

Christian Pacifism in the Modern World

✓ Exclusively available on IvyPanda

Pacifism may portray various meanings to different people. One common meaning of this terminology is the ability to settle disputes without engaging in real war. To pacify primarily means making peace. However, the terse questions still remain unanswered. Is it possible for a Christian to remain pacifist in the contemporary world? Can conflict be avoided at any point in life in spite of being a Christian?

Can we employ force to stop an intruder from interfering with us? When we use violence as Christians in regards to certain issues, does it reflect the authentic position of God? What about the will of God in mankind when the latter is faced with difficult moments? These are some of the questions that ought to be explored even as we investigate the subject of Christian pacifism.

If indeed the act of being a pacifist is Godly, then Christians are definitely compelled to understand that it cannot be addressed as a separate entity from other values of Christianity. For example, pacifism ought to be explained alongside other aspects of Christianity such as trusting in God, rejecting the pleasures of this world, and love for one another.

We all appreciate the fact Christian pacifism is a true value of Godliness. However, the point of diversion comes when the very Christians are faced with challenges that may demand violence to resolve. Even in the life of an ordinary Christian, greed and lust for worldly possessions may lead to sin.

Hedges observes that "there are always people willing to commit unspeakable human atrocity in exchange for a little power and privilege" (88). If the latter is true, then it implies that human nature is full of violent acts aimed at seeking the best opportunities for survival.

At a personal level in the life of a Christian, engaging in war or acts of violence in order to resolve emerging conflicts is not part of the biblical doctrine. Christians are called to be peace makers (according to the beatitudes). Even in instances when we are wronged, we are supposed to not merely forgive those who offend us. We should also pray for them so that they may come to know the truth.

Pacifism In The Modern World

John S. Feinberg, Paul D. Feinberg

Pacifism In The Modern World:

Pacifism in the Modern World Devere Allen, 1929

The Making of the Modern Mind John Herman Randall, 1976

Surveys the intellectual background of man from medieval times through the Renaissance to modern times **Breaking White Supremacy** Gary J. Dorrien, 2018-01-01 This magisterial follow up to *The New Abolition* a Grawemeyer Award winner tells the crucial second chapter in the black social gospel's history. The civil rights movement was one of the most searing developments in modern American history. It abounded with noble visions resounded with magnificent rhetoric and ended in nightmarish despair. It won a few legislative victories and had a profound impact on U.S. society but failed to break white supremacy. The symbol of the movement, Martin Luther King Jr., soared so high that he tends to overwhelm anything associated with him. Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked. In his latest book, Gary Dorrien continues to unearth the heyday and legacy of the black social gospel, a tradition with a shimmering history, a martyred central figure, and enduring relevance today. This part of the story centers around King and the mid-twentieth century black church leaders who embraced the progressive justice-oriented internationalist social gospel from the beginning of their careers and fulfilled it, inspiring and leading America's greatest liberation movement.

Visions of a Better World Quinton Dixie, Peter Eisenstadt, 2011-08-30 In 1935, at the height of his powers, Howard Thurman, one of the most influential African American religious thinkers of the twentieth century, took a pivotal trip to India that would forever change him and that would ultimately shape the course of the civil rights movement in the United States. When Thurman, 1899-1981, became the first African American to meet with Mahatma Gandhi, he found himself called upon to create a new version of American Christianity, one that eschewed self-imposed racial and religious boundaries and equipped itself to confront the enormous social injustices that plagued the United States during this period. Gandhi's philosophy and practice of satyagraha, or soul force, would have a momentous impact on Thurman, showing him the effectiveness of nonviolent resistance. After the journey to India, Thurman's distinctly American translation of satyagraha into a Black Christian context became one of the key inspirations for the civil rights movement, fulfilling Gandhi's prescient words that it may be through the Negroes that the unadulterated message of nonviolence will be delivered to the world. Thurman went on to found one of the first explicitly interracial congregations in the United States and to deeply influence an entire generation of black ministers among them, Martin Luther King Jr. *Visions of a Better World* depicts a visionary leader at a transformative moment in his life. Drawing from previously untapped archival material and obscurely published works, Quinton Dixie and Peter Eisenstadt explore for the first time Thurman's development into a towering theologian who would profoundly affect American Christianity and American history.

World Unity... John Herman Randall, Horace Holley, 1929 Includes book reviews, classified reading lists of books on world unity, edited by J. H. Randall Jr. in v. 1 and 6, and World Unity reading list.

