Forthcoming Books Rose Army,1996 *Books Ireland* ,1998-02 *Peadar O'Donnell* Donal Ó Drisceoil,2001 Paedar O'Donnell 1893 1986 was a major radical figure in the history of twentieth century Ireland A socialist Republican and a writer who saw his pen as a weapon in the revolutionary process he moved from his role as a trade union organizer to the senior ranks of the IRA during the War of Independence and the Irish Civil War A key figure in the Republican Communist nexus of the late twenties and early thirties O'Donnell was the instigator of the mass campaign against the payment of land annuities to Britain an issue that helped Fianna Fail to power in 1932 and sparked off the Economic War As editor of the legendary Bell Magazine in the late forties and early fifties he encouraged writers to engage with social and political realities while he continued to agitate and campaigning on behalf of emigrants the small farm countryside and other marginalized sections of Irish society He grew into his role as the grand old man of the left inspiring successive generations of activists to take up the struggle and lending his symbolic weight to many progressive political causes In this new biography Donal O'Drisceoil critically examines Paedar O'Donnell's political and cultural role and influence standing on the shoulders of a unique participant in public life to gain new perspectives on the dynamics of Irish politics culture and society in the twentieth century *The Life and Times of Peadar O'Donnell* Michael McInerney, Peadar O'Donnell,1974 *The Gates Flew Open* Peadar O'Donnell,2013-08-17 Peadar O'Donnell became involved in Irish Republicanism through his initial involvement in socialism as an organiser for the ITGWU When he was unsuccessful in establishing a branch of the Irish Citizen Army in Derry he joined the IRA and led Guerilla activities in Donegal and Derry during the War of Independence He was firmly opposed to the treaty signed at the end of the war and wrote The middle class was getting all they wanted namely the transfer of patronage from Dublin Castle to the Irish parliament The mere control of patronage did not seem to me sufficient reason for the struggle we had been through He was a member of the executive of the anti treaty IRA and was in the Four Courts when it was attacked by the Free State forces He was arrested shortly afterwards and was involved in organising a hunger strike among the anti treaty Republicans which lasted 41 days It was while in prison that he began writing to escape the bare walls of the prison cell and this is a story of prison life in the midst of Civil War in Ireland that combines glimpses of humour with moments of tragic poignancy as he describes games of handball and bridge with men who faced the firing squad withing twenty four hours O'Donnell was one of the last survivors of the Independence struggle in Ireland retaining his radicalism and idealism right up to his death in 1986 at the age of 93 *Peadar O'Donnell* Michael McInerney,1974

Nic Dháibhéid, 2011 One of Ireland's most abidingly controversial political figures Séan MacBride 1904-88 was a youthful participant in the Irish Revolution and an active member of the Irish Republican Army rising through the ranks to occupy a leadership position for fifteen years Séan MacBride is the first book to focus exclusively on MacBride's republican activities on which his controversial reputation in Irish and British political circles rests With extensive use of recently released archival material including Department of Justice records and Bureau of Military History witness statements this book combines a biographical focus with wider assessments of the important themes including the persistence of republican opposition to the state after the Civil War and Ireland's ambiguous experience of World War II *My Life in Two Hemispheres, Vol. 2 (Classic Reprint)* Charles Gavan Duffy, 2015-07-14 Excerpt from My Life in Two Hemispheres Vol 2 Repeal itself was sought by the mass of the people as a means to an end In France Irish Nationality is regarded as dead Here it is not understood When they fought here it was for principles and rights and they cannot comprehend why people should fight for anything else If you were to tell an American that Celts ought not to be ruled by Saxons he would say you were either mad or drunk But if he should see a people struggling to overthrow a dear and a bad Government and to replace it by a good and cheap one he would give a dollar to help them The history Of Ireland can hardly in truth be called the history of a nation The glory that could be won in two or three battles is too small a thing for a nation to subsist upon There is not one link that can bind the past of Ireland to its future The Old forms of society the old laws and the old language have perished irrecoverably For these reasons I would if I were Duffy abandon this ground of Celtic Nationality and take my stand henceforth upon the rights of man A Federal Republic is what Great Britain and Ireland want and if that Object were judiciously pursued it might perhaps be realised within twenty years If the French Republic should endure as I hope it will England will be the next addition to the Republican sisterhood for next to this country and France it is the most enlightened and politically virtuous With a republic at either side it is impossible that she can long be satisfied with the present absurd and burdensome institutions Here is a new gospel of which Duffy might become a great apostle and London is the spot for him to erect his pulpit in If he could only start a great journal in London he would have the whole democracy of the Three Kingdoms In his hands in three years and in this country he would be the most popular of living men From that centre he could influence Irish opinion just as much and he could brave Irish prejudices with vastly greater independence From that place too his voice will be heard in foreign nations In Ireland he must either suppress his opinion on most important questions education for example or he will become once more the persecuted mouthpiece of a provincial party About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the

The Latin and Irish Lives of Ciaran A. Stewart R. MacAlister, 2007-04-01

The Correspondence of Daniel O'Connell: 1792-1828 Daniel O'Connell, 1972

Ernie O'Malley Richard English, 1998-03-26 Ernie O'Malley 1897-1957 was one of the most talented and colourful of modern Irish republicans An important IRA leader in the 1916-1923 Irish Revolution this bookish gunman subsequently became a distinguished intellectual and the author of two classic autobiographical accounts of the revolutionary period *On Another Man's Wound* and *The Singing Flame* His post-revolutionary life took on a bohemian flavour Travelling extensively in Europe and America he mixed with a wide range of artistic and literary figures and devoted himself to a variety of writing projects In his IRA career he mixed with revolutionaries such as Michael Collins and Eamon de Valera in his post-IRA years his friends included Samuel Beckett Louis MacNeice John Wayne and John Ford This important new thematic biography draws on previously unseen archival sources and introduces O'Malley to both scholarly and general readers O'Malley's post-revolutionary life was as turbulent as his IRA years and illuminates many persistent themes of Irish history ranging from the origins and culture of militant republicanism and the complexities of Anglo-Irish relations to the development of intellectual and artistic life in twentieth-century Ireland This exciting new biography will be essential reading for anyone seeking to understand the background to modern Irish politics and the past and present role of the IRA

Seán Murray Seán Byers, 2015 This new biography explores the neglected life and political career of Sean Murray who went from an unremarkable rural northern Catholic upbringing to General Secretary of the Communist Party of Ireland and was one of the most prominent left-wing thinkers of his era An Irish War of Independence volunteer anti-Treaty republican and graduate of the International Lenin School in Moscow Murray rooted himself in the key Irish labor republican and international struggles of his time Using previously untapped sources the book uncovers the details of Murray's IRA activities during the Irish revolutionary period his significant contribution to the 1932 outdoor relief strike and the short-lived Republican Congress initiative and his crucial role in organizing the Irish contingent of the International Brigades in the Spanish Civil War Shining a spotlight on Murray's close personal and political relationships with Peadar Kirby Frank Ryan Jim Larkin Jr Hanna Sheehy Skeffington and many others the book reveals how cross-pollination between the Irish socialist and left republican movements was maintained by virtue of these relationships This is a story of how in the face of adversity the coercive measures of the Unionist state and red scare tactics of Catholic Ireland Sean Murray left a significant imprint on Irish leftist politics through his work as an activist and organizer a prolific writer a propagandist and a theorist
