Nympho Other Maniacs:

The Nympho and Other Maniacs Irving Wallace, 2019-04-28 In this exciting and provocative book Irving Wallace one of America's most famous novelists turns to nonfiction to tell the candid stories of more than thirty women of the last two centuries who defied the social standards of their times sexually politically intellectually rebelling against conventional behavior or ideas to go their own ways These ladies by intention or unwittingly gave succeeding generations of women new freedoms freedoms the very mention of which scandalized their contemporaries but which led ultimately to today's Women's Liberation Movement With a gift of narrative rare in nonfiction Irving Wallace describes the lives of Ninon de Lenclos who founded a School of Lovemaking in France of Emma Hamilton who became pregnant by England's greatest naval hero without her husband's noticing it of Napoleon's sister Pauline Bonaparte whose intense sexual activity was the despair of her gynecologist of Napoleon's mistress Maria Walewska who was asked to sacrifice her virtue to the Emperor to save Poland from his wrath Perhaps nobody has ever done such justice to Lord Byron's reckless females among them the sensuous Teresa Guiccioli who left her titled husband for Byron the unhappy Caroline Lamb who pursued Byron with such passion as to nearly drive him and her husband mad and the unfortunate Claire Clairmont who gave Byron both a daughter and a hellish time Certainly no one has ever written so entertainingly about such extraordinary tales as Victoria Woodhull who ran for president of the United States in 1872 on a platform advocating free love short skirts vegetarianism birth control and world government she also made a fortune as the first lady stockbroker with the backing of her good friend Commodore Vanderbilt or Lady Jane Eleanborough who enjoyed thirty six renowned lovers three of them kings and four husbands the last an Arab sheik **The Nympho and Other Maniacs** is a magnificent tour de force a book that goes far beyond the amusing and incredible adventures of the uninhibited ladies themselves to make some wise and unexpected points about life love marriage and women

The Nympho and Other Maniacs Irving Wallace, 1971 *Irving Wallace* John Leverence, 1974 This profile of Irving Wallace and his work includes more than 200 photographs and illustrations It recounts his Midwest Hollywood and European years his experiences during a lifetime of travel his adventures as a journalist in the Far East and Europe his embroilment in political and literary controversies his legal battles and many other facets of his extraordinary life

Battleground of Desire Peter N. Stearns, 1999-04 Stearns history Carnegie Mellon University explores the history of American self control and discusses the wide social implications of self control as a characteristic prescribed by every culture in different ways He investigates issues that define American attitudes towards morality sexuality and disciplines of the body covering the Victorian legacy through current norms In comparing trends throughout our cultural history he points out that there has been no collapse of impulse control or moral demonstration between the eras only a shift in form Annotation copyrighted by Book News Inc Portland OR **Insatiable Wives** David J. Ley, 2009-12-16 This enlightening work investigates the history incidence and causes of a unique sexual lifestyle pursued by increasing numbers of couples It is

called by many names and lived in a variety of ways by different couples The most common terms used to describe it are hotwife or cuckold lifestyle This sexual practice a form of sexual nonmonogamy is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men The author includes interviews and comments from couples living the lifestyle throughout the U S and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships He explores the psychological social biological and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious **Blackmail** Mike

Hepworth,2023-01-20 First Published in 1975 **Blackmail** Publicity and Secrecy in Everyday Life examines why blackmail is often taken more seriously than murder and why it is widely considered as a serious social threat Both fictional and real life situations are used to explore the kinds of social situation in which various individuals become vulnerable to blackmail In isolating the key ingredients of reputational blackmail in Britain over the last hundred years this book is not preoccupied with threats to accuse someone of a major criminal offence such as murder or armed robbery but rather with those cases where the penalties of discovery are less clear cut and where public reaction may be much more ambivalent Mike Hepworth focuses attention on the way blackmail is stigmatized in criminological and other literature and the possible validity of the stereotype in the light of alternative interpretations This book is an interesting read for scholars and researchers of criminology and sociology **"The" Nympho- and Other Maniacs** Irving Wallace,1971 **Pornography** Andrea

Dworkin,2025-02-25 Andrea Dworkin s 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women Essential and discomfiting reading in a social media era where women s bodies are being commodified and displayed more than ever Andrea Dworkin s seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women Her discussion of pornography as an outgrowth of the power that men exert over women the power of owning the power of money and the power of sex among others still blazes with its clarity and immediacy and illustrates how these inequities while displayed in raw form in pornography are endemic in all media With a lively and deeply compelling voice Andrea Dworkin succinctly outlines her anti pornography stance Though the media environment may have changed this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies **Feisty First Ladies and Other**

Unforgettable White House Women Autumn Stephens,2009-01-21 First ladies are supposed to be dignified background figures quietly supportive of their husbands agendas Above all they re not supposed to act out or cause even a whiff of scandal Of course reality often overrides conventional wisdom and this book shows how far from the prim ideal many of the Presidents wives have strayed Part irreverent portrait gallery part exuberant expose **Feisty First Ladies and Other**

Unforgettable White House Women introduces a remarkable array of wild women from Martha Washington who opposed her own husband's presidential election to Abraham Lincoln's eccentric wife Mary to rebellious daughters like Patti Davis who were the tabloid fodder of their day. Laugh out loud funny and filled with amazing stranger than fiction facts from our American history. Feisty First Ladies journeys into the realm of the eclectic sisterhood whose outrageous words and deeds have rocked the fusty old foundations of the White House and the nation.

