Gill Rye, Michael Worton

Nuit Dambre:

French Prose in 2000, 2021-10-18 French Prose in 2000 stems in some important measure from work presented in September 1998 at the International Colloquium on French and Francophone Literature in the 1990 s held at Dalhousie University A good number of papers given at that time and since revisited in the light of exchanges join here certain others specifically written for the purposes of this book Together they constitute a wide ranging and modally varied interrogation of the current state of French and francophone prose writing its multifaceted manners its richly divergent fascinations its many theoretical or philosophical groundings The book thus ceaselessly moves its attention from fictional biography to the roman noir from the writing of Glissant and Chamoiseau to that of the tonnants voyageurs from the powerful discourse of women such as Chawaf or Cond Ernaux or Germain Sallenave or Kristeva to that of writers as diverse in their modes as Le Clézio and Quignard Duras and Renaud Camus All chapters focus however in near exclusive measure on the prose production of the last ten or twelve years

Jeering Dreamers John Anzalone, 1996 The re emergence in recent years of Villiers de l'Isle Adam as a key figure in fin de siècle literature can be attributed in large part to the intense interest his prescient *l'Eve future* 1886 has generated among scholars In effect the novel confronts with breathtaking focus central taboos and ambivalences about the decadent period It posits an inescapable mechanistic linkage between desire and technology it suggests the constructed nature of gender it casts woman down so as to exalt her even as it intimates the arbitrariness and fragility of the empowerment prerogatives implicit in such an operation It is this mine for the study of fin de siècle mentalities that the present volume explores Begun at the 1992 NCFS colloquium at Binghamton University as a collective project of the Friends of Villiers Jeering Dreamers brings together 13 essays by Villiers scholars from both sides of the Atlantic Their work promises in the words of the eminent Villiersien Alan Raitt to *clairer l'Eve future d'un jour nouveau ou plus exactement de plusieurs jours nouveaux*
