Nuthin But A G Thang The Culture And Commerce Of Gangsta Rap:

Nuthin' but a "G" Thang Eithne Quinn, 2005-01-05 Struggling to create an identity distinct from the European tradition but lacking an established system of support early painting in America received little cultural acceptance in its own country or abroad Yet despite the initial indifference with which it was first met American art flourished against the odds and founded the aesthetic consciousness that we equate with American art today In this exhilarating study David Rosand shows how early American painters transformed themselves from provincial followers of the established traditions of Europe into some of the most innovative and influential artists in the world Moving beyond simple descriptions of what distinguishes American art from other movements and forms The Invention of Painting in America explores not only the status of artists and their personal relationship to their work but also the larger dialogue between the artist and society Rosand looks to the intensely studied portraits of America's early painters especially Copley and Eakins and the landscapes of Homer and Inness among others each of whom grappled with conflicting cultural attitudes and different expressive styles in order to reinvent the art of painting He discusses the work of Davis Gorky de Kooning Pollock Rothko and Motherwell and the subjects and themes that engaged them While our current understanding of America's place in art is largely based on the astonishing success of a handful of mid twentieth century painters Rosand unearths the historical and artistic conditions that both shaped and inspired the phenomenon of Abstract Expressionism

Nuthin' But a "G" Thang Eithne Quinn, 2005 In the late 1980s gansta rap music emerged in urban America giving voice to making money for a social group widely believed to be in crisis young poor black men Quinn probes the origins of the genre follows its development focusing on artists such as Ice Cube Tupac Shakur

Death and the Rock Star Catherine Strong, Barbara Lebrun, 2016-03-03 The untimely deaths of Amy Winehouse 2011 and Whitney Houston 2012 and the resurrection of Tupac Shakur for a performance at the Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done This edited collection explores the reception of dead rock stars rock being taken in the widest sense as the artists discussed belong to the genres of rock n roll Elvis Presley disco Donna Summer pop and pop rock Michael Jackson Whitney Houston Amy Winehouse punk and post punk GG Allin Ian Curtis rap Tupac Shakur folk the Dutchman Andr Hazes and world music Fela Kuti When music artists die their fellow musicians producers fans and the media react differently and this book brings together their intertwining modalities of reception The commercial impact of death on record sales copyrights and print media is considered and the different justifications by living artists for being involved with the dead

through covers sampling and tributes The cultural representation of dead singers is investigated through obituaries biographies and biopics observing that posthumous fame provides coping mechanisms for fans and consumers of popular culture more generally to deal with the knowledge of their own mortality Examining the contrasting ways in which male and female dead singers are portrayed in the media the book **Journal of Popular Culture** Popular culture association (Etats-Unis).,Modern language association of America.
