Paddy's Puzzle Fiona Kidman, 1983-01-01 *Paddy's Puzzle* Fiona Kidman, 2012-12-01 An internationally acclaimed novel the Kirkus Reviews wrote Shrewdly balanced between earthy tenderness and the dreadful trauma of disillusionment a grave yet limber narrative and a very welcome import In a strange old building referred to as Paddy's Puzzle Clara Bentley endures the fears of wartime and awaits the arrival of her lover Ambrose He's an American Marine And he's black Having grown up in suburban Hamilton her move to Auckland marks an escape from the dreariness and restrictions of her childhood In this building full of an odd assortment of people she waits not just for Ambrose but for the air raid siren for the culmination of her illness and for the sister to whom she dreads having to explain her new life in the Puzzle The novel was shortlisted for the New Zealand Book Awards The San Francisco Chronicle commented The supple flow of Kidman's language is a pleasure to read She's particularly alive to the sudden swelling of emotion just below the surface of a carefully worded conversation And she tosses off startlingly true images in the most offhand manner **Spiritcarvers** Antonella Sarti, 2022-06-08 In a land caught between the sea and cloud where the natural landscape still refuses civilization there are those the composers of words tellers of tales that help shape the minds of the people that live on its shores They are spiritcarvers New Zealand writing today is engaging in an intent struggle to subvert multiple shapes into voices These interviews as a record of biographical orature are shaped into presenting the figure of the storyteller through memory and language explorations of how we imagine and create ourselves with and into words Here we encounter the dichotomy of fiction and non-fiction myth and consensual reality imagination and truth do we live within our own selected fictions Identity is shaped by the authors sense of displacement as well as of belonging meeting otherness with dispossession discovering connection through isolation Among the focal points of the interviews are the role of women's writing Maori writing interrelations among different cultures and the influence of literary and oral tradition within New Zealand *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **This Mortal Boy** Fiona Kidman, 2025-01-21 The offender is not one of ours It is unfortunate that we got this undesirable from his homeland Auckland October 1955 If young Paddy Black sings to himself he can almost see himself back home in Belfast Yet less than two years after sailing across the globe in search of a better life here he stands in a prison cell awaiting trial for murder He pulled a knife at the jukebox that night but should his actions lead him to the gallows As his

desperate mother waits on Paddy must face a judge and jury unlikely to favour an outsider as a wave of moral panic sweeps the island nation Fiona Kidman's powerful novel explores the controversial topic of the death penalty with characteristic empathy and a probing eye for injustice The Novels of Charles Lever: The O'Donoghue; St. Patrick's eve Charles

Fiona Kidman, 2025-01-07 Plumes of flame pierced the night sky curling and licking and caressing the hurrying clouds and there was nothing anyone could do except watch the crop burn In 1952 war widow Irene Sandie takes up work in New Zealand's tobacco fields hoping to build a new life for herself and her daughter But this bold act of female self-sufficiency triggers a sequence of events whose repercussions are still felt long after Irene's death Against a backdrop of immense social and political change Irene's four children lead disparate lives and learn how far family ties can bind or be lost forever With unflinching honesty and characteristic compassion Fiona Kidman deftly exposes the fragility of even the closest human relationships as she weaves together the narratives of a family and its changing fortunes across fifty years and three generations *The Auckland University Press Anthology of New Zealand Literature* Jane Stafford, Mark Williams, 2013-11-01

From the earliest records of exploration and encounter to the globalized multicultural present this compilation features New Zealand's major writing from Polynesian mythology to the Yates Garden Guide from Allen Curnow to Alice Tawhai and from Wiremu Te Rangikaheke's letters to Katherine Mansfield's notebooks Including fiction nonfiction letters speeches novels stories comics and songs this imaginative selection provides new paths into New Zealand writing and culture **Novels: Sir**

Brook Fossbrooke. To which is added, St. Patrick's eve Charles Lever, 1895 **True Stars** Fiona Kidman, 1992-03-01

Who is trying to scare Rose This gripping novel is a vivid portrayal of New Zealand in the 1980s Rose Kendall is alone She is isolated from her children her friends and her political ideals and there is someone trying to scare her she doesn't know why and she doesn't know who True Stars shows the tensions and divisions in 1980s New Zealand which were echoed both on a national level and in family relationships which were crystallised by the 1981 Springbok Tour and which gnaw at differences in race gender class and politics It is a savage and often humorous novel set during the last months of the Lange Government With True Stars Fiona Kidman has become the foremost chronicler of our times Roger Hall *The Dominion A Love of*

Reading Robert Adams, 2011-01-14 Every year Robert Adams prepares a series of five reviews of contemporary novels to be delivered alone on a theatre stage to sold-out audiences in Toronto and Montreal In *A Love of Reading* Adams has now gathered 18 of his most brilliant reviews from Jack Maggs by Peter Carey and *The Poisonwood Bible* by Barbara Kingsolver to *A Fine Balance* by Rohinton Mistry and *Barney's Version* by Mordecai Richler In them he skillfully interweaves a nimble and entertaining discussion of plot theme and characterization with fascinating historical biographical and literary context He is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result a review by Robert Adams is almost always a hugely satisfying mix of rich pathos and abundant humour Famously Adams reads

a book a day from which he selects only those novels that are truly extraordinary that have made him see some part of the world or some aspect of the human condition in a new light because for Adams the best books always take the reader on a journey with a destination very distant from the point of departure It should be not only a journey of discovery an exploration of the author's vision but also of risk By matching one's own vision to that of the author says Adams the reader enters an exciting negotiation to produce a new vision of his own This joint enterprise between reader and writer the shared risk and the wonder of discovery is the foundation of A Love of Reading For the last six years Robert Adams has presented an annual series of book reviews to sold out audiences Eighty per cent of Adams's 3 000 subscribers in Toronto and Montreal renew for the following season This book is a selection of modern classics from a discriminating and entertaining guide Perfect for reading groups Quill Quire noting the jump in sales of any book reviewed by Adams has called the phenomenon The Adams Effect

Tongue John Skinner, 1998-09-18 There are numerous twentieth century writers in English who are not technically native speakers of the language and whose relation to it is ambivalent problematic or even hostile by a simple kinship analogy one may often speak of the stepmother tongue Whilst fully aware of the current debates in postcolonial theory John Skinner is also conscious of its sometimes unhelpful complexities and contradictions The focus of this study is thus firmly on the fictional practice of the writers discussed He offers the reader an insight into the diversity and rewards of contemporary anglophone fiction whilst analysing some eighty individual texts A uniquely comprehensive guide the book will be welcomed by students and teachers of postcolonial literature
