A feeling for research* Lydia Kamitsis,Paco Rabanne,1996 *New Perfume Handbook* N. Groom,1997-06-30 The first edition of this unique book established itself as an unparalleled source of information on perfume Although it is primarily aimed at perfumers and others in the perfume industry it has also found substantial sales among a wide range of others including aromatherapists botanists and many others who wanted to learn more about this faceted subject The new edition is now aimed squarely at perfumery marketing specialists and others in the industry world wide and covers in particular the needs of publicity advertising teams and journalists together with sales people and consultants at the counters who like to have a wide range of information at their fingertips Changes include an expansion of the number of profiles of the perfume houses and of the 50 or so new perfumes worthy of record which have been launched since the previous edition There is also increased coverage of the essences and the plants and other material from which they are derived Coverage of perfume containers is substantially expanded and linked to other parts of the book *FashionQuake* Caroline Young,2022-09-13 Discover fashion that dared to be different risked reputations and put careers in jeopardy This is what happens when people take tradition and rip it up FashionQuake introduces 50 pivotal moments that shook the world and changed mainstream fashion forever telling the fascinating stories behind each piece s creation reception and legacy From awe inspiring couture to protest T shirts bumster trousers to safety pin dresses this book profiles the cutting edge of fashion featuring enigmatic designers risqu campaigns surreal haute couture and radical clothing By tracing the history of modern fashion via the pieces that steered away from the norm Caroline Young tells us how we got to the here and now This fascinating and deeply insightful book presents an alternative introduction to fashion focusing on 50 moments that consciously questioned boundaries challenged the status quo and made shockwaves we are still feeling today This book is from the Culture Quake series which looks into iconic moments of culture which truly created paradigm shifts in their

respective fields Also available are ArtQuake FilmQuake and MusicQuake *New York Magazine* ,1984-10-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Perfume Handbook** N. Groom,2012-12-06 In 1948 I was posted as a Political Officer to a remote part of south west Arabia on the edge of the great desert called the Empty Quarter In valleys made fertile by seasonal flood waters lay the remains of an ancient civilization I found inscriptions and the ruin sites of towns palaces and temples Almost buried under the sand dunes were the tumbled walls of a great city From here two thousand years before huge camel caravans had trudged their way along 1600 miles of burning sand and rocks to Petra and Gaza burdened with a most precious cargo frankincense myrrh and other perfume materials for the courts temples and perfume shops of Rome My book Frankincense and Myrrh delved into the details of this romantic trade and led to a broader interest in the perfumes of ancient times Then researching on behalf of a perfume house into the Arab contribution to perfumery I came across the collection of perfume recipes assembled by the Arab philosopher scientist Yaqub al Kindi which have never been translated into English some which I have translated myself are now included in an appendix to this book I realized that in that work I had found key evidence to demonstrate how the medieval Arab perfume makers had been the bridge in perfume history between ancient and modern times Perfumery could now be seen as an art with a continuous history of development since the dawn of civilization **New York** ,1989-06 **Sexualised Masculinity** John Mercer,Clarissa Smith,2025-02-10 Sexualised Masculinity Men s Bodies in 21st Century Media Culture explores evolving portrayals of masculinity in contemporary media focusing on the increasing eroticisation of the male body This book examines how traditional and digital media from films and television to social media platforms and fashion have transformed the ways masculinity is represented and perceived Through a wide array of case studies it highlights how male bodies are now sites of erotic value challenging long standing norms and expectations By exploring both global and local media John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality offering a critical perspective on how masculinity is consumed performed and commodified in today s world This book is essential for students and scholars in fields such as gender studies media studies cultural studies and social history and is particularly relevant for those interested in understanding the intersections of masculinity media and sexuality in the 21st century Biometrics and Neuroscience Research in Business and Management Luiz Moutinho,Moran Cerf,2024-06-17 This book is designed to impart and convey knowledge as well as understanding of the range of biometric technologies and cybertechnologies while also stressing their advantages and disadvantages The authors develop an appreciation for and breadth of knowledge that spans the full range of neuroscience sub disciplines including behavioural cognitive and computational neuroscience Furthermore

the content of the book is geared to be able to place neuroscience into an ethical context especially showing how studying the brain and behaviour can contribute to the resolution of ethical social and environmental issues The Eschatological Code And Eternal Recurrence Bahtiyar Atman,2015-10-30 What will indeed happen after 2012 Where can humanity find the answers to old mysteries that have existed for centuries or millennia Uncover the truth in The Eschatological Code And Eternal Recurrence a book about the whole truth where the author reveals secret mysteries such as the Christ code why the pyramids were built and the new world religion of Hermes Trismegistus that Henry the Felicitous prophesized to be the Chosen One by Nostradamus will present after the year 2012 The Wonder of Garabandal presenting a construct of ideas in which both Turkey as a representative of the Islam and the West find a common place is not only the catalyst for the new world religion of Hermes Trismegistus it is also one more secret mystery that the author has become the first person to reveal and present The philosophy presented in this book one that reveals many mysteries brings the reader directly into the Garden of Eden which however is to be understood mentally and spiritually In addition this book is also a rich source of spiritual knowledge from all currents of the human sciences taught by guides to living of world renown Proof of reincarnation prophesy Enlightenment positive thinking Sufism Buddhism healing comparative religion Atlantis and many more Ultimately it also deals with eschatology and the Latter Days Why eschatology and the Latter Days Why eternal recurrence and what will come then Let The Eschatological Code And Eternal Recurrence reveal the truth **Official Gazette of the United States Patent and Trademark Office** ,2003 **Fashion** Akiko Fukai,Kyōto Fukushoku Bunka Kenkyū Zaidan,2002 Illustrates a wide range of historical garments underwear shoes and fashion accessories dating from the eighteenth century to the present day **Intercultural Marketing** Ivana Beveridge,2020-11-17 With companies actively marketing products and services beyond their borders marketers must understand culturally ingrained consumer behavior throughout the world Focusing on psychological and social dimensions of these behaviors this textbook brings together academic research and contemporary case studies from marketing practice Built on a strong cross disciplinary theoretical foundation and extensive practice experience this concisely written text is a practical guide to understanding the intricacies of cultural influence on consumption and for the design and implementation of effective intercultural marketing strategies focused on branding and promotion The book uses representative well known corporate cases while also including dynamic examples from the sharing economy blockchain and emerging economy companies Incorporating strategy sociology linguistics cross cultural communications psychology philosophy religious studies and economics the book is particularly distinguished from the mainstream by introducing non Western frameworks Upper level undergraduate and postgraduate students of marketing and international business will benefit from the book s new concepts and novel methods as well as clear objectives examples and discussion topics in each chapter Instructors will appreciate the inclusion of a semester long project for students allowing them to wear the practitioner s hat and including practice in a netnographic research method *The Model as Muse* Harold