The Birth Control Review Margaret Sanger, 1927 **Pacifism's Appeal** Jorg Kustermans, Tom

Sauer, Dominiek Lootens, Barbara Segaert, 2019-03-13 This volume examines the possibility or need of a revitalization of pacifism as a world political practice It takes as its point of departure the observation that although just war thinking has long been dominant in Western debates about war and peace recent events have served to temper enthusiasm about the doctrine Pacifism has been much less prominent a stance in recent decades but there is the impression that it may be staging a return Just war thinking has to a large extent failed Outright bellicism remains as undesirable as ever Pacifism presents itself again as a possible alternative Once upon a time the peace movement was popular and pacifism with it Pacifism appealed to people It stirred hearts and minds It inspired political action and institutional designs This volume examines whether pacifism can claim its ground again and how it should be redefined in light of today's world political circumstances

Against the Hounds of Hell Peter Eisenstadt, 2021-02-23 An inspiration to Martin Luther King Jr James Farmer and other leaders of the civil rights movement Howard Thurman was a crucial figure in the history of African Americans in the 20th century Until now however he has not received the biographical treatment he deserves In *Against the Hounds of Hell* Thurman scholar Peter Eisenstadt offers a fascinating exploration of the life of this religious thinker and activist Thurman's life was as notable for its remarkable variety as its accomplishments The first significant African American pacifist Thurman was the first African American to meet Mahatma Gandhi An early and outspoken feminist environmentalist and advocate for social and economic justice he was one of the first and most insistent mid twentieth century proponents of racial integration At the same time he was a key figure in the emergence of mysticism and spirituality as an alternative to formal religion Thurman dedicated his career to challenging what he called the hounds of hell the ways in which fear deception and hatred so often dogged the steps of African Americans and the marginalized and disinherited peoples of the world This biography will at last establish this multifaceted historical personage as a leading figure of twentieth century American politics religion and culture

Acts of Conscience Joseph Kip Kosek, 2011 In response to the massive bloodshed that defined the twentieth century American religious radicals developed a modern form of nonviolent protest one that combined Christian principles with new uses of mass media Greatly influenced by the ideas of Mohandas Gandhi these acts of conscience included sit ins boycotts labor strikes and conscientious objection to war Beginning with World War I and ending with the ascendance of Martin Luther King Jr Joseph Kip Kosek traces the impact of A J Muste Richard Gregg and other radical Christian pacifists on American democratic theory and practice These dissenters found little hope in the secular ideologies of Wilsonian Progressivism revolutionary Marxism and Cold War liberalism all of which embraced organized killing at one time or another The example of Jesus they believed demonstrated the immorality and futility of such violence under any circumstance and for any cause Yet the theories of Christian nonviolence are anything but fixed For decades followers have actively reinterpreted the nonviolent tradition keeping pace with developments in politics technology and culture Tracing the rise of militant nonviolence across a century of industrial conflict imperialism racial terror and international warfare Kosek recovers radical

Christians remarkable stance against the use of deadly force even during World War II and other seemingly just causes His research sheds new light on an interracial and transnational movement that posed a fundamental and still relevant challenge to the American political and religious mainstream

The Just War Myth Andrew Fiala,2008 As war continues to be a primary topic in public debate Andrew Fiala in *The Just War Myth* critically examines the concept of just war arguing that actual wars never live up to the ideals of just war theory The book provides a historical overview of the just war idea and also turns a critical eye on current events including the idea of preemptive war the use of torture and the unreality of the Bush Doctrine

The Political Realism of Reinhold Niebuhr Colm McKeogh,2016-07-27 Reinhold Niebuhr rose to prominence in the 1930s and 1940s for his vociferous opposition both to Nazism and to isolationism as an American response to that threat He rejected both pacifism and the legalism of the just war tradition His pragmatic and realist approach to the ethics of force eschews absolute rules or restrictions The work examines Niebuhr s consequentialist approach to ethics and war from the perspective of political theory

Pacifism in the Modern World Devere Allen,1971

Booklist ,1929

[The Oxford Encyclopedia of the Modern World](#) Peter N. Stearns,2008 The Encyclopedia of the Modern World delves into the period from 1750 to the present providing special attention to social economic cultural and political topics applicable to the time The breadth of knowledge offered within this multivolume set is astounding with features spanning articles on countries regions and ethnic groups themes involving social history demography family life politics economics religion thought education science and technology and culture events such as major wars and extensive coverage of the United States Detailed articles cover not only the major facts but the interpretations as well and are written for readers who are not specialists in the particular area Enriched with over 800 halftones and 50 maps this reference work is essential for any scholar general reader collector or curator interested in this rich and varied time in history Through its fluent global coverage The Encyclopedia of Modern World provides information about and interpretation of major developments across particular regionsboth salient events and regional perspectives on common themes such as politics demography social class and gender Readers can explore topics that have global implications such as migration childhood and foods topics that can be viewed through a combination of global patterns and key comparisons Entries also shed light on standard geographic and ethnic units such as Scandinavia Korea or the Gypsies in the modern period The Encyclopedia presents unprecedented coverage of global processes and institutions themselves including the International Red Cross and the League of Nations Publisher

