Scherr,2011-11-25 *Why Millions Died* reviews the painfully slow development of research by isolated investigators who believed that diseases could be caused by infectious organisms The brutally contentious and vivid arguments that raged between the proponents of the germ theory of disease and those who condemned it from both the scientific community and the pulpits delayed the implementation of vaccines and antimicrobial agents Such delays resulted in millions of deaths until the professional communities and the general public began to believe that certain health measures could protect against infection and reduce the enormous death tolls from disease Preeminent among these workers was an Italian scientist Agostino Bassi who articulated the germ theory of disease following twenty years of research Approximately thirty years later Pasteur repeated Bassi s research in order to gain prestige as the savior of the germ theory of disease Pasteur was also discovered to have committed fraud in claiming he had developed a vaccine for anthrax only to be exposed by the brilliant German microbiologist Robert Koch      [Fatal Army Air Forces Aviation Accidents in the United States, 1941-1945](#) Anthony J. Mireles,2006-05-09 During World War II the air over the continental United States was a virtual third front The little known statistics are alarming the Army Air Forces lost more than 4 500 aircraft in combat against Japanese army and naval air forces in the war During the same time the AAF lost more than 7 100 aircraft in the United States to accidents in training and transportation Such accidents claimed the lives of more than 15 530 pilots crewmembers and ground personnel and the stories of their deaths are largely forgotten This work chronicles the 6 350 known fatal AAF aircraft accidents that occurred in the continental United States from January 1941 through December 1945 Each crash summary based on official records provides details such as crash location and cause the people involved and the type and number of aircraft An aircraft serial number index a record of AAF aircraft still listed as missing crash statistics and a directory of AAF stations in the United States are included      [Service and Regulatory Announcements](#) United States. *Ancient Bible Feasts* Albert Bailey,2015-10-15 Ancient Bible Feasts opens hidden Bible truths concerning Israel Christ and the church These seven feasts given in their order and days of the year in Leviticus 23 are symbolic of the crucifixion and resurrection of Christ the descent of the Holy Spirit on the day of Pentecost the future rapture of the church and the great tribulation and second advent of Christ concluding with His thousand year millennial reign here on earth Other books written about these feasts deal with the same events but none has gone into detail or explained the meaning of the celebrations and sacrifices God commanded the Israelite s to celebrate so many years ago Dr Bailey explains the meaning of certain numbers in the Scriptures and shows their importance in these feasts and how these numbers prove the accuracy of the fulfillment of these feasts He also prove from Scripture that Jesus Christ died at the time the Passover Lamb was killed in Egypt the meaning of the blood being put on the doors of the houses that the Israelite s were in that Jesus resurrected at the same time the last Israelite came out of the Red Sea centuries earlier that the Holy Spirit came upon the disciples the exact time God came down on Mt Sinai some fourteen hundred years earlier He also explains the sacrifice at Mt Sinai that points to the fact that Jew and Gentile will become one in Christ This book is a treasure to all students of the Holy Scriptures

*The Prophecies of the Prophet Ezekiel Elucidated* E. W. Hengstenberg, 2005-05-05 From the author's Preface This work is designed to give the reader a clear view of the reality of Ezekiel and in this grand prophetic figure to bring before his mind at the same time the nature of prophecy in general Ezekiel prophesied in a time of great decision in a time of the iniquity of the end in which sin was ripe and with it punishment He is exactly the prophet for our times Whosoever penetrates into him will be deeply stirred by his earnestness and will feel himself impelled to exert all his powers that the crisis on which we have entered may be brought to a prosperous issue At the same time however if it should please God to bring great sifting judgments upon us to pull down what He has built up and to root out what He has planted we may gain from Him an immovable confidence in the final victory of the kingdom of God who kills and makes alive wounds and heals and who after He has sent the darkest cloud at length remembers His covenant and displays His shining bow **Concept and Form,**
