Michigan Library Bulletin ,1926 **Factual Fictions** Lennard J. Davis,1997-01-29 Nowadays most readers take the intersection between fiction and fact for granted We've developed a faculty for pretending that even the most bizarre literary inventions are for the nonce real The value of Davis's book is that it explores the h Shakespeare's Songbook Ross W. Hearing History is a long needed introduction to the basic tenets of what is variously termed historical acoustemology auditory culture or aural history Gathering twenty one of the fields most important writings this volume will deepen and broaden our understanding of changing perceptions of sound and hearing and the ongoing education of our senses The essays stimulate thinking on key questions What is aural history Why has vision tended to triumph over hearing in historical accounts How might we begin to reclaim the sounds of the past With theoretical and practical essays on the history of sound and hearing in Europe and the United States the book draws on historical approaches ranging from empiricism to postmodernism Some essays show the historian of technology at work others highlight how With theoretical and practical essays on the history of sound and hearing in Europe and the United States the book draws on historical approaches ranging from empiricism to postmodernism Some essays show the historian of technology at work others highlight how military social intellectual and cultural historians have tackled historical acoustemologies Investigating soundscapes that include a Puritan meetinghouse in colonial New England the belfries of a French village at the close of the Old Regime the court hall of Elizabeth I and a Civil War battlefield the essays vary just as widely in their topics which include noise as a marker of social and cultural differences the privileging of music as the sound of art the persistence of Aristotelian ideas of sound into the seventeenth century developments in sound related to medical practice the advent of sound recording technology and noise pollution Gifer the Worm Benjamin Putnam Kurtz,Julia Celeste Turner,1928 **News Notes of California Libraries** California State Library,1928 Vols for 1971 include annual reports and statistical summaries **Conjoined Twins** Christine Quigley,2015-09-17 When two human ova fail to fully separate during pregnancy the result is conjoined twins The twins may be connected by ligament bone or just flesh and they often share organs but what captures most people s interest is whether the twins share sensations thoughts and even souls This encyclopedia presents entries on conjoined twins throughout history the biological causes and effects of twins being born conjoined and ethical issues such as self support and separation surgery It also includes entries on the modern standardized terminology used when discussing conjoined twins the categories into which conjoined twins have been sorted doctors past and present who have performed separation surgeries and hospitals such as Children s Hospital of Philadelphia that are known for the separation of conjoined twins This book even covers fraudulent conjoined twins and fictional ones in books written by such authors as Mark Twain Vladimir Nabakov and Katherine Dunn Other entries cover relevant films websites and institutions **The Birmingham Quean** S. A. M. Trainor,2010-06 We are to believe there was a time when The Birmingham Quean was just a poem a mock epic burlesque in which a fake pound coin told how she was won in a game of darts by a drag queen called Britannia Spears It parodied Pope s The Rape of the Lock Byron s Don Juan and an anonymous eighteenth century novel The Birmingham Counterfeit The transformation of this bit of picaresque doggerel into the sprawling work barely contained by this cover is the central

mystery of a ludic novel It mirrors the unlikely story of a dirty little settlement of nailers and cutlers becoming the principle city of the Industrial Revolution by flooding the Restoration economy with counterfeit coins What remains is an absurd scholarly edition of a poem recast as a futuristic dystopia in which nothing is authentic It is also the tale of an impossible love affair that uncovers an impossible text by an impossible author It is as strange ironic sombre flashy and anarchic as the city to which it owes its existence Body Modification Mike Featherstone, 2000-06-06 This volume explores the growing range of practices such as piercing tattooing branding cutting and inserting implants which have sprung up recently in the West