The Fellowship Church Amanda Brown,2021-06-16 The Fellowship Church explores the evolution of the American religious left through a case study of the African American intellectual and theologian Howard Thurman and the physical embodiment of his thought The Church for the Fellowship of All Peoples The Fellowship Church which Thurman co founded in San Francisco in 1944 was the nation s first interracial intercultural and interfaith church Amidst the growing nationalism of the World War II era and the heightened suspicion of racial and cultural others the

Fellowship Church successfully established a pluralistic community based on the idea that if people can come together in worship over time would emerge a unity that would be stronger than socially imposed barriers Rooted in the belief that social change was inextricably connected to internal psychological transformation and the personal realization of the human community it was an early expression of Christian nonviolent activism within the long Civil Rights Movement The Fellowship Church was a product of evolving twentieth century ideas and a reflection of the shifting mid century American public consciousness This book examines a broad scope of modern themes including the philosophy of pragmatism mysticism and Christian liberalism racism and imperialism cosmopolitanism and pluralism war and pacifism and nonviolence Not only does it expand on our understanding of twentieth century American intellectual history and the origins of the Civil Rights Movement it offers an exciting look into ways people have initiated grassroots activism during times when government has failed to protect its citizens civil liberties safety and overall wellbeing through judicial safeguards

Can War Be Justified?
Andrew Fiala, Jennifer Kling, 2023-02-21

Can war be justified Pacifists answer that it cannot they oppose war and advocate for nonviolent alternatives to war But defenders of just war theory argue that in some circumstances when the effectiveness of nonviolence is limited wars can be justified In this book two philosophers debate this question drawing on contemporary scholarship and new developments in thinking about pacifism and just war theory Andrew Fiala defends the pacifist position while Jennifer Kling defends just war traditions Fiala argues that pacifism follows from the awful reality of war and the nonviolent goal of building a more just and peaceful world Kling argues that war is sometimes justified when it is a last ditch necessary effort to defend people and their communities from utter destruction and death Pulling from global traditions and histories their debate will captivate anyone who has wondered or worried about the morality of political violence and military force Topics discussed include ethical questions of self defense and other defense the great analogy between individuals and states evolving technologies and methods of warfighting moral injury and post traumatic stress disorder broader political and communal issues and the problem of regional security in a globalizing world The authors consider cultural and religious issues as well as the fundamental question of moral obligation in a world saturated in military conflict The book was written in the aftermath of the war on terrorism and includes reflection on lessons learned from the past decades of war as well as hopes for the future in light of emerging threats in Europe and elsewhere The book is organized in a user friendly fashion Each author presents a self contained argument which is followed by a series of responses replies and counter arguments Throughout the authors model civil discourse by emphasizing points of agreement and remaining areas of disagreement The book includes reader friendly summaries a glossary of key concepts and suggestions for further study All of this will help students and scholars follow the authors dialogue so they may develop their own answer to the question of whether war can be justified

Key Features Summarizes the debate between pacifism and just war theory Considers historical and traditional sources as well as contemporary scholarship and applications Models philosophical dialogue and civil discourse while

seeking common ground Discusses issues of concern in contemporary warfighting and peacemaking while offering an analysis of the war on terrorism **Handbook of New Age** James Lewis,Daren Kemp,2007-05-30 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research *The Mennonite* ,1929 **Army GI, Pacifist CO** Frank Dietrich,Albert Dietrich,2005 This absorbing selection of letters the first published correspondence between GI and CO brothers offers fresh perspectives on the American experience during World War II These letters enrich our understanding of the war by documenting the different ways that Americans honored their conscience and served their country during an era of global conflict **Ethics for a Brave New World, Second Edition (Updated and Expanded)** John S. Feinberg,Paul D. Feinberg,2010-11-04 Aldous Huxley s 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas

Pacifism In The Modern World Introduction

In today's digital age, the availability of Pacifism In The Modern World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pacifism In The Modern World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pacifism In The Modern World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pacifism In The Modern World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pacifism In The Modern World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pacifism In The Modern World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pacifism In The Modern World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pacifism In The Modern World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pacifism In The Modern World books and manuals for download and embark on your journey of knowledge?

FAQs About Pacifism In The Modern World Books

1. Where can I buy Pacifism In The Modern World books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
