Marriage: What Christians Should Know Creation Liberty Evangelism, Christopher J.E. Johnson, 2013-09-16 What a Christian needs to understand about modern marriages before they jump in head first **Angels and Earthly Creatures** Claire M. Waters, 2013-06-15 Texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher's human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher's susceptibility to the fleshly failings of lust vainglory deception and greed Preaching's problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture *Angels and Earthly Creatures* reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer's *Canterbury Tales* Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher's unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide **What Every Man and Woman Should Know about the Bible ...** Sidney Calhoun Tapp, 1917

The Fourfold Office of Christ John C. Nugent, 2024-01-02

How should the church relate to the world For

over seven decades the classic categories of Christ and Culture have monopolized Christian answers to this question Nearly everyone bought into H Richard Niebuhr s lofty world transforming vision And now that everyone s trying to make the world better we keep clashing about how to do so We all want God s will to be done on earth as in heaven but deep disagreements about how to get there keep fracturing Christ s body and subverting our testimony Jesus was right our witness to the world depends on our unity and our love for one another In recent years we ve been failing at both Political partisanship and constant infighting have wounded the vulnerable and driven countless people from the pews It s time to revisit church world relations with fresh eyes and a stubborn commitment to God s revelation in Scripture Offering a new typology for the twenty first century The Fourfold Office of Christ lucidly examines the most common ways of relating church and world John C Nugent employs the memorable categories of prophet priest king and servant to showcase the strengths and weaknesses of various approaches He then charts a rigorously scriptural and surprisingly hopeful path forward *The Archaeological*
