Osborne, 2007 Renowned Franciscan theologian Kenan B Osborne brings all three of the holy orders of the church the diaconate the presbyterate and the episcopate into focus through the lens of post Vatican II sacramental and systematic theology Osborne posits that one cannot study the renewed permanent diaconate in the Roman Catholic Church without understanding the renewal of the order of priests and bishops as well This is a guide to grasping the essence of Vatican II as well as the basis for the restoration of the diaconate in the Latin Church BOOK JACKET **A**

National Study on the Permanent Diaconate of the Catholic Church in the United States ,1996-01-01 **The Emerging Diaconate** William T. Ditewig, 2007 Sketches the current state of the permanent diaconate especially in the United States then offers the historical developments which led to the contemporary diaconate and finally suggests a vision of the diaconate for the future always within the matrix of a servant ecclesiology which should characterize the entire Church

Understanding the Diaconate W. Shawn McKnight, 2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element *Understanding the Diaconate* adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass
