s lobotomy But it was also the time in which John F Kennedy rose above the strictures of the clan and became his own man In the late 1930s the Kennedys settled in London where Joseph Kennedy Sr was serving as ambassador A virulent anti Semite and isolationist Kennedy relentlessly and ruthlessly fought to keep America out of the war in Europe His behavior as patriarch in many ways mirrored his public style Though he was devoted to the family he was also manipulative and autocratic In re creating the intense and tension filled interactions among the family Renehan offers riveting often revisionist views of Joseph Sr heir apparent Joe Jr

Kick the beautiful socialite and Jack the complex charmer He demonstrates that Joe Jr although much like his father in opinion and character was driven to volunteer for a deadly mission in large part because of his fury at Jack s seemingly easy successes Renehan also delves into why Kick a good Catholic girl chose to abandon her religion for the chance to enter the fairytale world of the British aristocracy only to suffer a horrendous tragedy It is Renehan s reassessment of Jack however that is particularly striking In subtly breaking away from his domineering father over the issue of World War II Renehan argues Jack began to forge the character that would eventually take him to the Oval Office Going behind the familiar and accurate image of JFK as a reckless playboy Renehan shows us a young man of great intelligence moral courage and truly astonishing physical bravery
