Ancient Israel Robert Alter,2013-03-25 Robert Alter s award winning translation of the Hebrew Bible continues with the stirring narrative of Israel s ancient history To read the books of the Former Prophets in this riveting Robert Alter translation is to discover an entertaining amalgam of hair raising action and high literary achievement Samson the vigilante superhero of Judges slaughters thousands of Philistines with the jawbone of a donkey David the Machiavellian prince of Samuel and Kings is one of the great literary figures of antiquity A ruthless monarch David embodies a life in full dimension as it moves from brilliant youth through vigorous prime to failing old age Samson and David play emblematic roles in the rise and fall of ancient Israel a nation beset by internal divisions and external threats A scattering of contentious desert tribes joined by faith in a special covenant with God Israel emerges through the bloody massacres of Canaanite populations recounted in Joshua and the anarchic violence of Judges The resourceful David consolidates national power but it is power rooted in conspiracy and David dies bitterly isolated in his court surrounded by enemies His successor Solomon maintains national unity through his legendary wisdom wealth and grand public vision but after his death Israel succumbs to internal discord and foreign conquest Near its end the saga of ancient Israel returns to the supernatural In Elijah s fiery ascent to heaven many would find the harbinger of a messiah coming to save his people in their time of need

History of the Health Foods Movement Worldwide (1875-2021) William Shurtleff; Akiko Aoyagi,2021-07-31 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 205 photographs and illustrations many color Free of charge in digital PDF format

Strong As Death Is Love ,2015-02-16 A pleasure to read Alter has given fresh life to some of the most beloved books in our heritage Philadelphia Inquirer The Song of Songs Ruth Esther Jonah and Daniel offer readers a range of pleasures not usually associated with the Bible As distant in time from the Five Books of Moses as Updike is from Shakespeare these Late Biblical books are innovative entertaining literary works Women often stand center stage The Song of Songs is a celebration of young love frankly sensuous with no reference to God or covenant It offers some of the most beautiful love poems of the ancient world The story of Queen Esther s

shrewd triumph is also a secular entertainment with clear traces of farce and sly sexual comedy The character of Ruth embodies the virtues of loyalty love and charity in a harmonious world Enigma replaces harmony in Daniel s feverish night dreams The apocalyptic strangeness of Daniel echoes in works from the New Testament s Book of Revelations to the lyrics of Bob Dylan And Jonah the tale of a giant fish who on God s command swallows the prophet and imprisons him in his dark wet innards for three days ends with a question that lingers unanswered leaving the reader to ponder the many limitations of humankind