Scandalous Women Elizabeth Kerri Mahon, 2011-03-01 Throughout history women have caused wars defied the rules and brought men to their knees. The famous and the infamous queens, divorcees, actresses and outlaws have created a ruckus during their lifetimes, turning heads while making waves. Scandalous Women tells the stories of the risk takers who have flouted convention, beaten the odds and determined the course of world events. When Cleopatra 69 BC-30 BC wasn't bathing in asses' milk, the last pharaoh of the Ptolemaic dynasty ruled Egypt and forged an important political alliance with Rome against her enemies until her dalliance with Marc Antony turned the empire against her. Emilie du Châtelet 1706-1748 a mathematician, physicist, author and paramour of one of the greatest minds in France. Voltaire shocked society with her unorthodox lifestyle and intellectual prowess and became a leader in the study of theoretical physics in France at a time when the sciences were ruled by men. Long before Rosa Parks refused to give up her seat on the bus, Ida B. Wells Barnett 1862-1928 fought to end discrimination and the terrible crime of lynching and helped found the NAACP but became known as a difficult woman for her refusal to compromise and was largely lost in the annals of history. Gertrude Bell 1868-1926 had a passion for archaeology and languages and left her privileged world behind to become one of the foremost chroniclers of British imperialism in the Middle East and one of the architects of the modern nation of Iraq.

Daniel and the Lions Den Dan Starrett, 2007-12-12 Daniel and the Lions Den the true story of an eight hour inmate is a compelling no holds barred story of humorous and disgusting anecdotes written by the author of *The Father The Son and The Railroad Ghost* and *The Straw Servant*. Dan Starrett spent twenty five years in law enforcement and knows first hand what it is like to be in The Lions Den. One of the best ways to face the strain and stress of prison life is to have a cynical sense of humor and a desire to come out of The Lions Den alive. When the long shift is done, I worked closely with Dan and he has made my day go by faster with his wit and humor. I can attest to the contents of this story because I am retired from the DOC. This is life behind bars at its best and worst and can only be described by this man who has been there. Done that. Prison violence goes from mild to unbelievable. The correctional officer does not have the best job in the world and is sometimes caught in the middle of the administration, the inmates and a speculating misinformed public that would keep him/her from doing their job. This story lends credence to Doing your eight and hitting the gate. If graphic sex and violence offends you, please do not read this story. This is reality. Ray McGuire Yanceyville, N.C. N.C. Department of Corrections Ret.

Victoria Woodhull's Sexual Revolution Amanda Frisken, 2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with

the full meaning of equality after the Civil War A sometime collaborator with Susan B Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women s sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over sexuality and women s rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation mongering press she made the exposure of others secrets a powerful tool of social change Woodhull s political ambitions became inseparable from her sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women s rights activist discovering Woodhull s previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century *New York Times Saturday Book Review Supplement* ,1971 *Nymphomania* Carol Groneman,2001 This lively and fascinating exploration of nymphomania as organic disease psychological disorder legal construct and locker room joke takes a look at the surprising contradictory and illuminating history of the subject over the last 200 years **The Publishers Weekly** ,1972 *An Underground Education* Richard Zacks,1999-04-20 The best kind of knowledge is uncommon knowledge Okay so maybe you know all the stuff you re supposed to know that there are teenier things than atoms that Remembrance of Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South American countries when we feel like it But really is this kind of knowledge going to make you the hit of the cocktail party or the loser spending forty five minutes examining the host s bookshelves Wouldn t you rather learn things like how the invention of the bicycle affected the evolution of underwear Or that the 1949 Nobel Prize for Medicine was awarded to a doctor who performed lobotomies with a household ice pick Or how Catherine the Great really died Or that heroin was sold over the counter not too long ago For the truly well rounded intellectual nothing fascinates so much as the subversive the contrarian the suppressed and the bizarre Richard Zacks auto didact extraordinaire has unloosed his admittedly strange mind and astonishing research abilities upon the entire spectrum of human knowledge ferreting out endlessly fascinating facts stories photos and images guaranteed to make you laugh gasp in wonder and occasionally shudder at the depths of human depravity The result of his labors is this fantastically illustrated quasi encyclopedia that provides

alternative takes on art business crime science medicine sex lots of that and many other facets of human experience Immensely entertaining and arguably enlightening An Underground Education is the only book that explains the birth of motion pictures using photos of naked baseball players Richard Zacks is the author of History Laid Bare Love Sex and Perversity from the Ancient Etruscans to Warren G Harding which was excerpted in classy magazines like Harper's and earned the attention of the even classier New York Times which noted that Zacks specializes in the raunchy and perverse The Georgia State Legislature voted on whether to ban the book from public libraries He has studied Arabic Greek Latin French Italian and Hebrew and received the Phillips Classical Greek Award at the University of Michigan He has also told his publisher that he made a living in Cairo cheating royalty from a certain Arab country at games of chance although the claim remains unverified His writing has appeared in the New York Times The Atlantic Monthly Time Life Sports Illustrated The Village Voice TV Guide and similarly diverse publications Zacks is married and busy warping the minds of his two children Georgia and Ziegfield He resides in New York City and can be reached via e mail at rzacks echonyc com **Host**
